

Product Category Descriptions Background

Round 9

6/9/2009

Product Category	Companies	Products	Product Description
Agricultural Spray Adjuvants	ULHI	ULHI-0039	Liquid botanical soap offering multiple agricultural solutions such as (1) improved seed germination, (2) shock-free transplanting success, (3) faster, healthy plant growth, (4) larger roots, (5) larger, green leaves, (6) increased fruit and vegetable yields, (7) freeze and frost resistance, (8) increased sugar content, (9) extended growing season, (10) earlier fruit flowering giving earlier to-market advantage. (11) extended fruit stability after harvest. Provides enormously increased farm profits.
	W1V4	W1V4-0001	A unique and superior nonionic spray adjuvant. This product contains proprietary blend of highly refined methylated vegetable oils in combination with organosilicone-based surfactants.
	W1V4	W1V4-0002	This spreader / sticker is made from cottonseed oil. This organic surfactant is classified as a Methylated Seed Oil or MSO.
	JK50	JK50-0001	This product is a uniquely formulated spray adjuvant developed to enhance the consistency and performance of certain postemergence herbicides. The unique blend of methylated seed oil improves leaf coverage and absorption, thereby reducing the negative effects of adverse environmental conditions.
	DRL2	DRL2-0003	High-performance product of 98 percent methyl ester purity derived from 100 percent virgin soybean oil. Environmentally safe this product promotes uniform herbicide application and improved target coverage of herbicide sprays.
	S5G6	S5G6-0003	Used as a carrier for Pesticides, Insecticides and Herbicides. The cob absorbs the chemical acting as a "carrier". The chemical & cob mixture can then be spread onto a lawn or wherever the intended use is.
	QY5R	QY5R-0001	A methylated seed oil surfactant that is nonionic and compatible with a broad range of herbicides. This product is a quality blend of methylated seed oil and emulsifiers. It is designed to enhance the performance of postmergent herbicides, aquatic herbicides, and agricultural herbicides through wetting and penetration.
	QY5R	QY5R-0003	Unique citrus limonene based penetrant and wetting agent. Aids in breaking down the waxy leaf cuticle of the weed target. Masking agent and activator all in one product, allowing a more effective uptake of the herbicide.

QY5R	QY5R-0004	A wetting agent, sticker, activator, and penetrant all in one. Similar to another product but made with a natural pine limonene component. It helps break down the waxy cuticle on the leaf surface and helps penetrate the bud and bark area (of the woody brush), allowing a more effective uptake of the herbicide.
XC35	XC35-0040	Formulated for use as an adjuvant for spray pH adjustment and a drip irrigation cleaner. It contains natural sugar compounds that act as humectant which may increase absorption of nutrients. NON-PLANT FOOD INGREDIENTS Molasses 100% Derived from natural molasses.
MN4C	MN4C-0001	Enjoy peak post-emerge herbicide performance with 100 percent active materials. This product is based on American grown soybean oil and exceeds all herbicide crop oil specifications.
X4SY	X4SY-0001	A revolutionary new chemistry designed to reduce the watering requirements of plants and turf. This simple mechanism results in healthy, vigorous, drought resistant turf, trees, shrubs, ornamental plants and agriculture.
A3NJ	A3NJ-0005	Corncob particles are highly absorptive. That characteristic combined with the all-natural, inert, biodegradable and free-flowing attributes makes corncob particles an ideal carrier for feed additives and the active ingredients of insecticides and fertilizers
T957	T957-0003	Proprietary formulation of organic, silicone-based surfactants, oils, emulsifiers and buffering agents specifically designed for use with insecticides and fungicides. Contains a blend of methylated fatty acids which retard the evaporation of spray mixes while aiding their penetration into waxy leaves.
T957	T957-0004	Unique blend of soybean oils and surfactants designed to maximize the performance of pesticides by increasing deposition and coverage of pesticide sprays.
T957	T957-0005	Proprietary blend of refined vegetable oils and nonionic surfactants designed to maximize the performance of pesticides by increasing deposition and coverage of pesticide sprays.
T957	T957-0007	A proprietary blend of highly refined methylated seed oils in combination with organo silicone-based surfactants. The incorporation of this product into a spray-mix improves pesticide application by modifying the wetting, coverage, deposition, and uptake of the active ingredient.
T957	T957-0009	Specialized blend of methylated soybean oil and nonionic surfactants for use with a broad range of herbicides where an oil concentrate is recommended.
T957	T957-0010	Vegetable oils formulated from a proprietary blend of soybean oils and nonionic surfactants for use with a broad range of herbicides where an oil concentrate is recommended.

T957	T957-0011	A vegetable oil concentrate formulated from a proprietary blend of soybean oils and nonionic surfactants to maximize the performance of pesticides by increasing the deposition and coverage of pexticide sprays.
T957	T957-0013	An oil concentrate formulated from cottonseed oil and nonionic surfactants to maximize the performance of pesticides.
L793	L793-0002	Methylated canola seed oil for use with pesticides.
L793	L793-0003	A unique blend of highly refined and modified spray Methylated Soybean Oil and superior nonionic surfactants. Allows for superior wetting and absorpition of those pesticides.
L793	L793-0004	A unique blend of highly refined and modified spray Methylated Soybean Oil and superior nonionic surfactants. Allows for superior wetting and absorpition of those pesticides.
L793	L793-0005	A unique blend of highly refined and modified spray Methylated Soybean Oil and superior nonionic surfactants. Our unique chemistry allows for superior wetting and absorpition of those pesticides or products which labels recommend the addition of a spray adjuvant to improve coverage.
K23J	K23J-0004	An insect feeding stimulant and attractant. When combined with chemical and/or biological insecticides it may increase their efficiency. It is comprised of organic components like vegetable oil. It contains a unique mixture of carbohydrates and proteins which can stimulate insects of the Lepidopteron Order to eat insecticides thereby increasing the effectiveness of the insecticides.
K23J	K23J-0016	A multipurpose, multifunction product designed for soil and water application, where the pH of fertilizer and pesticide solutions needs to be lowered into a more acidic range to increase their effectiveness. It is an organic based material that is natural and environmentally friendly. This is ideal for conditioning alkaline soils and water. 60% Inert ingredients, Molasses, & Water
IKN7	IKN7-0001	Advanced spray adjuvant with buffering agents and methylated seed oil for crop protection products. Patent pending micro emulsion concentrate combining an alkaline pH buffered methylated seed oil with a nitrogen-based fertilizer. The antifoam ingredient minimizes the formation of troublesome foam.
UNOJ	UNOJ-0001	An emulsion of 93% cottonseed oil and 7% emulsifiers that may be used on agricultural, forestry, turfand ornamental, industrial, structural and non-cropland sites.
UNOJ	UNOJ-0003	A vegetable oil concentrate designed to increase the efficiency of pesticides.
UNOJ	UNOJ-0004	A multicomponent spray adjuvant developed to maximize the performance of most postemergent herbicides. Made of methylated seed oil.

A14K	A14K-0003	Made from corncob grits and is used as a carrier for pesticides, herbicides and fertilizers. It absorbs the chemicals, dilutes the pesticide, herbicide or fertilizers so that the danger of burning a lawn is minimized, releases the chemicals when wet and conditions the soil.
F3C0	F3C0-0008	Bio-Based Nano-Colloidal Formula Hypo-Allergenic, Bio-Degradable Non-Toxic, Non-Fuming Made entirely from plants grown in the USA. No toxic chemicals, oils, or additives.
F3C0	F3C0-0010	Product is manufactured from the extracts of plants, grown entirely in the USA. Through our Proprietary Process, these plant extracts are transformed into extremely-effective cleaning formulas, which employ Nano-Colloidal Chemistry.
B682	B682-0007	Made from coconut oil and enhances coverage and performance of foliar sprays, fungicides, weed controls and insecticides. This product lowers the surface tension between the leaves of plants and the gardening products being sprayed on them. This enables plants to get maximum absorption of everything that is sprayed on them. No more run-off, repelling effect or evaporation. This is extremely easy to use. Add to every spray including; insecticides, herbicides and fungicides to obtain maximum benefits. Just mix up the spray, add it and spray plants.
V82K	V82K-0001	A proprietary, esterified methylated soy oil blend formulated to enhance pesticide performance under a wider range of weather conditions and weed species compared to ordinary crop oils and methylated seed oils.
V82K	V82K-0002	Its unique methylated seed oil formulation has been proven to minimize precipitate formation and nozzle plugging in tank mixes with extreme pH ranges which are normally associated with micro rate herbicide applications in sugarbeets.
V82K	V82K-0003	A low-use-rate, proprietary, esterified methylated soy oil blend formulated to enhance pesticide performance in low volume spray applications (10 gpa of water or less) when compared to ordinary methylated seed oils and crop oils.
V82K	V82K-0004	A proprietary, esterified (methylated) soy-oil blend formulated to enhance pesticide performance under a wider range of weather conditions and weed species compared to ordinary MSOs and COCs.
S58G	S58G-0001	Made from 100% methylated soy oil adjuvant. Every ounce pays off in improved herbicide performance and herbicides spread quickly and evenly over weed surfaces. Designed for use with post-emergence herbicides.

I51V	I51V-0001	Blend of Methyl and Ethyl esters of free fatty acids derived from refined food grade Canola oil and biodegradable polyoxyethylated surfactants. Many weeds have a waxy protective coating which must be penetrated before a pesticide can be absorbed by the plant. This wax barrier can intensify under the effects of drought or when the plant is under stress resulting in poor absorption of applied pesticide. The esterified seed oils in Racer have outstanding wax solubility characteristics which greatly assist the penetration and absorption of oil soluble herbicides.
KUC3	KUC3-0033	Made from cottonseed oil and can be used as a wetting agent with insecticides, herbicides, and fungicides to make them more effective. Safe on lawns, ornamentals, fruit and nut trees, and vegetable crops.
C727	C727-0001	A combination of pure food grade soybean oil with emulsifiers and stabilizers. This combination is blended to serve as a carrier, drift reduction agent, surfactant, penetrants and spreader/sticker. A "Homegrown Product" and is gentle to the crop.
U377	U377-0002	Spray adjuvant is a unique blend of emulsifiers, surfactants, and conditioners with twice-refined vegetable oil that provides for broad compatibility with most agricultural chemicals. Can be used as an herbicide spray.
TL6P	TL6P-0001	A non-ionic adjuvant with drift control agents and an integrated antifoam/defoamer formulated for loaded glyphosate compounds. It is designed specifically to enhance deposition, control droplet size and defoam spray solutions. Made from soy!
TL6P	TL6P-0003	A methylated seed oil containing the highest quality components available. The premium emulsifiers along with our chemistry will provide uniform mixing for excellent performance as well as drift reduction, enhanced penetration and droplet adhesion.
TL6P	TL6P-0004	An uptake enhancing surfactant system. It is designed for use with pesticides that recommend a non-ionic surfactant and contains soybean-based components that work especially well with systemic chemistry, reducing dirttable fines.
TL6P	TL6P-0005	A vegetable oil concentrate surfactant designed to maximize the performance of pesticides by increasing the deposition and coverage of chemicals on the target crop
KHY6	KHY6-0009	An environmentally-friendly, biodegradable, natural spreader-sticker designed to increase the spreading and adhesion of insecticides, fungicides, herbicides, and fertilizers to the plant. The product is manufactured with vegetable polysaccharides, and when applied to the plant it forms a thin film that protects and prevents pesticides from being carried away by wind or degraded by ultraviolet sunlight. This product also improves the efficacy of pesticides by reducing wash off by rain or irrigation.

Animal Cleaning Products	ULHI	ULHI-0043	All formulas developed at our company are Non-Toxic, Non-Caustic, Non-Fuming, Biodegradable, and certified as Non-Carcinogenic. They are Nano-Colloidal Blends, made entirely from plants grown in the USA.
	ULHI	ULHI-0042	All formulas developed at our company are Non-Toxic, Non-Caustic, Non-Fuming, Biodegradable, and certified as Non-Carcinogenic. They are Nano-Colloidal Blends, made entirely from plants grown in the USA.
	ULHI	ULHI-0048	Shampoo for your pet.
	Q000	Q000-0001	The best way to keep your pets clean and smelling great. Use this safe and gentle, all natural shampoo on all your pets. Provides nourishing botanical oils to the coat and restores suppleness to the skin. This non-drying formula and rich lather imparts new revitalizing luster and gloss. Contains soothing botanicals to help relieve irritation on the skin. Easy to rinse out of all types of coats, so that grooming is finally a pleasure for both you and your pet. Ingredients: Saponified Oils of Coconut, Olive and Jojoba, Tea Tree Oil, Rosemary Oil, Sage Oil, Cedarwood Oil, Peppermint Oil, Sweet Orange Oil, Eucalyptus Oil, Pine Needle Oil, Aloe Vera, Rosemary Extract (as a preservative)
	Q000	Q000-0003	The most effective ear solution available today is great for ANY problem ear condition. This soothing blend of herbal extracts (in a witch hazel base) gently eliminates ear wax, odors, prevents infections, heals abrasions, and promotes healthy new cell formation. This product is never greasy and always easy to use. Enjoyed by pets and pet lovers everywhere. Ingredients: In a base of Witch Hazel, Natural Herbal Ear Wash contains the following full strength herbal oils and extracts: Chamomile Extract, Sage Oil, Clove Oil, Hore Hound Extract, Southern Wood Extract, Marigold (Calendula) Extract, Penny Royal Oil, St. John's Wort.
	SN35	SN35-0025	Is your dogs hair a jungle & you are looking for a product to tame it? These shampoo bars on a rope are enriched with organic aloe and organic oats to soothe, pure essential oils to deodorize, and bentonite clay for extra cleansing. Embossed with little paw prints, these handy bars comes on organic sustainable hemp ropes for easy handling. The herbal essential oils help repel fleas and ticks and leave your dog's coat soft, shiny, and smelling fantastic. Great for dog's with even the most sensitive skin & you too. Go ahead slather it on, it's all natural! Helps Relieve the Following: Symptom - Dull Coat Symptom - Itchy Symptom - Fleas Symptom - Stinky Dog Symptom - Dirty Dog Symptom - Sensitive Skin Symptom - Irritated Coat Symptom - Nervous Symptom - Anxiety Symptom - Stressed

SN35	SN35-0024	Is your dogs hair a jungle & you are looking for a product to tame it? These shampoo bars on a rope are enriched with organic aloe and organic oats to soothe, pure essential oils to deodorize, and bentonite clay for extra cleansing. Embossed with little paw prints, these handy bars comes on organic sustainable hemp ropes for easy handling. The herbal essential oils help repel fleas and ticks and leave your dog's coat soft, shiny, and smelling fantastic. Great for dog's with even the most sensitive skin & you too. Go ahead slather it on, it's all natural! Helps Relieve the Following: Symptom - Dull Coat Symptom - Itchy Symptom - Fleas Symptom - Stinky Dog Symptom - Dirty Dog Symptom - Sensitive Skin Symptom - Irritated Coat
P5IE	P5IE-0009	This enzymatic hydrolyzed silk conditioner creates a unique conditioning network on the hair. Moisture balancing keratin forming ultimately improves the mechanical properties of the hair. It contains cystine offers permanent conditioning responsible for repairing split ends and damaged coats caused by mechanical stress. Moisture regulating properties reduce limpness at high relative humidity and brittleness at low relative humidity. This product dramatically effects manageability gloss and texture of the coat. Helps prevent defatting of the skin which helps maintain the integrity of the lipid barrier complex. Regulating moisture in both high and low relative humidity truly makes this conditioner unique and multifunctional. FEATURES: Natural conditioning network Non-toxic Multifunctional system Keratin forming Permanent conditioning Contains cystine Rebuilds and strengthens hair Non-caustic Super detangler Excellent sheen Outstanding wet-dry comb Resists matting Moisture balancing Silky texture Helps skin maintain lipid barrier complex

P5IE	P5IE-0008	This product is a high protein naturally derived enzymatic formulated solution that is designed to totally neutralize the animal's coat and skin, resulting in a perfectly clean deodorized and residue free state. It biomimic concentrates are tested multifunctional to effectively remove scales flakes and dander leaving a neutral bandage over the skin matrix promoting nature's healing lipid process. The results from this process are extremely effective in preventing and improving various dermatological conditions. The animal's coat remains exceptionally detailed for grooming styling and final presentation. With proper use of this product, expect the actual drying time as well as the amount of rinse water to be reduced by as much as 50 percent. Being residue free will allow the animal's coat to stay cleaner longer and require fewer baths between groomings. This product will eliminate the need for harsh chemicals toxins flea shampoos and dips. It is tearless 100 percent safe for animals humans and the environment. FEATURES Natural enzyme based 100 percent safe Non toxic Non caustic Tearless No soaps Biodegradable Residue free Static free Reduces drying Hypo allergenic Reduces shedding Reduces odors that attract fleas and other insects Relieves non specific dermatitis
PQ39	PQ39-0003	This product is formulated specifically for cats and people who are allergic to cats. It cleanses your cat's hair of saliva and dander, the prime causes of allergic reactions. To use, first groom your cat with a fine to medium toothed metal comb for cats, removing as much dead hair as possible. Then, wet a washcloth with this product and thoroughly run it over your cat. Absolutely non-toxic and safe to use on kittens.
PQ39	PQ39-0002	Specially formulated for dogs and for people who are allergic to them. This product cleanses dog hair of dander, saliva, and sebaceous gland secretions, which are the prime causes of allergic reactions to dogs. To use, simply use a pin or slicker brush for dogs to remove as much dead hair as possible, then wet a washcloth with this product and thoroughly run it all over your dog. Non-toxic and completely safe even for puppies.
PQ39	PQ39-0001	This product is a clear, non-toxic, plant based formulation proven to denature protein allergens on contact. The pet shampoo can be used on dogs, cats, and small animals to neutralize dust mite allergens and pet dander allergens, and help control fleas and ticks. Soft and conditioning, with no tannic acid or benzyl benzoate. Deodorizing formula helps your pet stay fresh.
K2V1	K2V1-0017	A mild coconut and palm oil blend with the repellent essential oils of cedar, citronella, eucalyptus, and pennyroyal will keep your pet's skin healthy, his coat shiny and flea free -- with no harmful chemicals.

U119	U119-0003	In today's world when so many everyday products are harmful to the environment, animals and human health, it is refreshing to find one that is safe. This product is blended from farm products grown in the U.S.A. and is sold in farm and ranch stores. Our product is non-toxic, contains no volatile or noxious fumes and harmless to human and animal tissue.
U045	U045-0001	Clearly demonstrates excellent antioxidant properties which will help heal and soothe many animal hot spots and other itchy conditions, while adding protein and lipids to produce a beautiful, healthy coat.
U045	U045-0002	A specialized conditioner that restores damaged coats to a rich luster while moisturizing and soothing dry, irritated skin. The active ingredient, extracted from the prickly pear cactus, is a natural insect repellent and a healing agent, excellent for relieving flea bite dermatitis, hot spots, wounds and other skin conditions.
U045	U045-0003	Elk antler velvet has been used for hundreds of years for its ability to soothe aching joints. Provides natural nutrients to the animal's hair follicles and skin that are absorbed by the body. Natural glucosamine and chondroitin benefit the joints
U045	U045-0004	An aloe-vitamin based shampoo with the addition of cedar, eucalyptus and citronella oil to aid in repelling insects. A high quality, gentle shampoo, this will leave the coat shiny and lustrous.
U045	U045-0005	luxurious shampoo containing silk protein and natural lipids. Adds shine and conditions coat. Excellent on any breed, especially long-coated breeds.
U045	U045-0006	High quality light conditioner. Helps to rehydrate skin and coat.
U045	U045-0007	Helps return luster to damaged coats and restores natural oils to skin and coat.
U045	U045-0008	A high quality, aloe-vitamin based shampoo. Reduces rinsing time, enhances any coat color and does not alter the coat's natural texture. Promotes healthy skin.
U045	U045-0009	This product will leave the coat shiny and lustrous. Enhances all coat colors with the use of optical brighteners and ultraviolet.
U045	U045-0010	Contains tea tree oil to help in the treatment of dry, flaky, irritated skin.
U045	U045-0011	A gentle organic rinse comprised of four natural oils that repel flies, fleas, ticks and mosquitos. Very soothing to irritated skin. Use on yourself as well as your pet!
U045	U045-0012	Prickly pear cactus, a naturally occurring insect repellent, is the active ingredient in this shampoo. Deep cleans without stripping the natural oils from the skin and coat. Moisturizes and conditions the skin and coat and will soothe and heal flea bite dermatitis, hot spots and other forms of irritated skin. Great for allergy dogs!
U045	U045-0013	A silk protein conditioner formulated to control static. Excellent at mat removal. Makes brushing easier and reduces drying time. Adds body and sheen.

U045	U045-0014	Conditions the coat to its optimum potential. Leaves the coat shiny and lustrous. May be diluted with Distilled water and used as a grooming spray.
U045	U045-0015	A natural enzyme product enhanced with a whitening agent resulting in a dramatic white and bright coat. This is a heat-activated product. This product will remove stubborn stains.
ZK91	ZK91-0115	Synthetic detergents and pesticides don't belong on your dog. That's why this line is the natural choice! Superb, all-natural shampoo helps keep fleas and other pests away and leaves your dog's coat soft and clean. Natural coconut oil-corn oil soap base cleanses gently, without irritating a dog's sensitive skin. 8 oz. INGREDIENTS: Deionized Water, Hydrolyzed Soy Protein (made from organic, non-GMO soybeans), Coconut Oil-Corn Oil Soap, Extracts of Fennel, Hops, Balm-Mint, Mistletoe, Camomile and Yarrow; Bitter Almond Oil, Vanilla Oil, Pennyroyal Oil, Aubrey's Preservative (Citrus Seed Extract, Vitamins A, C and E).
D4E2	D4E2-0003	Special blend of botanical extracts known to soothe and relieve dry skin and poor coat conditions. Wonderful scent. Organic coconut base.
D4E2	D4E2-0002	Excellent coat and skin cleanser for all pets of all ages. Safe for weakened pets. Organic Coconut, Aloe Vera and soothing Oatmeal with standardized Goldenseal and Yucca Extracts.
RF10	RF10-0001	Not only does this bar cleanse and condition the coat. But it's also designed to soothe and moisturize your dog's delicate skin. Aloe Vera has long been known for its healing properties and works against bacteria as well as seals off the area protecting it from affection and speeds the healing process.
RF10	RF10-0003	This powerful odor remover is infused with natural and certified organic ingredients. It is designed to remove the strongest odors from your pet. So powerful it can even remove skunk odor, but gentle enough where it won't dry out your pets coat or skin.
RF10	RF10-0004	A powerful coat conditioner with oatmeal. This conditioner is infused with certified organic ingredients. Ideal for normal to dry coats. Helps reduce dandruff and protects against matting and dry coats. Will effectively moisturize your pets coat without weighing it down.
RF10	RF10-0005	2-1 shampoo and conditioner, is infused with certified organic ingredients that will clean, protect and moisturize your dog's coat. Designed for dogs with normal to dry coats.
RF10	RF10-0006	Tree tar shampoo with oatmeal. This shampoo + skin rejuvenation is infused with natural and organic ingredients. Designed with tree tar and oatmeal to effectively control redness, itching and flea allergy dermatitis.
RF10	RF10-0002	Other dogs shampoo's on the market have artificial boosters that can irritate your dogs skin and dry the coat. But this shampoo is packed with all natural ingredients- is low lathering, rinses easily & is gentle but effective for your dogs delicate skin and coat.

RF10	RF10-0007	This shampoo has the ultra sensitive dog in mind. For the itchy dog that cant seem to find any relief. We have this bar "unscented" with added oatmeal & aloe in hopes that your dog's skin will find some relief.
Y482	Y482-0001	This product gives your pet a luxurious deep cleansing shampoo bath. Can be used on ferrets and other small mammals. Deep cleansing coconut oil based shampoo. Concentrated- 1 oz. makes 32 oz. of shampoo.
KH5I	KH5I-0012	Formulated to perfection, it provides relief of itching and flaking of seborrheic dermatitis. Its baby-mild shampoo base is gentle to skin and hair that has been abused by scratching and matting. This product lathers nicely , has non-offensive odor, and natural skin pH. It leaves hair clean, smooth, and manageable.
KH5I	KH5I-0005	This formula intensifies all shades of brown while thoroughly and gently cleaning and conditioning the coat. Special pearlescent brighteners give the hair a lustrous sheen with sparkling accents. This coconut oil base formula, fortified with Protein, gives life and body to the coat. It's rich lather rinses out easily and leaves hair clean, fresh, and easy to manage.
KH5I	KH5I-0014	1 gallon makes 16 gallons! Our very special formulated product provides professional groomers with a dilutable shampoo of superior quality, optimum performance, and economy. One gallon dilutes to make 16 gallons of super rich, foamy, mild shampoo that is not sticky or gooey. The Coconut Oil base formula cleans thoroughly while it brightens and conditions the coat. Deodorizes, is non-irritating and has a neutral pH. Contains Lanolin to condition the coat and to prevent dryness of the skin. Rinses out in seconds, is biodegradable, and has a clean fresh fragrance.
KH5I	KH5I-0007	Formulated specifically for double coated breeds, it adds body and fullness to the coat. The luxurious lather rinses out quickly and residue free leaving the coat with the desired texture. This Protein enriched formula contains pure cosmetic ingredients and will not dry or damage the hair. It has a neutral pH and controls matting. Bathing can now be done the day before the show! Ideal for cats
KH5I	KH5I-0020	A non-irritating, high quality shampoo specifically developed for white and light colored coats. Special whiteners and pearlescent brighteners add brilliance and sparkle to the coat. The protein in this mild coconut base formula gives life to the coat and helps prevent dryness. Rinses out quickly, leaving the coat with a fresh, clean smell.
KH5I	KH5I-0022	Contains CHAMOMILE, nature's own stimulating coat and skin conditioner. Leaves the coat with a beautiful difference you can see and feel instantly- exceptional sheen and silky feel. Designed for all colors, including white coats. Rinses out film-free, is pH balanced and biodegradable. Leaves the coat with a fresh, clean fragrance.

KH5I	KH5I-0021	Baby-mild coconut oil base shampoo that conditions as it cleans. Contains Lanolin to prevent dryness. The absorbable Protein is essential for any damaged coat and makes the coat shine. Is non-irritating and will not strip natural oils from skin and coat. Highlights all colors and makes white sparkle. Helps control body odors, is pH balanced, and rinses out completely.
KH5I	KH5I-0015	A conditioning shampoo concentrate that contains pyrethrins for effective flea, lice and tick control. Coconut oil derived ingredients in this formula cleans gently, highlights all colors and makes white sparkle. The protein and lanolin in this shampoo helps condition skin and coat, prevents dryness and gives the coat body and a deep down lustre and sheen. Coat dries smooth, manageable and tangle-free. pH balanced, mild, rinses out completely, leaving the coat smelling fresh and clean.
KH5I	KH5I-0010	Developed especially for a puppy's sensitive skin and delicate coat, this pure and natural conditioning shampoo cleanses thoroughly and effortlessly without stripping the natural protective oils from skin and coat. It rinses out quickly and completely for those impatient puppies. Helps control body odors, is pH balanced and leaves no irritating residue.
KH5I	KH5I-0023	This shampoo gently cleans and conditions coat, mane, and tail. Enhances natural colors and leaves coat with a beautiful radiant sheen. Natural oils are retained in the skin and coat. Rinses out in seconds. For show-ring perfection, unequaled in quality.
KH5I	KH5I-0001	The unique fragrance in this product has been specially selected from the finest most prestigious perfume oil in the world. This mild, soap free natural shampoo cleanses thoroughly, effortlessly, without stripping natural protective oils from skin and coat.
KH5I	KH5I-0002	This all natural tearless conditioning shampoo treatment is fortified with a selected, harmonious blend of pure botanical extracts such as Aloe Vera, Chamomile, Rosemary, Lemongrass, Hops, Yarrow, Matricaria, and Palm Mint to revitalize coat and skin. Enriched with Protein and Lanolin to restore natural radiance and give body to the coat while moisturizing dry skin. Concentrated, pH balanced with a rich and fragrant lather. Safe for puppies and kittens. Safe for our environment.
KH5I	KH5I-0018	A short-cut to a bath. Contains conditioners that leave the skin and coat looking and feeling its best. Contains no harsh chemicals, leaves no irritating residue, is pH balanced and mild.
KH5I	KH5I-0016	A soap free conditioning shampoo for kittens. This pure and natural shampoo cleanses thoroughly and effortlessly without stripping the natural protective oils from skin and coat. It leaves the coat fluffy and fresh. Rinses out quickly and completely for those impatient kittens. Helps control body odors, is pH balanced and leaves no irritating residue.

KH5I	KH5I-0013	This all natural soap free cleansing treatment helps relieve dry irritated skin. This exceptional shampoo cleans the skin and coat without harsh irritating chemicals. Special conditioners moisturize and soothe the skin on dogs and cats.
KH5I	KH5I-0003	This unique formula will highlight all colors and make the coat shine. With a baby-mild, coconut oil base, it will thoroughly clean without stripping natural oils from skin and coat. Prevents dryness, rinses out completely leaving no irritating residue. Hair dries smooth, manageable, and tangle-free. Safe for puppies and kittens.
KH5I	KH5I-0019	A coconut oil base formula enriched with protein. A non-irritating, high quality shampoo specifically designed for white and light colored coats. Special whiteners and pearlescent brighteners add brilliance and sparkle to the coat. Unconditionally guaranteed to leave coat clean, smooth and easy to manage. The protein in this mild coconut oil base formula gives life and body to the coat and helps prevent dryness. Rich and foamy, it has a neutral pH, is non-bleaching and controls matting, tangling, and fly-away hair. Rinses out quickly, leaving the coat with a fresh, clean smell.
KH5I	KH5I-0025	The short-cut to a bath. Useful when normal shampooing is not practical. Shampoo without wetting or rinsing. Contains Lanolin to condition hair and skin. Removes stains. Easy wet or dry combing of mane and tail. Non-irritating.
KH5I	KH5I-0026	A concentrated cream with Wheat Germ oil, Protein, and Vitamin E. Deep conditions instantly. Leaves hair with healthy sheen and non-oily feel. Restores natural hair color. Lengthens, texturizes mane and tail, stimulates growth. Essential for dry damaged hair. Makes hair easy to groom. Helps eliminate itching and dandruff.
KH5I	KH5I-0017	A baby mild coconut oil base shampoo that conditions as it cleans. Is non-irritating and will not strip natural oils from skin and coat. Highlights all colors and makes white sparkle. Contains lanolin to prevent dryness. The absorbable protein builds body and makes the coat shine. Coat dries smooth, manageable, and tangle-free. Essential for damaged, overworked hair. Helps control body odors, is pH balanced and rinses out completely. Leaves the coat smelling fresh and clean. Safe for puppies and kittens.
KH5I	KH5I-0024	Specially formulated for white and other light colored coats, manes, and tails. Special pearlescent brighteners add brilliance to the hair. Non-bleaching, does not strip natural oils from skin and hair.

KH5I	KH5I-0006	Discover the most exciting shampoo for the pet industry, offering extraordinary mildness plus superior cleansin and foaming. It is tearless and soap-free. It is mild enough for even the most sensitive pets. Scientifically formulated, it is free of perfumes and dyes and will not leave an irritating residue. Derived from natural regrowable sources such as corn, coconut, and palm kernel oils. It has been extensively tested to ensure the utmost in mildness for skin and eyes by in-vitro methods, a non-animal testing procedure.
KH5I	KH5I-0011	White coat sparkle without bleaching when shampooed with this extraordinary formula that has been developed for white and other light colored coats. Fortified with protein, it cleans thoroughly while adding life and body to the coar. Super White controls matting, tangling, and fly-away hair. Its rich lather rinses out easily, leaving hair smooth, manageable, shiny, and with a fresh clean smell.
KH5I	KH5I-0004	This special formula contains pearlescent brighteners to intensify black, blue, and other dark colored coats, creating sparkling accents and a rich lustrous sheen. The mild coconut oil bas is enriched with Protein to give life and body to the coat.
KH5I	KH5I-0009	This easy to use shampoo requires NO wetting or rinsing. It is enhanced with optical brighteners, and it highlights all natural colors adding intense luster to the coat. It cleans gently, removes stains, and is especially valuable for those last minute touch-ups because it will not change the coat appearance. A few of many helpful uses include: during bad weather, between bathing, to spot clean and deodorize, caring for puppies and kittens, after surgery, soiling mishaps, old or sick pets. Anytime bathing is not convenient, just apply and wipe dry. It is tearless and has no alcohol. Excellent for cats.
KH5I	KH5I-0008	For the wiry terrier type breeds, it adds the desired coarseness needed for perfection. While texturizing, it cleans, deodorizes, and adds body without damaging the hair. It will highlight all colors. The fresh scented lather rinses out quickly.
GOYP	GOYP-0001	This is a detergent free formulation to provide: soothing relief from allergies; reduces itching and redness; dry flaky sensitive skin; and restores natural moisture to the skin. Our hydrolyzed-oat protein creates a barrier against moisture loss. This moister barrier stimulates collagen production, which enhances the pet's natural wound healing ability. Furthermore, the hydrolyzed-oat protein has a positive charged so it attaches itself to the hair and skin. By penetrating the hair channel, it conditions the hair, reducing brittleness, breakage and shedding by strengthening the coat.
GOYP	GOYP-0003	This product was developed to provide the professional groomer with an all natural, non-alkaline, mild citrus formula that contains 5% d-Limonene.

GOYP	GOYP-0002	This product revitalizes damaged, dry hair back to life. This ultra-mild shampoo quenches the hair's thirst, as it cleanses with hardy, moisture-rich ingredients.
GOYP	GOYP-0004	This product contains a unique blend of tea tree oil, aloe vera and other all natural ingredients. Natural tea tree oil has been proven effective as an antifungal, antiseptic, antibacterial and has long history as an effective and beneficial ointment for "hot spots," chafed dry skin, pesky insect bites and itching. We added aloe vera, a quality soothing emollient, to help moisturize the animal's skin.
JC9H	JC9H-0056	This is a mild formula gentle on your skin as well as your four legged friend! 500ml plastic bottle. Does not deplete natural oils required to maintain a healthy coat, No petrochemicals, sodium laurel sulphate or animal fats. Especially suited to long haired dogs, rabbits, guinea pigs, cats, horses, cattle. Contains detangling ingredients to assist grooming.
JC9H	JC9H-0057	A special formula for your four legged friend with skin problems, allergies, rashes, sensitive skin or fleas. 500ml plastic bottle. Does not deplete natural oils required to maintain a healthy coat, No caustic petrochemicals, sodium laurel sulphate or animal fats. Contains Tea Tree and Eucalyptus oils to heal irritation and soothe irritated skin. Leaves your bath without the scum build up associated with soaps.

GDZW	GDZW-0010	To a rich base of healing Aloe Vera, we added active fruit extracts of Apple, Lemon, Orange, and Papaya extracts. We then went even further adding Panthenol (vitamin B5) and rich conditioning herbals all working together to leave hair shiny, full and revitalized. Naturally derived and color safe. Gentle enough for daily use.
GDZW	GDZW-0013	To a rich base of healing Aloe Vera, we added active fruit extracts of Apple, Lemon, Orange, and Papaya extracts. We then went even further adding Panthenol (vitamin B5) and rich conditioning herbals all working together to leave hair shiny, full and revitalized. Naturally derived and color safe. Gentle enough for daily use.
GDZW	GDZW-0009	Sold in Vet clinics and Veterinarian approved, this product is not an odor cover up or a cologne, it actually helps remove odors from your dog's coat using plant extracted essential oils. This product leaves your pal's coat shiny, fresh, and conditioned with added aloe and nourishing oil. It is also ideal for spritzing in any room, or directly on your dog's bedding, to freshen and remove funky pet odors. Will not mat dog's coat. The Lavender tea Tree scents also acts as a flea repellent. This is aromatherapy for the dogs we love! Not for use on cats. Cats don't metabolize essential oils in the same way dogs and humans do
GDZW	GDZW-0011	This gentle dog shampoo contains the very mildest ingredients designed to cleanse and moisturize your best friend's coat! Our formula begins with ProVitamin B5 to nourish and moisturize skin and coat. Comfrey Root is added to naturally sooth skin irritations, while Silk Proteins restore moisture balance and add shine. We have also added pure plant extracted essential oils to repel pests and add a wonderful scent. Contains NO: sulfates parabens DEA TEA alcohol phosphates pesticides detergents dyes animal by-products
GDZW	GDZW-0007	This gentle dog shampoo contains the very mildest ingredients designed to cleanse and moisturize your best friend's coat! Our formula begins with a moisturizing aloe vera base, with added Hydrolyzed Wheat Protein, DL panthenol (provitamin B5), and Vitamin E to nourish and moisturize skin and coat. Allantoin, a botanical extract, is added to naturally sooth skin irritations, while added glycerin moisturizes and adds shine. We have also added pure plant extracted essential oils for a wonderful scent. Packaged in cobalt blue plastic bottle w/pump. Not for use on cats.
GDZW	GDZW-0012	Natural, mild, with anti-oxidant protection, this offers results that rival most salon-only products. To a base of Aloe Vera we've added wheat protein to replenish and strengthen, Glycerin to moisturize, and Panthenol (vitamin B5) for luster, strength and help in repairing split ends. Vitamin E works to prevent moisture loss, while Comfrey Root soothes and prevents further damage.

AWHA	AWHA-0001	This excellent concentrate is infused with our popular Fresh & Clean Fragrance and provides a quality and economical every-day shampoo. It is easy-to-rinse, pH-balanced and leaves the coat lustrous and manageable.
AWHA	AWHA-0015	This hypoallergenic shampoo contains Baking Soda, a proven cleanser and deodorizer which absorbs and fights odors while washing away ground-in dirt and unwanted oil. Its exfoliating action gently removes dead skin cells while exposing softer, smoother skin. The formula also contains Colloidal Oatmeal and Aloe Vera, two soothing ingredients that help calm redness and reduce inflammation. This soap-free formula is excellent for use with all spray-on and spot-on insecticide products.
AWHA	AWHA-0023	Helps alleviate conditions associated with seborrhea dermatitis, canine and feline acne, and other conditions where a keratolytic vehicle may be beneficial. Also aids in flushing hair follicles and degreasing problem coats. Contains 2.5% Benzoyl Peroxide in a deep-cleansing shampoo base. For dogs, cats, puppies and kittens
AWHA	AWHA-0016	For pets with black, charcoal, blue or other dark coats, our pH-balanced shampoo adds shine and brilliance to their appearance. Conveniently tearless, the high-sudsing, herbal scented formula rinses residue-free while special ingredients leave the coat full of body, beautifully conditioned and easy to manage
AWHA	AWHA-0006	Specially treat your client with a day at the Spa! Part of our new collection, the this aromatherapy line of shampoos are made with a luxurious conditioning base enriched with Vitamin E and Lanolin, which results in a glossy, manageable finish. This shampoo calms and caresses with a gentle blend of fresh chamomile, lavender, vanilla and musk.
AWHA	AWHA-0003	It combines the sweet scent of fresh-picked cherries with gentle, natural ingredients resulting in a long-lasting aroma. The pH balanced formula conditions and replenishes moisture and is gentle on hands. This shampoo rinses residue-free so coats are left glossy, healthy and manageable.
AWHA	AWHA-0024	Help combat skin conditions associated with bacteria and a wide range of microorganisms with our soothing 2% Chlorhexidine Shampoo. This pleasantly scented mild shampoo contains special conditioners that clean and deodorize. Its gentle, proven-safe Chlorhexidine Gluconate formula is ideal even for routine shampooing. For dogs, cats, puppies and kittens
AWHA	AWHA-0017	Find that long lost shiny coat with this deep-cleansing, invigorating shampoo. Gently but thoroughly, it cuts through accumulated residue caused by conditioners, medications, oils, minerals, chlorine and shampoos, returning body and shine to hair. Scented with our Happy fragrance

AWHA	AWHA-0010	Replenish natural moisture with our luxurious pH-balanced Conditioning Shampoo. Vitamin E and Lanolin penetrate deep into the coat to revive overworked hair and skin. Special moisturizers soften and condition for a clean, shiny and healthy looking coat without the use of unwanted oils or waxes. Scented with our Holiday fragrance.
AWHA	AWHA-0004	Give a show-quality look to all pets with our unique, extra-lathering coconut-based formula. Ultra-rich and pH balanced, this shampoo provides control over flyaway hair and leaves every coat with an unsurpassed shine. Special conditioners add life and body while helping to prevent dryness. Its pleasant herbal fragrance lasts for days, a memorable reason for your customers to request this shampoo for each bathing or grooming session
AWHA	AWHA-0005	Our unique, water-free formula actually thickens when you add water, with a single gallon making up to 110 gallons of luxurious, fragrance-free shampoo. This product's excellent sudsing action leaves coats clean, lustrous and manageable. It is an ideal economical base for adding a flea-killing punch with a special ingredient, or the skin-soothing properties of our special additive. Because it is fragrance-free, it may be tailored with your favorite oil. Use this product to make bathing systems even more efficient and cost-effective.
AWHA	AWHA-0011	This shampoo caresses the coat with a blend of natural extracts and gentle, luxurious ingredients. It is ideal for all coats and produces a quick lather that rinses effortlessly so there are no after-bath "itchies". This hydrating formula is mild and lightly scented with a refreshing fragrance. May be diluted 10:1. A portion of the proceeds from this product will be donated to breast cancer awareness programs in honor of the co-founder of this company, and a three time breast cancer survivor.
AWHA	AWHA-0018	Summer is the best time of year to take advantage of our special offer on this revolutionary shampoo. It protects hair from the harsh sun thereby maintaining its natural health, shine and color. While most sunscreens are skincare products, this protectant is made specifically for hair. Its patented technology activates the sun protection properties after shampooing and rinsing, unlike skin sunscreens that lose all effectiveness when rinsed off. And while conditioners merely mask the effects of sun damage, this revolutionary product actually prevents rough hair surfaces, color fading and breakage. Infused with our fresh Pink Grapefruit fragrance.

AWHA	AWHA-0019	A highly concentrated, superior cleansing agent, our Shampoo is the fast and easy way to clean greasy ears, oily-coated breeds, extra dirty pets, coats stained with motor oil and grease and pets plagued with oily seborrhea and stud tail. A soft paste when cool and a thick ivory liquid when warm, this Shampoo performs well both ways and leaves coats shiny. A must to have on hand for those cocker ears. Pleasant citrus fragrance. Ready to use formula.
AWHA	AWHA-0012	Keep coats brushed longer with the use of our shampoo. This all-in-one formula loosens tangles while shampooing and helps prevent them from forming on dry coats later. While other detanglers weigh hair down with a heavy solid wax, ours contains a liquid that leaves the hair feeling light and natural. Scented with Happy fragrance, it is also fortified with rich conditioners that rejuvenate dry coats. Contains no silicone
AWHA	AWHA-0007	Specially treat your client with a day at the Spa! Part of our new collection, this aromatherapy line of shampoos are made with a luxurious conditioning base enriched with Vitamin E and Lanolin, which results in a glossy, manageable finish. This shampoo soothes the senses with bamboo extracts and a light citrus scent leading to a bouquet of roses, jasmine and white lilies
AWHA	AWHA-0020	This shampoo combines the sweet scent of ripe, orchard-grown apples with gentle, natural ingredients resulting in a long-lasting aroma. The pH balanced formula conditions and replenishes moisture and is gentle on hands. This shampoo rinses residue-free so coats are left glossy, healthy and manageable.
AWHA	AWHA-0021	It combines the earthy scent of mature almonds and the floral sweetness of honey with gentle, natural ingredients resulting in a long-lasting aroma. The pH balanced formula conditions and replenishes moisture and is gentle on hands. This shampoo rinses residue-free so coats are left glossy, healthy and manageable.
AWHA	AWHA-0008	Specially treat your client with a day at the Spa! Part of our new collection, this aromatherapy line of shampoos are made with a luxurious conditioning base enriched with Vitamin E and Lanolin, which results in a glossy, manageable finish. This shampoo relieves stress with a relaxing combination of armoise oil, cinnamon, sandalwood, and kava kava extract.
AWHA	AWHA-0022	Leave a smaller carbon footprint with this corrugated cardboard box that is recyclable. Our high sudsing, all-purpose shampoo contains special degreasing agents that result in the superior cleansing action required by extremely oily or dirty coats. It's easy-to-rinse, all-natural formula is known for keeping the coat cleaner longer while leaving a pleasant citrus fragrance.

AWHA	AWHA-0009	Specially treat your client with a day at the Spa! Part of our new collection, this aromatherapy line of shampoos are made with a luxurious conditioning base enriched with Vitamin E and Lanolin, which results in a glossy, manageable finish. This shampoo relaxes and soothes with an aromatic blend of lavender, chamomile and sweet peas entwined with violets and roses
AWHA	AWHA-0025	This shampoo with 4% Chlorhexidine Gluconate helps battle extra tough skin conditions associated with bacteria and a wide range of microorganisms. Our double-strength shampoo also contains deep-cleansing agents and moisturizers. For dogs, cats, puppies and kittens
AWHA	AWHA-0026	Relieve the itching, scaling and dry skin resulting from seborrhea dermatitis, skin bacteria and fungi with this all-natural shampoo made with soothing tea tree oil. The synergistic combination of Vitamin E, Wheat Germ, Rosemary and Coconut oils, plus proteins and mild organic cleansers, provides rapid relief and deep skin penetration resulting in healthy, shiny coats. For dogs, cats, puppies and kittens.
AWHA	AWHA-0027	This rich shampoo contains powerful 2% Miconazole Nitrate which helps battle fungal conditions including those associated with yeast and ringworm. It aids in eliminating the scaling that is a by-product of seborrhea. The addition of 2% Colloidal Oatmeal locks in needed moisture while providing soothing relief. This shampoo can also be mixed with one of our other shampoos to help relieve co-existing conditions caused by bacteria or other microorganisms and where an additional deodorizing formulation may be beneficial. For dogs, cats, puppies and kittens.
AWHA	AWHA-0013	Dull, lifeless coats are revitalized when shampooed regularly with our plum shampoo. Moisture-binding silk proteins penetrate every strand to restore moisture and shine and add texture and body. Fortified with conditioners, it helps repair brittle hair and adds resilience and strength. This gentle shampoo is highly concentrated and leaves a lasting, pleasant plum fragrance.
AWHA	AWHA-0014	Our shampoo contains the richest conditioning ingredients available for producing abundantly beautiful coats. Strengthening Protein builds body and revives damaged hair. Lanolin moisturizes, leaving a natural shine, while Aloe soothes itchy or irritated skin. Contains a fresh herbal fragrance.
AWHA	AWHA-0002	This high-lathering concentrate is a versatile and economical choice as an everyday shampoo. Because it does not contain fragrance, it is ideal for pets with sensitive skin, or may be mixed with a fragrance oil to create a shampoo with your favorite scent. Its easy-to-rinse, pH balanced formula produces an exceptionally clean and manageable coat.

DMQ4	DMQ4-0002	Great for making fur silky-smooth. This conditioning rinse moisturizes short fur, and detangles longer hair. Made with top of the line ingredients naturally derived from vegetable oils, this conditioner has inherent moisturizing properties, to leave your dog luxuriously soft. Competitive pricing for natural formulas. Infused with citronella to repel bugs and fleas...naturally! No harsh detergents or artificial colors.
DMQ4	DMQ4-0001	Made with a mild, puppy-safe coconut base, this gentle cleansing agents remove dirt and grime without stripping fur's natural oils. A terrific choice for price-sensitive owners looking to buy the best natural product for their pets. Competitive pricing for natural formulas. Infused with citronella to repel bugs and fleas...naturally! No harsh detergents or artificial colors.
M58N	M58N-0003	Veterinarian-formulated dog shampoo helps give luster and shines to dull coats * pH-balanced for gentle cleaning * Rinses easily * Pleasing watermelon scent leaves a fresh-smelling coat Our veterinarian-formulated Brightening Shampoo for dogs contains chamomile, calendula, and panthenol for the revitalization of dull coats. Your pet can now sport a haircoat with exceptional shine. Optimal blends of naturally derived cleaners prove successful in clinical use, yet the shampoo is gentle and non-stripping. pH-balanced for gentle cleaning. Rinses easily. Watermelon-scented. For dogs and horses.
M58N	M58N-0004	Veterinarian-formulated dog shampoo conditions as it cleans * Aloe, yucca, and other natural ingredients produce soft haircoats * pH-balanced for gentle cleaning * Rinses easily This veterinarian-formulated shampoo offers a bonanza of natural ingredients to maintain and support a vibrant coat on your dog. Aloe, yucca, cactus flower - along with safflower and wheat germ emollients - are your guarantee of a natural, gentle-acting, advanced formula shampoo for deep cleaning and conditioning. Vitamins A and E further address the health needs of your dog's skin and coat. Delightfully scented with Prickly Pear Cactus fragrance. For dogs and horses.
M58N	M58N-0005	Dog shampoo with vegetable protein extracts helps remove odors from coat * No need to just mask dog smells * pH-balanced shampoo cleans gently, rinses out easily Veterinarian-formulated deodorizing dog shampoo, with vegetable protein extract, helps to REMOVE odors. Many shampoos only cover up the problem. Non-drying, deep-cleaning formula leaves your dog's coat bright and smelling pleasant. pH-balanced shampoo cleans gently, lathers well and rinses out easily. Fresh mint scent. For dogs and horses.

M58N	M58N-0007	Get rid of fleas and ticks with our veterinary-formula dog shampoo * Contains pyrethrin, a safe insecticide derived from flowers * pH-balanced shampoo cleans and conditions coat and rinses out easily Fight the problem of fleas and ticks on your dog with this highly effective shampoo developed by our veterinarians. Pyrethrin, a natural insecticide derived from flowers, kills fleas and ticks and leaves behind no insecticide residue. Rich-lathering shampoo formula cleans and conditions coat. Help to reduce the chance of your pet contracting Lyme disease. For dogs, cats, horses, ferrets, puppies, and kittens (over 12 weeks of age).
M58N	M58N-0006	Veterinarian-developed, high-quality herbal shampoo for dogs * Blend of moisturizing botanicals supports healthy haircoat * pH-balanced shampoo cleans gently * Rinses easily Treat your dog to the fresh scent of lavender and aloe whenever it's time for his bath! This shampoo - with its unique herbal blend of lavender, chamomile, aloe, and oat and wheat protein - gives your dog a salon formula that helps beautify. pH-balanced to clean gently. Rinses easily, leaving him "squeaky clean" and fresh-smelling. Shampoo can be used on dogs and horses.
M58N	M58N-0008	Care for your dog's sensitive skin with our hypo-allergenic shampoo * Hydrolyzed oat protein and Vitamins A and E support healthy skin * Contains no added colors or fragrances Our veterinarian-developed, hypo-allergenic shampoo was specially formulated for your dog with sensitive skin. Hydrolyzed oat protein moisturizers, plus Vitamins A and E support skin health. The lack of added colors and fragrances makes this product a good choice for dogs suffering with allergies. pH-balanced shampoo cleans gently, rinses out easily. For dogs, cats, ferrets, and horses
M58N	M58N-0001	Oatmeal-based shampoo and conditioner for supple skin and lustrous coat * Gentle ingredients clean thoroughly without stripping skin oils * Excellent when frequent bathing or extra conditioning are needed Our new oatmeal-based dog shampoo and conditioner offer exceptional benefits for your dog's skin and coat. These pH-balanced grooming products are the result of an optimal blending of high-quality ingredients. Formulas work gently and synergistically to produce lustrous and tangle-free coats. The easy-rinse Shampoo contains Vitamins A and E for coat health; humectants restore moisture. Deep-penetrating Conditioner - with hydrolyzed oat protein, chamomile, Vitamin E, and borage and evening primrose oils - thoroughly nourishes the skin and coat. Sweet almond scent. For dogs, cats, ferrets, and horses.

M58N	M58N-0002	Natural ingredients in dog shampoo and conditioner enhance the cleaning and moisturizing power * pH-balanced dog shampoo lathers and rinses out well * Emollient-rich conditioner produces a tangle-free coat Our new pH-balanced dog Shampoo - with silk, wheat, and oat proteins - lathers generously, conditions as it cleans, and rinses out easily. All these benefits - with no trace of remaining oily residues! Safflower and sunflower seed oils in Conditioner produce an emollient-rich treatment that results in a luxurious and tangle-free coat. Apple orchard scent. For dogs, cats, ferrets, and horses.
M58N	M58N-0010	Puppy shampoo is formulated by our veterinarians to be extremely gentle on your pet's eyes and skin * Tearless shampoo can also be used on cats and kittens * Fresh baby-powder scent Our new, veterinary-formulated puppy shampoo is tearless and particularly gentle on the skin. In clinical use, it is shown to thoroughly clean the haircoat. Baby powder scent leaves your pet smelling fresh for days after his bath. Shampoo is pH-balanced and rinses out completely. Use on puppies, dogs, cats, kittens, horses, and ferrets.
M58N	M58N-0012	Veterinarian-formulated dog shampoo offers the unique herbal properties of tea tree oil * Botanical blend is especially aromatic * pH-balanced for gentle effective cleaning * Rinses easily Tea tree oil, lemongrass, and eucalyptus combine in this most aromatic shampoo for dogs. Tea tree oil is well known for its healing properties. pH-balanced to ensure gentle cleansing. For dogs and horses only. Do not use on cats.
M58N	M58N-0015	This shampoo cleans, conditions and moisturizes skin and haircoat on dogs, cats, and horses * Provides a rapid and persistent antimicrobial effect against a wide range of microorganisms * For dermatological conditions where an antiseptic, antimicrobial, cleansing and deodorizing formulation may be of benefit shampoo provides deep cleansing of the skin and haircoat on dogs, cats, and horses. Great for use on problematic skin conditions that may benefit from a deep cleansing, antiseptic, and deodorizing shampoo. Non-drying formula is soothing and gentle. Shampoo ensures your pet receives the required pH balance necessary for healthy skin and haircoat. Contains surface-penetrating emollients for optimal therapeutic relief. Effective against gram-positive and gram-negative bacteria, fungi, yeasts, molds, and viruses. Contains 2% chlorhexidine. Produced by DVM Pharmaceuticals. For dogs, cats, and horses only.

M58N	M58N-0009	Comfort your dog's skin with a shampoo and crème rinse specially designed for itching * Veterinarian-formulated products are made with Hydrocortisone * Fragrance- and color-free Advanced formula Shampoo - contains 0.5% Hydrocortisone, Lidocaine and Aloe. Our entire line of 0.5% hydrocortisone products, including Salve, Lotion, Pads, and Spray are recommended by our veterinarians for use with dogs and cats with insect bites, abrasions, and other minor skin irritations. No added colors or fragrances. The ingredients in our new shampoo are especially comforting for itchy skin. Washing or rinsing the legs and paws each time the dog comes inside during the allergy season may also help keep the pet more comfortable. Can be used with our other shampoo. Hydrocortisone and gamma linolenic-rich borage and evening primrose seed oils in Creme Rinse further help to ease the irritation of sensitive and itchy skin. No added colors or fragrances. For dogs, cats, and ferrets.
M58N	M58N-0014	Degrease skin, and kill bacteria on your dog, cat, or horse. * Proven effective against Malassezia pachydermatitis, Canis Staphylococcus intermedius, gram-negative bacteria and ringworm. * Dye and perfume-free to reduce skin irritation, doesn't strip your pet's coat This shampoo is formulated to treat specific skin infections in dogs, cats, and horses. It contains Miconazole – an antifungal with potent activity against fungi and yeast – and Chlorhexidine Gluconate – a proven antimicrobial agent active against gram-positive and gram-negative bacteria. Removes scales, degreases skin and kills bacteria in your pets. Proven to help treat Malassezia pachydermatitis, Canis Staphylococcus intermedius, and gram-negative bacteria. This shampoo is also effective in accelerating the resolution of ringworm. Helps prevent the transfer of ringworm to humans and gives your pet the gift of healthy, attractive skin. For use on cats, dogs, and horses only.
M58N	M58N-0013	This dog shampoo cleans up dirt and dander between washings * Convenient spray can be used daily for a clean fresh coat * Great for a quick shine or for pets who don't like water This shampoo can be used to cleanse your pet's entire coat or as a "spot treatment." Just spray liberally onto damp or dry coat, brush or rub it in, dry with towel and comb or brush for a clean fresh coat. No water or rinsing! Great for ferrets, dogs, cats and puppies
M58N	M58N-0011	Antiseptic approach to dog bathing * Effective in fighting odors in the haircoat * pH-balanced for gentle cleaning * Rinses easily A soothing shampoo, developed by our veterinarians, particularly created for dogs with skin lesions, insect bites, or other discomforts. Gentle, antimicrobial formula contains 3% chlorhexidine. Shampoo is also effective in ridding the coat of odors. A clean, fresh scent and easy rinsing add to the list of benefits. For dogs, cats, ferrets, and horses.

Mild cleansers freshen and deodorize, while succulent leave-in conditioners impart a healthy shine and leave a supple coat.
BVC1	BVC1-0001	We specially formulated this Oatmeal & Aloe itch relief shampoo to address the needs of beloved pets with dry itchy skin. Oatmeal and aloe vera are recommended by veterinarians to effectively combat skin irritation, promote healing, and re-moisturize sensitive dry skin. Purified water, natural cleansers, colloidal oatmeal (3%), aloe vera, almond and vanilla essences. All ingredients are natural, 100% biodegradable, and extra gentle on you and your pet.
BVC1	BVC1-0016	Oatmeal, aloe vera and Vitamin E are natural skin moisturizers and emollients which effectively help to soothe and speed the healing of itchy, dry skin. Add honey and the oils of vanilla and almond and this bar is an equally impressive coat conditioner. Truly heavenly-scented.
BVC1	BVC1-0014	Pet professionals recognize d'Limonene (the natural oil of orange peels) as an effective deodorizer, degreaser and fur stain remover which helps to calm & relieve common skin and itching problems associated with flea bites and other dermatitis. Not recommended for cats, as some are allergic.
BVC1	BVC1-0017	This luxurious shampoo bar contains d'Limonene (the natural oil of orange peels), an effective deodorizer, degreaser and fur stain remover which helps to calm & relieve common skin and itching problems associated with flea bites and other dermatitis. We added tea tree oil, aloe vera and Vitamin E help soothe and relieve hot spots, skin irritation and discomfort. Not for use on cats.

BVC1	BVC1-0007	Tearless & extra gentle, this exceptional shampoo is pH-balanced to give puppies the tender loving care their sensitive skin and coat deserve. Blended with a dash of baby-fresh cherry essence, this luxurious shampoo will leave your precious puppy looking and smelling better than ever before.
BVC1	BVC1-0004	Tea Tree Oil has long been recognized as an effective and beneficial ointment for hot spots, skin irritations, insect bites and itching. We added aloe vera, a soothing emollient, to help moisturize your best friend's skin. Purified water, natural cleansers, aloe vera, melaleuca oil (tea tree), xanthan gum.
RRO1	RRO1-0002	These shampoos will have a positive, relaxing effect on your dog – stressed by living in the human environment, traveling, participating in shows, exposure to loud sounds like thunder and car traffic, etc. Certain music, colors and aromas have a soothing effect on certain parts of the brain. Aromatherapy affects the limbic system, which controls moods, desires, motivation, and creativity. The limbic system is directly connected to the pituitary gland and hypothalamus area that controls the release of hormones that can affect appetite, nervous system, body temperature, stress levels, and concentration. These shampoos are made with essential oils, which are oils distilled from botanical material. These shampoos should NOT be used on cats because a cat's system can not effectively excrete essential oils. Clary Sage aroma has been traditionally used to calm nerves and reduce anxiety. Lavender aroma has been traditionally used to aid in relaxation and reduce hyperactivity.
RRO1	RRO1-0003	Artificial, chemical-filled flea & tick treatments work by interfering with the nervous system of insects. Basically, these products stop the normal action of neuro-transmitters, causing the insects to lose control of bodily functions, go into convulsions, dehydrate and ultimately die. This shampoo also interrupts a specific set of neurotransmitters, resulting in a complete breakdown of the insect's central nervous system, but it does this with food-grade ingredients, making it extremely environmentally friendly. Our shampoo utilizes natural, safe, effective ingredients such as Castor Oil, Eugenol (Clove Oil) and Thyme Oil that have been used for decades as a defense against unfriendly pests. They are listed on the US EPA Biopesticide Active Ingredient Fact Sheet and the FDA GRAS (Generally Recognized as Safe) list. This shampoo is pH balanced and formulated with gentle ingredients designed to maintain a healthy skin and coat. The insect retatment is derived from food-grade botanical extracts (Castor Oil, Thyme Oil and Clove Oil) making it environmentally friendly and safe. These active ingredients biodegrade quickly and come from a renewable energy resource - plants.

RRO1	RRO1-0004	Our conditioner is a perfect compliment to our shampoo. It helps soften and detangle your pet's fur, maintains healthy skin and provides a brilliantly shiny coat. It will not result in skin irritation or dryness. Safe for all ages and breeds. Cedarwood has been used for centuries as an antibacterial and antifungal agent, with some insect repelling properties. Keeps fur tangle-free makes combing and brushing easier Maintains healthy skin and coat
RRO1	RRO1-0001	Pet shampoos must provide effective, gentle cleaning to avoid potential side effects such as dry skin, irritation/itching, dandruff, etc. Skin and coat problems are one of the most common reasons for visits to the veterinarian. Essential oils such as Cedarwood (Cedrus Deodara), Sweet Flag (Acorus Calamus) and Eucalyptus (Eucalyptus Globulus) have been used in folk therapies for centuries. Cedarwood and Eucalyptus give the shampoo its pleasant, natural aroma. Cedarwood has been used for centuries as an antibacterial and antifungal agent, with some insect repelling properties, and Eucalyptus Globulus has been used as an antioxidant and antibacterial agent. The essential oil used in our shampoo is derived from the leaves of this plant. This shampoo is pH-balanced and formulated with safe and natural ingredients that maintain a healthy skin and coat and prevent skin irritation and dryness. Provides rich lather, with no chemicals or synthetic ingredients Safe for all dog breeds and can be used on all ages, from puppies to mature dogs. Provides deep fur conditioning and long-lasting luster.
PQ52	PQ52-0008	Dilute one part to 30 parts water (one oz. per quart, or one pint for 5 gallons). non-toxic and safe, and helps to repel fleas and ticks. Removes pet odors.
GCO9	GCO9-0001	This hypoallergenic, non-toxic, non-irritating, and safe for animals. Promotes the healing of rough, flaky, oily, or irritated skin. Comes in concentrate form.
TNCZ	TNCZ-0009	Safely remove paints, glues, adhesives and other show day grooming preparations with our revolutionary adhesive remover. The selected plant-based ester formulation is hair, skin and user friendly - perfect for the rigors of next day and repetitive show schedules. This adhesive remover makes it quick and easy for clean-up. It rinses clean with water and won't dry out skin.
TNCZ	TNCZ-0006	Keep your pets safe, happy, clean and comfortable with this shampoo. The all-natural shampoo won't irritate your pets' sensitive skin, or leave it itchy and flaky. It will quickly wash away odors and grime and leave skin well conditioned with natural jojoba oil.

TNCZ	TNCZ-0005	It's your time to shine with this leave-in conditioner, especially formulated for your horses and livestock. Spray on this plant based conditioner to add amazing luster and manageability to your animal's coat. This product helps hair follicles resist dust and dirt and leaves hair coats glowing for days. Judges are sure to take note when you and your animal step into the show ring! After your animal is clean and you have sweat scraped the excess water just shake the bottle a couple of time and evenly mist your animal. Then it is best to take a brush and lightly brush them down. Your animal will dry with a gleaming shine. You can also use it manes and tails as well. When your showing, if you want to get a quick shine an hour or so before your class you can also apply this product to your entire animal and just brush in. For horses, you can also spray the mane, then fan the tail and apply, comb and let dry. Your animal will sparkle! Gives animals a lustrous show ring shine! Helps hair follicles resist dust and dirt! Non-toxic, readily biodegradable and earth friendly!
TNCZ	TNCZ-0004	Bathe your horses, cattle, dogs, cats, sheep, pigs, llamas, goats and other animals naturally and quickly. You'll see amazing results when you spray on this concentrated natural shampoo. In minutes, dirt loosens and is ready to be rinsed away-without scrubbing! Without the influence of salt or abrasives, your animals' skin will be smooth and flake-free. Plus, well-cleaned skin won't attract mites or foster fungus. Just a few ounces bathes an entire large animal! With this product, you get value for your grooming dollar, not expensive fillers and fragrances.
S8QT	S8QT-0002	This conditioner deeply penetrates each hair strand to hydrate, nourish and repair. Grapefruit oil promotes new, healthy hair growth. Shea butter, soy protein & jojoba oil lock in moisture and strengthen the hair shaft. Our conditioner is water-soluble so it rinses out easily and used daily, will help restore the natural bounce and vitality without weighing down the hair.
S8QT	S8QT-0001	Our shampoo is loaded with essential oils & extracts that actively improve problems such as dry lifeless haircoats; to dandruff and even thinning hair. Tea tree oil & sage extracts rid the scalp and skin of microorganisms. Horsetail & lavender soothe and calm. Neutral henna & panthenol nourish and moisturize. The results: pH balanced, beautiful, healthy and shiny hair.

RDO8	RDO8-0040	Mild shampoo that neutralizes protein allergens and all organic soils on contact.
RDO8	RDO8-0098	Mild shampoo that neutralizes protein allergens on contact and helps to eliminate mites, ticks, fleas and flea eggs and soils without fragrance, sulfonics, caustics, builders or reagents.
KFH9	KFH9-0007	These soaps date back hundreds of years to a Spanish region called Castilla. Most soaps are made with animal fats but castile is made with olive oil which is a natural humectant. Humectants retain natural internal moisture by drawing it from the air. This soap is so gentle it is ideal for horticultural applications and everyday needs. Other advantages is that it helps soften hard water and it dissolves dirt rather than cutting it. The peppermint and rosemary give it a refreshing scent.

EAEL	EAEL-0004	This unique and fragrant formulation combines the fresh, clean scents of our product with a gentle cleanser to calm and nurture your pet's skin. Mild enough for regular use. Scottish Snowdrop In the poetry of classical Rome, the snowdrop was a star brought down from the heavens. This celestial flower contains a natural active ingredient that calms the nerves. This product From the hillsides of Scotland. A flowering plan of the daisy family, this product is a rich demulcent, and softens and moistens the skin.
EAEL	EAEL-0003	This unique and fragrant formulation combines the warm aromatic fragrance of rare Asian Lavender and the sweet bloom of Hamamelis with a gentle cleanser to calm and nurture your pet's skin. Mild enough for regular use. Asian Wild Lavender Revered for ages for its effectiveness in soothing burns, wounds and stings. An aromatic and therapeutic botanical. Hamamelis Produced from the North American woody perennial witch hazel. Hamamelis is a proven antioxidant for the relief of excessive scaling, allergic dermatitis and insect bites
EAEL	EAEL-0002	This unique and fragrant formulation combines the pungent fragrance of Rose Hips and the clean ocean essence of Osetra Caviar with a gentle cleanser to stimulate and nurture your pet's skin. Mild enough for regular use. Rose Hips From the pomaceous fruit of the rose plant. One of the richest botanical sources of vitamin C and antioxidant flavonoids, rose hips provide antibacterial and essential nutrients for healthy skin and hair coat. Osetra Caviar Found in the Caspian Sea. Rich in omega-3 essential fatty acids that provide soothing, anti-inflammatory effects. Caviar oils can also enhance the binding of skin cells, a requirement for normal skin protection.
EAEL	EAEL-0001	This unique and fragrant formulation combines the bright fragrance of Eucalyptus and the woody redolence of Quillaja Saponaria with a gentle cleanser to stimulate and nurture your pet's skin. Mild enough for regular use. Eucalyptus From the leaves of the Australian evergreen. This vibrant essential oil contains powerful, natural antimicrobial agents. Quillaja Saponaria From the soapbark tree in central Chile. Quillaja has a long history of medicinal use with the Andeans, especially to stimulate a normal, healthy immune response.

SK08	SK08-0003	<p>This soap bar lasts twice as long as the typical store bought dog shampoo bar. Non-irritating to skin. A great shampoo bar to use instead of messy bottles. SK08	SK08-0004	<p>This soap bar lasts twice as long as the typical store bought dog shampoo bar. Non-irritating to skin. A great shampoo bar to use instead of messy bottles. Make it easy and put your pet through as little "trama as possible" and your pet might actually enjoy the HERBAL ROSEMARY scent. You won't have to subject your pet to harsh chemicals when cleansing and will leave your pet feeling shiny clean. A great moisturizing bar in even the dryest of weather. Ingredients: Organic saponified vegetable oils of (Palm, coconut, olive, palm kernel), organic rosemary essential oil, organic crushed rosemary leaves, organic aloe vera, & organic rosemary extract. ~100% Organic Ingredients ~Biodegradable and Eco Friendly ~Handmade soap is the mildest soap that can be made ~No Detergents ~No Synthetic Dyes, Colorants, or Chemical Preservatives ~No Synthetic Perfumes or Scents ~No Animal Testing or Products ~No Artificial Ingredients</p>
SK08	SK08-0005	<p>This soap bar lasts twice as long as the typical store bought dog shampoo bar. Non-irritating to skin. A great shampoo bar to use instead of messy bottles. Make it easy and put your pet through as little "trama as possible" and your pet might actually enjoy the fresh and clean shea butter scent. You won't have to subject your pet to harsh chemicals when cleansing and will leave your pet feeling shiny clean. A great moisturizing bar in even the dryest of weather. Ingredients: Organic saponified vegetable oils of (Palm, coconut, olive, palm kernel), crushed raw shea butter, organic calendula, & organic rosemary extract. ~100% Organic Ingredients ~Biodegradable and Eco Friendly ~Handmade soap is the mildest soap that can be made ~No Detergents ~No Synthetic Dyes, Colorants, or Chemical Preservatives ~No Synthetic Perfumes or Scents ~No Animal Testing or Products ~No Artificial Ingredients</p>

SK08	SK08-0001	<p>Handmade 100% Organic ORANGE Natural DOG/PET/ANIMAL Shampoo (8.5 oz) Ingredients: Saponified organic oils of coconut, olive, and jojoba, organic orange essential oil, organic aloe vera, vegetable gum, glycerin, and organic rosemary extract An extra thick shampoo gel with an easy open snap top. A refreshing scent that smells a lot like fresh squeezed oranges. A scent that both your pet (and you) will enjoy! Mild and refreshing. Made with plenty of Aloe vera to nourish and soften skin and fur. This eco-friendly natural liquid soap product is extraordinarily mild, hypoallergenic, and free of petroleum or animal by-products. The American Pet Products Manufacturer Association (APPMA) estimates that there are approximately 65 million dogs and 77.7 million cats in the U.S. Synthetic detergents do not have the proper pH balance for our four-legged friends. Instead, conscious pet owners should use natural liquid soap products designed specifically for pets. Dogs should be bathed every month to remove accumulated toxins that can make them more susceptible to disease. However, excessive bathing, especially with improper cleaning products, may remove natural oils and dry out a pet's skin and coat. Many animals develop sensitivities to the detergent chemicals commonly used in pet shampoos today. Because no chemical detergents, synthetic fragrances, colors, or antimicrobial preservatives are used, the possibility of sensitivity reactions is greatly reduced. The natural essential oil blend also helps to repel fleas and ticks without poisoning your pet. ~100% Organic Ingredients ~100% Biodegradable and Eco friendly ~Handmade soap is the mildest soap that can be made ~No Detergents ~No Synthetic Dyes, Colorants, or Chemical Preservatives ~No Synthetic Perfumes or Scents ~No Animal Testing or Products ~No Artificial Ingredients</p>

Y2VW	Y2VW-0001	<p>When you're entirely covered with hair, a bad hair day is no laughing matter. But with all that hair it's hard to get to the root of the problem; the roots. Infuzion has the solution: Our all-natural shampoo contains exclusive micro-beads packed with conditioning vitamins. They penetrate the coat, burst against the skin, delivering their nutrients right where they're needed; at the follicle. The result is a healthier, shinier more lustrous coat. Infuzion contains anti-microbial tea tree oil to clean and combat infections, 14 amino acids to repair a dull coat, and a wonderful scent of "clean laundry" to ensure that your best friend smells wonderful long after bathing. Details: Time-saving 2 in 1 shampoo and conditioner Micro-beads deliver vitamins and conditioners to the skin Soothes itchy skin Relieves insect bites Repairs, strengthens Longer lasting scent and rids doggy odor Most gentle formula Low lathering Anti-microbial Helps Relieve the Following: Symptom - Dirty Dog Symptom - Stinky Dog Symptom - Inflammation Symptom - Irritated Skin Symptom - Dandruff, Flaky Skin Symptom - Dull, Brittle Coat Symptom - Insect Bites Symptom - Wounds, Cuts Symptom - Sensitive Skin Symptom - Damaged Coat Symptom - Dry, Itchy</p>
Y2VW	Y2VW-0002	<p>So many places a dog can't scratch. Dry, itchy skin; it's one of the worst things about being a dog (that and the lack of opposable thumbs). Now, you can give your best friend relief from that discomfort. This all natural product was formulated with fabulous ingredients like oatmeal and botanical extracts of peppermint, burdock, comfrey, Indian frankincense and calendula to make your pampered pooch's life more comfortable. Not only do they smell marvelous but they also soothe irritation caused by scratching. For easy rinsing, the shampoo does not overly lather, is gentle and will leave your dog smelling fresh, sweet and fur-bulous Helps Relieve the Following: Symptom – Hot Spots Symptom – Insect Bites Symptom - Fleas Symptom – Itchy Symptom – Irritated Skin Symptom – Inflammation Symptom – Swelling Symptom - Eczema Symptom - Dandruff, Flaky Skin Symptom - Psoriasis Symptom - Sunburn Symptom - Abrasions Symptom - Wounds Symptom - Sensitive Skin Symptom - Damaged Coat Symptom - Matted Coat</p>

Y2VW	Y2VW-0004	<p>Today's dog about town has no time to stop and bathe, that's why there's these two products, your powerhouse pooch has gone from eau d'road kill to fresh and fruity kiwi melon. This powerful all natural formula cleanses without water, rinsing or mess and unlike many other bath replacement sprays, doesn't just mask bad smells with heavy perfume it eradicates completely, An all natural ingredient called Ordenone traps and eliminates the odor causing proteins leaving your high speed hound refreshed renewed and ready for his next appointment. All this in one bottle? Amazing! Reduce odors Dry Dog contains ingredients that actually get rid of unpleasant odors. This product doesn't just mask the smell, it eradicates it completely. Clean muddy paws. Spray this product onto dirty paws and wipe off the dirt and mud with a dry cloth. Keep carpets clean. Our dogs love stepping out, but when they step back in they often bring the outside in with them. We use this to prevent dirt and mud being tracked into our white carpets. (why we would own white carpets with a dog is another matter) Last's from 4 to 6 hours depending on the activity level of your dog. Also excellent for removing smells from pet beds and frequently used furniture Contains no SLS or Parabens...and of course, is cruelty free.</p>
Y2VW	Y2VW-0003	<p>We all know that with age it's easy to lose both your sparkle and your shine. Dogs are no different. But now, your best friend can regain those puppyish good looks while losing those "tell tail" signs of age, like a fading or yellowing coat. All natural Sparkle & Shine Shampoo is perfect for any dog whose coat needs brightening and is especially good for dogs with light-colored coats. Pearlescent brighteners add luster to the coat, while yogurt and honey condition and soothe the skin while acting as natural whiteners. A hint of all-natural mica provides the finishing touch, enhancing highlights for a brilliant belle-of-the-ball shine. For easy rinsing, the shampoo does not overly lather, is gentle and will leave your dog smelling fresh and sweet. So don't wait, today's the day to restore your dogs self esteem and bring back the bling to his or her coat. Lights, camera, action it times for that close-up. Helps Relieve the Following: Symptom – Dull Coat Symptom – Stinky Dog Symptom - Fleas Symptom - Insect Bites Symptom - Itchy Symptom - Sunburn Symptom - Abrasions Symptom - Irritated Skin Symptom - Wounds Symptom - Matted Coat Symptom - Inflammation</p>
G27Y	G27Y-0006	<p>Dry, itchy skin is no fun for your dog. Now you can give your best friend relief from discomfort. This product was formulated with oatmeal, botanical extracts of peppermint, burdock, comfrey, and frankincense to relieve swelling and inflammations, hot spots, chaffed skin, and insect bites. Will leave your Haute Hound smelling fresh and sweet.</p>

LUSE	LUSE-0001	This shampoo and conditioner provide deep cleaning, with a fresh citrus aroma, to give your pet the ultimate shiny coat. These products have an old-fashioned orange creamsicle scent that has a soothing, aromatherapy effect. These products are blended with all natural ingredients to provide an alternative to the chemical laden products currently in the market. Ingredients: Purified deionized soft water, green tea extract, cleavers, sodium myreth sulfate, garlic, poke root, echinacea, oatstraw, wild indigo, yellow dock, marigold, comfrey, avocadamide MEA, elder flower, St John's wort, witch hazel, aloe vera, fresh extract of orange, tangerine, and mango. No lauryl or laureth sulfates.
LUSE	LUSE-0002	These products clean gently and thoroughly, leaving your pet's coat brilliantly shiny, soft, supple and plush. Each shampoo is heavenly scented to delight your senses and sensibility... naturally! Comes in Mango Tango, Oatmeal & Aloe, Eucalyptus & Peppermint, Tea Trea Oil & Aloe Vera shampoos/conditioners.

LUSE	LUSE-0005	We'd be proud enough of our shampoo and conditioner just for their natural ingredients and consistent effectiveness in keeping insect pests away from our companions. But this dynamic duo of bath care products also cleans and nourishes pets' skin and coat, leaving fur as soft and silky as the best top shelf groomers' products do. Nature's bountiful array of insect repelling and skin nourishing herbal extracts are brought together in our special line for impressive results across the board. Our customers agree that these herbal bath products are gentle, and effective for keeping nasty insects off their pets and leaving their pets with fresh smelling, clean, soft fur and healthy skin (please see their comments below this product description). Only our shampoo and conditioner use neem oil, lemongrass, lavender, citronella, and other natural herbal extracts to help keep annoying insect pests at bay. And the skin-supportive aloe, jojoba oil, calendula and chamomile, soothe and protect your pet's skin – a great benefit for pets suffering from flea or mosquito bites, seasonal allergies, dryness, or other skin irritations. Our shampoo's rich lather cleans deeply without drying and leaves a fresh, clean scent that insects will avoid. Special ingredients like sunflower seed oil and muru muru butter in our conditioner add extra nourishment and protection to your pet's skin and coat.
LUSE	LUSE-0003	This product uses Nilotica Shea Butter exclusively. It is certified organic and is a fair trade product. It is wild-gathered and cold-pressed by cooperatives run by Ugandan and Sudanese women. Access to new markets has dramatically increased household incomes and reinforced the conservation of the shea tree in these areas. Comes in Oatmeal, Avocado, and Green Tea/Sea Kelp blends.

It's also pH balanced to enhance the strength, luster and manageability of your pet's coat. Available in multiple fragrances.

YVG7	YVG7-0004	This foaming cleanser is the unique waterless bath ideal for renewing freshness or for spot cleaning. The DEA-free formula effectively cleans, without exposing your pet to potentially harmful additives. This foaming cleanser is enriched with conditioning proteins and natural herbal extracts like comfrey and aloe vera. It's also pH balanced to enhance the strength, luster and manageability of your pet's coat. Available in multiple fragrances.
YVG7	YVG7-0005	This foaming cleanser is the unique waterless bath ideal for renewing freshness or for spot cleaning. The DEA-free formula effectively cleans, without exposing your pet to potentially harmful additives. This foaming cleanser is enriched with conditioning proteins and natural herbal extracts like comfrey and aloe vera. It's also pH balanced to enhance the strength, luster and manageability of your pet's coat. Available in multiple fragrances.
YVG7	YVG7-0014	This concentrated shampoo is formulated to gently cleanse the hair with coconut oil derived cleansers, and to protect the hair with a sunscreen that doesn't rinse out. Pure herbal extracts are combined with panthenol to help reinforce the hairs natural strength and shine.
YVG7	YVG7-0015	This waterless bath is enriched with conditioning proteins and natural herbal extracts including comfrey, aloe vera, chamomile, matricaria and helianthus annus. The aromatic fragrance of orange mango will provide an experience you will enjoy. This unique dry bath formula is ideal for year round bathing or quick clean-ups. Frequent use enhances shine and manageability.
YVG7	YVG7-0007	This company take pet wipes to the next level and wipe out the competition! DEA and Alcohol Free, pH balanced and offering both conditioning proteins and natural herbal extracts, is what makes this a great alternative to a full bath. These wipes are specially formulated to REALLY clean, deodorize and condition your pet's coat. They're also gentle enough for daily use, even on puppies and kittens! They are available in orange mango fragrance or unscented.
YG8H	YG8H-0004	This high concentrate whitening shampoo. It is the absolute best shampoo available for brightening white haired animals, and animals with yellow and green oxidation. Also removes odor and food stains. This performs better than any blue shampoo on the market, by far, and contains no bluing what so ever! If brightening white is what you want, then this is the shampoo to use. It is tearless, pH balanced, natural, biodegradable, smells super fresh, mild on skin.

YG8H	YG8H-0005	This high concentrate, whitening and color enhancing shampoo. It is the absolute best shampoo available for removing stains and highlighting red hair. Redeners have been used for centuries in far east whitening techniques and have proved to out perform bluing. This product utilizes this technology to provide a deep cleaning and conditioning shampoo that removes odors and rinses fast! Try it for red or copper colored coats to enhance and enrich these natural colors. This product is pH balanced, biodegradable, natural, mild on skin and leaves an extra clean scent
YG8H	YG8H-0001	This is an ultra concentrate. It is a rich, white flora funa conditioner, contains natural proteins to leave the coat smooth and shiny without leaving the coat limp. This product is formulated to saturate quickly into the skin to moisturize and protect without leaving the hair oily. It is natural, organic, and biodegradable. Formulated for dogs, cats, horses, puppies, kittens, ferrets, and farm animals.
YG8H	YG8H-0006	An excellent deep cleansing shampoo that removes stains, oxidation and odors. This product rinses cleanly and leaves a fresh clean scent. It is natural pH balanced and biodegradable. Formulated for dogs, cats, puppies, kittens, ferrets, horses, and farm animals.
YG8H	YG8H-0003	Rich with protein and panthenol conditioner for great healthy body and shine. The proteins help to smooth the hair shaft without leaving the coat oily, which means less tangles and easier brush out. This is natural, organic and biodegradable. Formulated for dogs, cats, horses, puppies, kittens, ferrets and farm animals.
YG8H	YG8H-0008	Rich and creamy amber shampoo. This is an absolute must for the summer season! It contains cedar, d'Limonene and eucalyptus for quick results. This product gets rid of bad body odor as well as skunk, without drying the skin or damaging the coat. It also gets rid of tar, sap and food stains. It is formulated for ultimate cleaning and powerful results, pH balanced, biodegradable, natural, and has a fresh clean scent. Formulated for dogs, cats, horses, puppies, kittens, ferrets and farm animals
YG8H	YG8H-0002	It's a super-thick formula that helps rebuild damaged coats and turn dry, scaly skin into soft supple skin without leaving the coat greasy, oily or unmanageable. This is pH balanced, organic and biodegradable. Formulated for dogs, cats, horses, puppies, kittens, ferrets and farm animals.
YG8H	YG8H-0010	Excellent for deep cleansing. Removes odors, dirt, grease, and leaves a fresh mint scent and great shine. This product is tearless, mild, pH balanced, natural, biodegradable and smells super fresh. For dogs, cats, puppies, kittens, horses, ferrets, and farm animals.

YG8H	YG8H-0007	High concentrate, thick deep black shampoo, a must for darkening dark haired animals. While eliminating yellow and gray oxidation, this product is deep cleansing and conditioning, removes odor, dirt and food stains and rinses fast. It is tearless, pH balanced, natural, biodegradable, mild on skin with an extra clean smell. For dogs only!	
YG8H	YG8H-0011	Excellent for deep cleansing. Removes odors, dirt, grease, and leaves a fresh mint scent and great shine. This is tearless, mild, pH balanced, natural, biodegradable and smells super fresh. For dogs, cats, puppies, kittens, horses, ferrets, and farm animals.	
YG8H	YG8H-0012	Highly concentrated, professional shampoo rich in the silkiest colloidal oatmeal available. This has a super thick lather that not only cleans but removes odors and leaves a vibrant cinnamon scent. Great for groomers, show handlers and animal enthusiasts that demand the best. Formulated for dogs, cats, puppies, kittens, ferrets, horses, and farm animals.	
YG8H	YG8H-0009	High concentrate, super thick, clear shampoo that makes over one gallon. This is a special hypo-allergenic formula designed to eliminate allergic reactions in both animals and you! Our premium formula provides thick suds, mild cleansing, and a brilliant, deep shine. This is tearless, pH balanced, natural and biodegradable. It rinses easily and won't dry coat or skin	
YG8H	YG8H-0013	Skin soothing concentrate, thick pearl green shampoo that makes over 1 gallon. Rich in aloe gel, which soothes and helps heal skin irritations while providing a mild, deep cleansing and super clean shine. If you like aloe shampoos, this is for you since each gallon has a heavy concentrate of aloe gel. This product is pH balanced and natural. Formulated for dogs, cats, horses, puppies, kittens, ferrets, and farm animals	
Deodorant	B94P	B94P-0014	Organic roll-on deodorants are aluminium-free and available in three different formulas. The Tahitian Breeze is the number 1 seller in this store and has my vote! Made in Australia 89% of this product is certified organic, and is available in a generous 70ml roll on.
	O26M	O26M-0008	Long-Acting Deodorant Cream - for body and feet.
	ZK91	ZK91-0022	If you prefer the convenience of a spray, this herbal deodorant will keep you naturally fresh all day without irritation. Fights odor with antioxidant vitamin E, plus calamine and calendula blossom oils. INGREDIENTS: Deionized Water, Natural Grain Alcohol, Vegetable Glycerin, Calendula Oil, d-Alpha Tocopherol (Vitamin E), Camomile Oil, Arnica Extract, Rose Water, Calamine Powder, and a complex of Sandalwood Oil, Patchouli Oil, Jasmine Oil, Fir Oil, Vanilla Oil, Cedarwood Oil and Rose Oil.

U6U4	U6U4-0010	Our Deodorant Mist gives you 24 hour protection without the use of unnecessary perfumed fragrances to cover odor or without the potentially harmful ingredients that prevent your body from breathing naturally, as is found in antiperspirants. This natural deodorant spray goes on easy, leaving your underarms silky smooth and fresh, all day long.
Y191	Y191-0053	Ingredients: Arrowroot Powder, Cornstarch, Vitamin E, Lavender Essential Oil . Lightly scented.
WAZP	WAZP-0062	It was a crowded elevator on a hot day. Everyone was sweating. One man said, 'Uh oh, someone's deodorant isn't working.' And another man replied, 'It can't be me. I'm not wearing any.' Someone should have told him about Burt's Bees. Unlike some antiperspirants which contain questionable metallic compounds, our deodorant does not prevent the body from sweating, which is a natural cleansing process necessary to release toxins. Instead, our essential oil blend of sage, lemon and lavender minimizes and neutralizes odors naturally. 99.92% Natural.
UG28	UG28-0002	Effective natural deodorant protection. Our unique blend of mineral salts and aloe vera provides 24-hour natural deodorant protection. Mineral Salts eliminates odor-causing bacteria. Our healing aloe vera soothes and softens the skin.

A33R	A33R-0056	<p>A Body Deodorant with no chemicals our Deodorant contains zero chemicals and may we say does a fine job of controlling body odor. A Formula for Everyone There's a formula for the sweet smelling to the, shall we say, strongest one of the bunch. Read on to find the one that makes you want to jump up and scream "smell my pits, they're fabulous!". Ok, maybe they're not that good, but we'd pay good money to see you do it! The Formulas:</p> <p>* Rosemary & Sage: This formula contains Rosemary and Sage, strong arms of the anti-bacterial essential oils. Their job? Fight odor and fight it hard. We think its perfect for those of you who aren't excessive sweaters - unlike our box packing, keyboard typing, product obsessive crew. We recommend using this spray in conjunction with the natural deodorant stone. Together they'll give new life to your body - well, your pits anyway. Ingredients: Rose water, colloidal silver water, rosemary and sage essential oils.</p> <p>* Manderine Body Deodorant: This formula contains mandarine essential oil - the sweet smelling darling of odor control. Again, not for excesive sweaters. Ingredients: Rose water, colloidal silver water, mandarine essential oil.</p> <p>* Lavender and Tea Tree Body Deodorant: This formula contains Lavender and Tea Tree, both natural bacteria fighters, the major cause of odor. Ingredients: Rose water, colloidal silver water, lavender and tea tree essential oils.</p>
R1WZ	R1WZ-0004	<p>Finally an alternative to sticky liquid or waxy stick deodorant which is aluminum and talc free. We've combined the natural deodorizing properties of baking soda with the superior absorbent properties of cornstarch and arrowroot. The result is a clean soft, delicately-scented natural powder with the odor fighting capabilities of the toughest deodorants on the market. A portion of the proceeds from this product are donated to breast cancer research. 4 oz. Ingredients: Baking soda, cornstarch, arrowroot, essential oils fragrance.</p>

Dethatchers	C61V	C61V-0010	Removes thatch in one season and turns thatch into organic fertilizer.
	RWKN	RWKN-0001	Designed to break down thatch, grass clippings, and mower mulch where they lay in your lawn, this dethatcher provides the soil with a rich nutrient source. Thatch and clippings break down quickly into rich, deep humus, which is nature's best fertilizer. this dethatcher is an environmentally safe, biologically balanced product designed to give you a lush, rich, and green lawn. This super concentrated formulation is micro-encapsulated into millions of tiny spheres that protect the product from hostile environmental factors, keeping the microbes viable for a minimum of two years.
	J922	J922-0004	This dethatcher is a granular blend of product consisting of naturally occurring, scientifically selected (but not genetically manipulated) microbes, enzymes and nutrients designed to accelerate the composting and dethatching process. This will achieve 50% volume reduction of compost within 2-3 weeks of application.
	J19R	J19R-0004	This dethatcher promotes a living soil by creating an environment for microorganisms and earthworms that can digest clippings and organic matter and turn it into natural food for your lawn. Keep thatch out of your lawn the easy way by using this product!

IY19	IY19-0003	This patented, exclusive blend of enhanced beneficial micro organisms, enzymes and nutrients, is capable of degrading all lawn wastes --- including mulched grass clippings, leaf clutter and hard to remove thatch build up. The resulting metabolic byproducts are harmless CO2 and water. These viable, non pathogenic bacteria are similar to the natural complement of soil borne organisms, working synergistically to provide fast and effective results. Non-toxic to live plants, humans, pets and wildlife. Highly concentrated suspension makes 16 gallons, and will treat up to 5000 square feet of grass. This special blend has also been shown to degrade many common pesticides, thus detoxifying your lawn and reducing hazardous water runoff.
I818	I818-0001	This product is a natural, concentrated formula to aid in thatch breakdown and control. It improves biological activity in soil, promotes the soil's ability to break down grass clippings and organic matter and converts organic matter into valuable natural nutrients.
BAM0	BAM0-0001	This is formulated to accelerate the decomposition of thatch in lawns. Designed to break down thatch, grass clippings, and mower mulch where they lay in your lawn. To fuel this process, our product is packed with thatch-eating microorganisms and enzymes. Thatch and clippings break down quickly into rich, deep humus, which is nature's best fertilizer. This is an environmentally safe, biologically balanced product designed to give you a lush, rich, and green lawn.
V2H4	V2H4-0001	Application of this special blend of bacteria to grass and lawns significantly augments the slow, natural bacterial degradation process occurring in soils.
EPFR	EPFR-0001	This is a formulation of bio-catalysts and enzymes which accelerate the decomposition of lawn thatch, garden stubble, black plug layer and dead root tissue.
XRR6	XRR6-0001	This dethatcher is a liquid solution that has been formulated to generate and accelerate the decomposition of thatch in lawns. To fuel this process, our product contains high levels of thatch digesting Bacteria and Enzymes. These, along with naturally occurring soil organisms, will break down thatch and turn it into valuable humus.

M2RO	M2RO-0007	Thatch creates a number of problems in cultivated turf. When turf grass is kept closely mowed and heavily fertilized, thatch rapidly accumulates. The thatch layer, formed by clippings and dead plant material on the soil surface, is an ideal environment for pathogens and pests such as fungi and insects. Additionally, thatch tends to repel water, leading to hydrophobic soil conditions, which in turn adds stress and leads to additional maintenance requirements. This dethatcher contains an advanced formulation of naturally occurring microbes that feed on dead plant tissue. Like any other population, they multiply when there is abundant food (thatch). By adding the concentrated microbes in this dethatcher, you help nature keep up with the accumulation of dead plant material. Repeated application establishes a thriving community of thatch eating microbes that help keep you ahead of thatch related maintenance problems.
WWW3	WWW3-0003	This dethatcher contains an advanced formulation of naturally occurring microbes that feed on dead plant tissue. Like any other population, they multiply when there is abundant food (thatch). By adding the concentrated microbes in this dethatcher, you help nature keep up with the accumulation of dead plant material. Repeated application establishes a thriving community of thatch eating microbes that help keep you ahead of thatch related maintenance problems by degrading cellulose, lignin, ligno-cellulose, and xylose which is all part of dead plant material.
WWW3	WWW3-0004	This lawn aerator, dethatcher and conditioner is a 3-in-1 easy apply spray-on liquid application to aerate, dethatch, and condition your turf and soil. This revolutionary polymer based liquid also has humic acids, kelp, non-pathogenic thatch eating microbes, and mycorrhizae.
CH23	CH23-0016	This liquid provides an effective method of bio-activation which speeds up decomposition of the organic residues (dead stolons, rhizomes and roots) which make up the thatch layer. By restoring the microbial activity that is required to keep the soil in balance, this product helps promote higher quality turf.
RS9R	RS9R-0002	Designed to break down thatch, grass clippings, and mower mulch where they lay in your lawn, this dethatcher provides the soil with a rich nutrient source. Thatch and clippings break down quickly into rich, deep humus, which is nature's best fertilizer. This dethatcher is an environmentally safe, biologically balanced product designed to give you a lush, rich, and green lawn. This super concentrated formulation is micro-encapsulated into millions of tiny spheres that protect the product from hostile environmental factors, keeping the microbes viable for a minimum of two years.

	KHY6	KHY6-0012	A nutritional fertilizer with growth enhancer, chelated iron & a microbial growth medium to reduce thatch.
Fuel Conditioners	DRL2	DRL2-0010	High-performance diesel fuel additive. Formulated using domestically grown soybeans. Aids lubricity, improves engine life, cleans injectors, lowers emissions, boosts performance.
	DRL2	DRL2-0011	HIGH PERFORMANCE DIESEL FUEL ADDITIVE is a diesel fuel additive made from a soybean component formula. Increases the Cetane rating by 4-5 points.
	MX9C	MX9C-0001	This fuel conditioner contains biorenewable products and is a specially patented formula for both diesel and gasoline engines. Also, it increases cetane in diesel engines, lubricates upper cylinders and valves, clean carburetors, and reduces black exhaust emissions. This is non-toxic, EPA-registered and extensively tested in the United States, by the U.S. Military, Mexico's Pemex Oil Company, Mexico's Instituto Mexicano del Seguro Social, Costa Rican busing and trucking companies and has been approved by the Chinese Government.
	O7JE	O7JE-0018	A patented combination of high-quality, non-toxic, scientifically based on a proprietary manufacturing method. Continued use of this product significantly reduces emissions, fuel consumption, and engine maintenance costs. The use of this product provides an immediate, cost-effective strategy for fighting air pollution caused by fossil fuels and the internal combustion engine. This combination of low molecular cleaning esters and the high molecular lubricating esters, aids in improving the combustion characteristics of commercial pump fuels (gasoline, diesel, methanol, ethanol, LNG, compressed natural gas or bio-diesel). When used properly, this product can reduce the emissions of hydrocarbons (HC), nitrogen oxides (NOx), carbon monoxide (CO), particulate matter (PM) and other harmful by-products of combustion, while increasing the emission of O2. Independent laboratory studies confirm that this product is 99.99976% clean upon ignition and ashless upon combustion.

O7JE	O7JE-0017	A patented combination of high-quality, non-toxic, scientifically based on a proprietary manufacturing method. Continued use of this product significantly reduces emissions, fuel consumption, and engine maintenance costs. The use of this product provides an immediate, cost-effective strategy for fighting air pollution caused by fossil fuels and the internal combustion engine. This combination of low molecular cleaning esters and the high molecular lubricating esters, aids in improving the combustion characteristics of commercial pump fuels (gasoline, diesel, methanol, ethanol, LNG, compressed natural gas or bio-diesel). When used properly, this product can reduce the emissions of hydrocarbons (HC), nitrogen oxides (NOx), carbon monoxide (CO), particulate matter (PM) and other harmful by-products of combustion, while increasing the emission of O2. Independent laboratory studies confirm that this product is 99.99976% clean upon ignition and ashless upon combustion.
BP37	BP37-0008	Specially formulated for use as a multifunctional fuel additive to biodiesel and other biofuels. It serves as a corrosion inhibitor, fuel stabilizer, and water emulsifier for biodiesel, diesel, and gasoline.
BP37	BP37-0312	Corrosion preventive additive for gasoline, diesel, gasohol mixtures and alcohol fuels that also works as a fuel stabilizer and water emulsifier. Soluble in methanol blends as well as neat methanol fuel or neat gasoline.
U4RM	U4RM-0001	A non-toxic, non-hazardous product that works with any fuel used in trucks, busses, automobiles, ships, railroads and gen sets. It utilizes cleaning and lubricating esters suspended in a mineral oil base.
HAKV	HAKV-0003	A blend of readily biodegradable sythetic oils and LXE esters for applications in gas and diesel engines.
HAKV	HAKV-0011	Reduces wear in fuel-injection systems using low-sulfur diesel fuels without increasing emissions, degrading fuel properties or sludging engine oils. Reduce friction in small diesel engines for easier starts and idling.

GG22	GG22-0001	Using our DFC increasing the lubricity, enhances Cetane, and cleans injectors, while remaining environmentally friendly. Our DFC has been proven to decrease engine wear up to 50%. The cost of running an engine, regardless of the engine size, works out to approximately 10¢/L. An engine wear reduction of 50% will translate into a 5¢/L decrease in maintenance costs. This means for every 1000L you burn your savings will be \$50.00. Another common effect of burning our product is the increase in fuel economy. In some cases fuel economy has increased up to 20%, with an average increase of 6-8%. To translate this in to dollars and cents; on \$1.00/L diesel fuel you will save 6-8¢ on every litre of fuel you burn. This increase alone makes the use of our product economically viable, not to mention the reduction in maintenance of the diesel engine, or the extension in engine life.
J3TP	J3TP-0015	A natural soy based lubricity additive for diesel fuel. Enhances performance and life expectancy of all diesel engines. Meets or exceeds engine manufactures' requirements for lubricity. Can improve cetane rating.
RGWJ	RGWJ-0075	A soy-based cetane improver that is completely soluble in fuels and increases diesel fuel ignitability, which is beneficial in many critical conditions. It is compatible with most commonly used diesel fuel additives and will not detract from fuel stability, lubricity, water tolerance, or corrosion protection.
RGWJ	RGWJ-0076	A multi-functional synthetic biobased gas additive that is formulated to provide excellent intake valve cleanliness and ensure clean efficient combustion in fuel injected and caburetor equipped engines.
RGWJ	RGWJ-0073	A soy-based diesel fuel conditioner formulated to improve fuel economy and power, and overcome the known problems associated with today's fuel.
RGWJ	RGWJ-0074	A soy-based diesel fuel conditioner formulated to improve fuel economy and power, and overcome the known problems associated with today's fuel.
RGWJ	RGWJ-0067	Chemistry is approved for use by the EPA for off-road equipment and marine engine manufacturers. Using this highly concentrated conditioner is an absolute necessity for reducing valve seat, ring, and upper cylinder wear in engines that operate at high RPM or under heavy loads. This technology has been extensively tested; it helps prevent expensive repairs, increases fuel efficiency, is very cost-effective, and it protects against corrosion on valves and fuel systems during use and in storage.

B62S	B62S-0003	A concentrated multifunctional ashless gasoline additive that specially formulated for use in all types of gasoline used in new and old two-stroke and four-stroke gasoline powered vehicles. This product contains a unique blend of methyl soyate bio-fuel derived from soybean oil and a ashless multifunctional additive package that incorporates the dual functionality of frictional modification and detergency. When used at the recommended treatment ratios this unique combination allows the product to provide the following premium performance benefits.
B62S	B62S-0004	Derived from soybeans, this product is a detergent lubricity additive for diesel fuel. It is backed by the National Biodiesel Board (NBB) and the Minnesota Soybean Research and Promotion Council. This product includes a de-icer that lowers the cold filter plugging point by as much as -22° F so it can be used during any season.
B62S	B62S-0006	A concentrated multi-functional premium diesel fuel additive that is specially formulated for use in all types of diesel fuel, especially low sulfur and ultra low sulfur diesel fuels. Once added to the diesel fuel at the recommended treatment ration this product will upgrade the #2 diesel to premium B2 biodiesel fuel.
B62S	B62S-0001	Available preblended from selected local fuel jobbers. It improves lubricity, boosts fuel efficiency and extends engine life.
B62S	B62S-0005	Premium diesel additive that upgrades #2 diesel to premium.
J7A3	J7A3-0037	An ashless, biobased diesel fuel additive that has been extensively tested both in the field and the lab. Biobased and renewable, helping the effort to reduce the dependence on fuels from crude oils and supporting the US agricultural market. Is biodegradable and in the event of a leak or spill into the environment it will rapidly breakdown. Increases fuel lubricity, protecting and extending the life of diesel fuel system components including the fuel pump and injectors. Also increases energy efficiency, reducing fuel consumption. Helps to control diesel engine emissions. It also increases diesel fuel cetane number, enhancing fuel burnability and lowering emissions.
IY22	IY22-0003	Was engineered to boost your engine's horsepower 5.6% and fuel economy by 13% while significantly reducing emissions. Allows Producers and Suppliers of Biodiesel to offer a stable, clean, NOx reduced, premium fuel to Dealers and Distributors seeking ASTM quality Biodiesel. This enables Biodiesel Distributors and Dealers to offer their retail customers the highest quality Biodiesel, Low Sulfur Diesel, and/or Diesel #2 on the market. Contains Anti-Wear, Anti-Oxidants, Corrosion Inhibitors, Detergents, and Dispersants.

Leather, Vinyl, and Rubber Care Products	K944	K944-0001	The Leather & Vinyl Cleaner/Restorer penetrates the surface of all vinyl, rubber, plastic and leather surfaces to dislodge, loosen and lift dirt from the pores. Simultaneously, conditioning nutrients and oils are deposited and left behind to keep the surfaces supple and hydrated. 3M Leather & Vinyl Cleaner/Restorer is formulated with natural Carnuba wax which leaves behind a protective layer—safeguarding all surfaces against UV damage, dirt and grime, and spills which could stain.
	U4WQ	U4WQ-0010	One gallon of concentrate will make from 128 to 256 gallons of useable product depending on surface to be cleaned. A highly concentrated powerful, economical, and versatile general purpose vinyl cleaner to remove dirt, grease, oil, tar, and many other organic and synthetic materials from hard or soft surfaces. Formulated from 100% BIOBASED INGREDIENTS.
	U119	U119-0003	In today's world when so many everyday products are harmful to the environment, animals and human health, it is refreshing to find one that is safe. Hoof & Leather Conditioner is blended from farm products grown in the U.S.A. and is sold in farm and ranch stores. Our Hoof & Leather Conditioner is non-toxic, contains no volatile or noxious fums and harmless to human and animal tissue.
	U2G2	U2G2-0001	Leather is a beautiful and durable upholstery material. To keep it looking its best requires regular care and attention to avoid stiffening and cracking. Autoglym Leather Care Cream is carefully blended emulsion containing soaps and natural oils to protect and moisturize. Use to replenish the loss of essential oils and preservatives caused by evaporation.
	G2U2	G2U2-0001	The natural waxes we use are good for the leather and give a real depth of beauty to all top grain leather. Leather Finish accentuate the richness of your leather with a natural gloss that is "show ring" perfect. Our Leather Care manufactures environmentally safe leather cleaners, leather conditioners, leather waterproofing, and carving and forming solutions for every leather care demand.
	G2U2	G2U2-0002	RAIN & SNOW is the right choice for superior protection against the harsh inclement conditions nature can give. RAIN & SNOW contains natural oils and waxes. This special formulation gives leather the conditioning and waterproofing agents needed to protect and preserve every fiver. Footwear that uses micro fiber membrane technology is safe with RAIN & SNOW. Our Leather Care manufactures environmentally safe leather cleaners, leather conditioners, leather waterproofing, and carving and forming solutions for every leather care demand.

G2U2	G2U2-0003	This waterproofing was developed for the wettest of conditions - whether rain or snow. A heavy viscous oil with pine tar and tallows - for easy to apply, long lasting protection. Recommended for: loggers, firefighters, construction, and hunting boots.
G2U2	G2U2-0007	A liquid waterproofing that is known for its wonderful effect on leather. It penetrates, conditions, and preserves leather - while giving a deep, lasting water proofing. Great for: All top grain leather. Our Leather Care manufactures environmentally safe leather cleaners, leather conditioners, leather waterproofing, and carving and forming solutions for every leather care demand.
G2U2	G2U2-0012	An excellent waterproofing and snow proofing. Gentle enough for fine leather - yet effective protection against the toughest conditions. Recommended for: Work boots, hunting boots and all top grain leather. Our Leather Care manufactures environmentally safe leather cleaners, leather conditioners, leather waterproofing, and carving and forming solutions for every leather care demand.
G2U2	G2U2-0014	For best results on fine leather, clean leather with Our LEATHERCARE SADDLE SOAP and let dry. With a clean cloth or dauber, apply a liberal coating of NEATSFOOT OIL COMPOUND to the leather, making sure to coat all seams. Wait about 30 minutes and apply a second coat Our Leather Care manufactures environmentally safe leather cleaners, leather conditioners, leather waterproofing, and carving and forming solutions for every leather care demand.
BP37	BP37-0012	Cleans and revitalizes hardened and glazed rubber drives and belts on VCRs, coin machines, record changers. Rubber restorer and protectant. This is a soy-based product.
M555	M555-0001	Beeswax Conditioner combines unique moisturizing and waterproofing properties to optimally preserve and protect leather.
A3BY	A3BY-0004	This leather conditioning paste was compounded especially as a preservative for boots, shoes and other leather goods subjected to rugged outdoor use. Contains Silicone which protects the leather, Lanolin which softens the leather and Vitamin E which replenishes oils that dry out after repeated wetting and drying.
A3BY	A3BY-0005	Natural animal byproduct in a paste form. Softens, preserves and waterproofs shoes, boots and all smooth leather articles.
A3BY	A3BY-0006	A blend of Mink Oil and 100% Pure Neatsfoot Oil that softens, preserves and waterproofs smooth leather.

HHHU	HHHU-0001	Made with carnauba wax and lanoline oil, this product will dry to a non-greasy, non-sticky and non-slippery finish in only a matter of seconds! Cleans, moisturizes, protects and shines in 30 seconds without buffing! 100% natural and biodegradable. The essential one-step product for complete leather care. This product brings back and revives the original color. This product is remarkable in restoring damaged or dried-up leathers to mint condition. Also an efficient protection against water, salt, calcium and mold problems.
HHHU	HHHU-0002	Lanoline-oil paste designed to take care of oily leathers - boat shoes, mountain or timber boots. Far and away the best leather moisturizer because it quickly soaks and waterproofs leather without leaving it greasy or sticky. Profitably replaces beaver, seal or mink oil, while it remarkably softens leather.
HU83	HU83-0001	Our Leather Conditioner restores and maintains leather's natural moisture balance to keep it soft and supple. Leather Conditioner uses nature's finest ingredients — mink oil, lanolin and neatsfoot oil — to prevent drying and cracking while nourishing, preserving and protecting fine leather.
HU83	HU83-0002	Our 1-Step Leather Cleaner and Conditioner quickly and safely cleans and conditions automotive leather. It contains a unique balance of gentle cleansing agents and nature's finest conditioners (mink oil and lanolin) to remove dirt, grease and oil, while restoring and maintaining the natural suppleness of leather.
HU83	HU83-0003	Apart from banning passengers, there's another way to keep your leather looking like new — Our Leather Cleaner. Whereas household cleaners are too aggressive, our Leather Cleaner is pH-balanced to remove stains without damaging the leather. It's fortified with lanolin to enhance leather's natural luster and prevent excessive drying. With regular use, it extends the life of leather.
IN75	IN75-0002	Non-solvent, non-corrosive and non-flammable cleaner and degreaser. Easily loosens oils, grease and other soils for full suspension and removal from a variety of surfaces. Mild pH, safe to use on most water safe surfaces. Can be diluted for all cleaning tasks.
Z3BY	HH38-0002	Natural animal byproduct in a paste form. Softens, preserves and waterproofs shoes, boots and all smooth leather articles.
Z3BY	HH38-0003	A unique wax blend rich in natural waxes that conditions, re-colors and polishes finished, grained, smooth leather shoes and boots. Excellent for covering scuffs and scrapes. Buffs to a high gloss.
Z3BY	HH38-0004	A natural byproduct that softens, preserves and waterproofs all articles of smooth leather and vinyl.

Z3BY	HH38-0005	Contains more dyes and pigments than the Paste Wax Shoe Polish resulting in better coverage. Natural Carnauba Wax formula provides a high gloss shine.
Z3BY	HH38-0006	The newest addition to the Snow Proof line. Softens, preserves and protects shoes and boots. Will not turn stitching or embossing white. With regular use, Snow Proof Mink Oil will increase the lifetime of all your smooth leather articles.
Z3BY	HH38-0007	A blend of Mink Oil and 100% Pure Neatsfoot Oil that softens, preserves and waterproofs smooth leather.
Z3BY	HH38-0008	Trusted by shoe care specialists since 1899, our Paste Wax Shoe Polish contains natural Carnauba Wax for that high gloss shine.
Z3BY	HH38-0009	A blend of natural oils, lanolin and silicone that preserves and lubricates leather items subjected to rugged outdoor use. Lanolin keeps leather pliant and silicone repels water. Use the aerosol version to oil those hard to reach spots on your favorite saddle.
Z3BY	HH38-0010	The 100% natural preservative for leather articles subjected to rugged use and outdoor exposure. Since the primary function of a neatsfoot oil is to replaced the evaporated oils in leather, replacing the oils with other natural animal oils is best. Used by saddlemakers for over a century.
Z3BY	HH38-0011	This combination of natural neatsfoot and synthetic oils are used by saddlemakers and bootmakers to soften, preserve and waterproof smooth leathers. It lubricates the fibres which restores suppleness.
H3HW	H3HW-0001	Our Leather Care feeds and softens old leather and is good leather conditioner for outdoor leather. An organic leather care treatment to keep leather soft and supple. Our Leather Care contains a natural blend of oils and waxes to thoroughly soak into and feed your leather; this will revamp any dried out and cracked leathers.
H3HW	H3HW-0002	Leather Protection Cream is a unique and professional product. It contains a natural blend of oils and waxes the leather protection cream feeds and nourishes your leather preventing it from drying out, cracking and fading. The protection cream adds a transparent layer to the surface of leather. This layer has several benefits; stain barrier, sun barrier, and slip effect. The leather protection cream is also infused with a luxurious leather aroma, which is transferred into your leather when applied.

H3HW	H3HW-0003	Applied with a soft damp cloth it will remove surface dirt and grime, it can be applied with a soft bristled brush to reached trapped dirt in deep grained leathers, or around buttoned and pleated areas. Contains natural oils and waxes to feed, revive and add luster to dried-out, fatigued leather. Used 2-3 times annually it will keep your leather soft and supple, preventing drying and cracking. Remember; Leather Forever is a cleaner and conditioner 'all in one' and so requires only have the work as other leather care products.
G8UU	G8UU-0001	Our Product is a water repellent the softens and conditions leather.
G8UU	G8UU-0002	Our Product softens and preserves.
X191	X191-0001	Made with the best Carnuba Wax and Dolphinite's advanced formula of cleaners, 929 Vinyl & Rubber Cleaner/Protectant sprays on easily to reduce oxidation, discoloration, dulling, drying, hardening, fading and cracking. Use regularly on all types of inflatable water crafts, vinyl covers, seat cushions, fenders, dashboards, tires and sporting goods. This powerful multi-purpose protectant guards against UV light, acid rain, salt, soot, coal dust and airplane exhaust.
Y444	Y444-0001	Our producte contains natural waxes that resist cracking and peeling. This quality liquid shoe polish is applied quickly and easily, giving high gloss shine and nourishment to your shoes.
Y444	Y444-0002	Simply the best all-round conditioner for smooth and natural leather. Conditions and waterproofs your outdoor shoes effectively. Mink oil is rendered from the thick fatty layer found just under the mink's skin.
Y444	Y444-0003	For ultimate shine while nourishing and protecting your shoes, our offers Parade Gloss. Parade gloss offers a premium blend of wax, with more carnuba wax than regular paste.
WW33	WW33-0001	Cleans with a saddle soap base and preserves with pure neatsfoot oil. There is nothing better for genuine leather. Our Leather Cleaner penetrates the leather and does not bleed out of the leather in summertime or in hot environments. Leather appearance stays natural.
WW33	WW33-0002	The finest chemical available for cleaning and preserving your breathable or solid vinyl, deep grained vinyls, pearlized vinyl, hercolyn, leatherette, naugahyde, or any synthetic fabric.
W338	W338-0001	Natural ingredients safely liquefy dirt, sweat, grime, stains and smudges on contact. Life-renewing, non-greasy natural lanolin softens and restores suppleness and reduces the appearance of scuffs and scratches. Perfect for softening stiff new leather, pH balance, and no petroleum products to harm stitching.

GGU2	GGU2-0001	Our leather conditioner protects leather from cracking and premature ageing. Makes Leather look and Feel like new! It is made from glycerines and the finest natural oils and lubricants that penetrate easily into the fibres of leather providing natural lubrication to keep leather soft and supple.
GGU2	GGU2-0002	Our Vinyl Conditioner protects vinyl from cracking and premature ageing, leaving no oily or greasy residue which will aid in the collection of dust. Will not react with plasticizers so that your vinyl remains soft and pliable. It is made from the finest natural oils and lubricants that penetrate easily into the fibres of leather providing natural lubrication to keep leather soft and supple.
Y999	Y999-0001	A tannery supplied functional fluid containing conditioning oils & natural esters of low viscosity & high lubricity
Y999	Y999-0002	Perhaps the most trusted, reputable name in the leather industry, Wimbledon-based company has gifted leather owners with a magic potion to prevent the aging and deterioration of leather. Hide Care Leather Conditioner restores leather's essential moisturizers and protectants in a creamy emulsion of lanolin, white spirit, and natural oils restoring and maintaining the original beauty.
Y999	Y999-0003	A mild natural wax suitable for all leather types but excellent as a barrier on antique or two-toned "shiny" finishes. It gives your leather a nice luster & gloss. Has an established following for maintaining motorcycle leathers. (A little goes a long way !)
GG2U	GG2U-0001	Known world wide for its ability to soften even cardboard hard leather. It is a complex blend of animal proteins, collagens, with absolutely no oil fillers of any kind. It is perfectly safe for equestrian use! Simply massage into the leather with your hands, and let it be absorbed into the fibers. Its' unique capillary action forces proteins into the leather and dirt out!
GU22	GU22-0001	This is the only rubber, vinyl and leather protectant we know of that is guaranteed to last 3 months or more! The blend of natural mink oil, ultra-violet inhibitors and wax nourishes the porous materials from the inside out. The effects of this hydration are visible for months. Your dashboard, vinyl door facings and leather seats will look and feel as supple as the day you purchased your vehicle.

GU22	GU22-0002	This amazing cleaner includes mink oil, a natural leather cleaner and sunscreen for optimal protection from the elements. For thousands of years, humans have used mink oil to protect leather from the elements. Mink oil naturally conditions leather and promotes flexibility. It is used to condition the most delicate of designer garment leathers. That is why Liquid Glass chose mink oil as a key ingredient in their our Choice Leather, Vinyl, and Rubber Cleaner. No cleaner will clean and condition your car's leather interior as deeply or as softly as this product.
UGU2	UGU2-0001	Used in conjunction with our Rich Leather Aloe Cleaner, our conditioner offers polymer protection for leather surfaces. Aloe moisturizers help prevent cracking and splitting while UVA and UVB inhibitors prevent premature aging and fading. Our Rich Leather Aloe Conditioner leaves your leather looking rich, supple and natural.
UGU2	UGU2-0002	Pamper and protect your leather with gentle, safe cleaners and rich, luxurious moisturizers. This unique spray formula with aloe helps protect leather from spills and stains. UV inhibitors help prevent premature fading, aging and cracking of leather surfaces.
UGU2	UGU2-0003	Combined with other rich ingredients, aloe provides unsurpassed ability to clean leather without removing natural and vital life-extending oils. This easy to use, pH balanced lotion safely deep cleans leather, emulsifies pore-embedding oils and water based stains as well as surface dirt and grime.
UGU2	UGU2-0004	Clean, moisturize and protect your fine leather in one easy step. This thick, creamy foam provides a unique dirt lifting action that offers deep-down gentle cleaning. Rich aloe conditions and moisturizes leather for a beautiful natural look. Highly specialized, breathable polymers provide long lasting protection while preventing spills from penetrating the surface.
GUUU	GUUU-0001	Our Mink Oil protection for both fine leather and many plastic and vinyl items. It conditions and waterproofs leather and replaces the original plasticizer that evaporates from plastics and vinyls, leaving them brittle and cracked.
OT17	OT17-0020	In the Ottoman Empire, they knew a little something about relaxation. Thus the ottoman. And the recliner. And stunning leather couch. Whatever your leather, you can renew its rich, luxurious shine with these biodegradable wipes. Just run on of these over furniture, jackets, luggage, car seats, whatever. And relax. Method wipes are made from natural, biodegradable fibers. They're non-toxic and safe for any hard surface.

WW83	WW83-0001	It effectively cleans and suds away dirt and debris from leather while protecting natural oils and fat within the leather. Leaves leather clean and supple. Perfect for use before treating with our Blend Leather Dressing or Oil. Blended from nature's best ingredients, our Blend Products utilize Pine Pitch, pure Mink Oil, and Beeswax to bring you the highest quality leather care products to beautify and extend the life of your leather. Unique all-natural blends; No silicone, petroleum, or artificial ingredients; Never watered-down or diluted.
WW83	WW83-0002	This can can be used as a water repellent for motorcycles and finishing on leather surfaces. Blended from nature's best ingredients, our Blend Products utilize Pine Pitch, pure Mink Oil, and Beeswax to bring you the highest quality leather care products to beautify and extend the life of your leather. Unique all-natural blends; No silicone, petroleum, or artificial ingredients; Never watered-down or diluted.
WW83	WW83-0003	Our Blend Leather Care Products contain no silicone or petroleum ingredients. Not only are they outstanding for conditioning leather, they also have no chemical smell, just a subtle, fresh, natural pine scent. Made of whole pine pitch and pure mink oil.
U33U	U33U-0001	The fast, simple and easy way to pamper your car's leather. Our unique pH balanced neat's-foot oil and lanolin formula safely deep cleans and conditions, leaving behind a soft, supple leather surface. Routine maintenance with our Advanced Leather Care will keep your leather looking and feeling great for years to come.
U33U	U33U-0002	Our Leather Conditioner will preserve your smooth leather. You've cleaned it, rubbed out coffee stains, food spills and the dirt on the side bolsters. You don't want to leave that freshly cleansed skin open to new indiscretion. Seal it with our Conditioner. Our Leather Conditioner is formulated with lanolin and neat's foot oil to preserve the natural oils lost with age. It leaves a protective barrier that helps seal out the detrimental effects of the sun, time and daily abuse.
G82U	G82U-0001	Our Liquid Leather Cleaner is comprised of the highest quality ingredients with the inclusion of glycerin and Emu Oil for enhancing the leather, plus some specialized emollients.

G82U	G82U-0002	Our Leather Conditioning Cream is an all natural leather furniture cleaner and penetrates and protects the finest of leathers. Here's what the leather furniture conditioner will do to protect your leather: Lanolin —to soften, Beeswax—adds water repelling properties, Emu Oil—penetrates deeply into the leather, restoring natural moisture, Tea Tree Oil & Eucalyptus—prevents stitching from breaking down, stops mold and mildew, etc., Pinegum—restores faded color, covers scratches from pets, etc. Clean and condition leather furniture, car & truck leather interiors, leather jackets, leather purses, briefcases. Suitable for all finished leather. Antique leather is especially refreshed with our leather conditioner cream.
G82U	G82U-0003	Our Leather Conditioners soak completely into the leather. Nothing remains on the surface. They are neutral colored products made from a blend of the highest quality all-natural ingredients. Contains: Lanolin —to soften, Beeswax—adds water repelling properties, Emu Oil—penetrates deeply into the leather, restoring natural moisture, Tea Tree Oil & Eucalyptus—prevents stitching from breaking down, mold and mildew, etc., Pinegum—restores faded color, covers scratches etc.
U333	U333-0001	We are committed to natural, healthy solutions for treating leather, and that is why we offer this remarkable product, the only one of its kind in the world. White Jaguar Leather Cleaner, is a blend of pure water and naturally sourced plant ingredients that releases and lifts dirt from leather without harsh chemicals or chlorine bleach. This cleaner is natural, gentle, effective, and safe for cleaning leather.
U333	U333-0002	Our Leather Oil provides premium leather care through a unique and gentle blend of natural oils and propolis. With a time-proven formula that contains NO harmful chemical additives, our Leather Oil will protect, preserve, and extend the life of your valuable leather. In it's liquid form, our Oil is faster to apply and easier to use and can be buffed to a shine or polished over. It's the perfect treatment for uniform boots, dress boots (including exotic leathers), vehicle interiors, jackets, chaps, apparel, saddles & tack, and baseball gloves.
U333	U333-0003	Ours is a natural miracle protectant for leather and contains no harmful chemicals that can damage your leather. Natural oils are suspended in a Beeswax/Propolis formula. In the leather, these oils gradually seep out of the Beeswax/Propolis as a time release lubrication that restores fibers. If exposed to heat or constant flexing, the oils are released faster; so instead of getting parched, your leather gets oiled when and where it needs it most.

H88H	H88H-0001	This wonderful product from Germany will make your leather surface look and feel like new. It is easy to use and is being sold by major manufacturers of leather sofas and furniture under their own brands. It is also used by major car, boat and RV manufacturers for all their leather interiors and does not leave a greasy, sticky feeling after it is applied as do most oils and other conditioners. This cleans, protects, and conditions leather in one application. 100% natural beeswax.
Z444	Z444-0001	Our Leather Dressing is a perfect blend of natural ingredients and waxes that keeps leather supple, strong and beautiful. It prevents hardening and cracking; resists most acids; removes most stains, and allows the leather to "breathe". This can be used on boots, baseballs mits, and so much more.
UG82	UG82-0001	Our Waterproofing goes one step further than our Leather Cream. Almost pure beeswax, it's for leather that really gets wet. Our Waterproofing goes on smoothly, penetrating leather and leaving a waterproof seal on the surface. Use the Waterproofing for boots, shoes, and other leather gear that will be exposed to lots of wetness.
UG82	UG82-0003	If you ride in really wet conditions, try our Waterproofing. Almost pure beeswax, this product protects leather that really gets wet. It goes on easily, penetrating leather and leaving a waterproof seal on the surface.
UG82	UG82-0004	Our Leather Cream is an all purpose leather care product which cleans, conditions, and protects all types of leather. Regular use will build a degree of waterproofing on the leather. Use on saddles, tack, chaps, shoes & boots, purses, motorcycle leathers, saddlebags, car upholstery, and leather furniture. Our Leather Cream brings dry, curled, cracked leather back to life and protects all leather from the harsh effects of the environment...sun, wind, dryness, and moisture.
U883	U883-0001	Our Leather Care Conditioner is a careful blend of natural oils to protect and preserve the suppleness of the leather and preventing the leather from stiffening and eventual cracking. Use twice a year or every four to six months to revive the leather and replenish lost natural oils held within the leather caused by everyday use and evaporation. Careful maintenance of leather upholstery with regular treatment with conditioner allows continued use and enjoyment for many years.
PI1N	PI1N-0001	An unique neatsfoot formula which offers the user superior conditioning and lubricating qualities without the many performance disadvantages inherent in traditional neatsfoot oil and other such raw oils. The limited, yet time-honored, virtues of neatsfoot as a "bulk lubricant" have been refined by scientific methods resulting in this modern, state-of-the-art lubricant suitable for conditioning and preserving even the finest leather.

UH3H	UH3H-0001	Two years in the making and already rated number one in the industry. This leather treatment and conditioner contains a perfectly balanced, solvent-free blend of special oils and other natural conditioners. This product penetrates and preserves all fine leathers for years of beautiful service. We also added Ultra-Gard™ for total protection from the sun, and our exclusive real leather oil concentrate for a rich leather scent. After just one use, your car will have that great new leather smell again.	
UH3H	UH3H-0002	This Leather Soft Spray Cleaner contains the finest blend of emulsifiers, mink oil and synthetic lanolin to safely clean all fine leather surfaces. Leather Soft Spray Cleaner gently lifts soil and stains without harming the dyes, clear coat protection or natural oils in leather. Leather Soft Spray Cleaner is so gentle, it helps prevent premature leather damage, including cracking, shrinking and drying.	
J888	J888-0001	A new waterless natural cleaner and conditioner for automotive rubber. This product cleans, penetrates, rejuvenates, and protects against drying and ultraviolet rays while enhancing colour and leaving a subtle natural glow. Contains Shea butter, cocoa butter, tea tree oil, and copaiba root.	
J888	J888-0002	This Vinyl Cleaner is specifically formulated to remove tough soils from rubber and vinyl quickly and completely. Produced with castile (olive oil) soaps and aloe vera, this pH balanced formula safely cleans and restores the beauty to soiled interior or exterior rubber and vinyl.	
J888	J888-0003	This is a solvent-free, formaldehyde-free, oil-based feeding product that releases solvents and restores moisture in all vinyl and plastic components. Contains: Lemon seed oil, apricot kernel oil, sesame oil, cetyl esters, cetyl cocoamide (derived from coconut oil), cocoamide, lecithin, and xanthan gum.	
J888	J888-0004	Treat is a solvent-free, banana oil, and collagen-based feeding product that releases trapped solvents and restores moisture to keep your leather looking, feeling, and smelling like new.	
J888	J888-0005	This Cleaner gently removes tough oils and soils from new leather quickly and completely. Produced with Castile (olive oil) soaps and Lanolin, this pH balanced formula safely cleans and restores the beauty to soiled automotive or home interior leather.	
J888	J888-0006	Seal is derived from glycerin, a natural plant anti-oxidant agent. Seal notably prolongs the useful life of rubber seals by releasing trapped solvents and restoring original moisture.	
Lotions and Moisturizers	ZJT1	ZJT1-0001	Super-concentrated and easily absorbed. Made from peppermint, Vitamin E, aloe vera, jojoba oil, beeswax, sweet almond, and orange oil.

B647	B647-0001	A wonderful creamy body butter that contains heavy moisturizers as well as pumpkin and papaya extract/enzymes and pomegranate for super skin results. available in Pumpkin scent.
SN35	SN35-0020	serving up a distinctive menu of wildly aromatic organic body balms handcrafted with certified organic extra virgin olive oil infused with healing native botanicals and pure essential oils; retail, wholesale, private label, custom manufacturing
SN35	SN35-0022	This all purpose soothing skin salve is great for dry, itchy, chapped, or irritated skin as well as eczema, minor cuts, scrapes, insect bites, small burns and boo-boos.
SN35	SN35-0023	This fragrant moisturizing salve is great for dry, chapped skin and lips as well as eczema, minor scrapes, rashes, sunburns, and boo-boos. A little goes a long way, so the 1.3 oz. tin will last a while. Keep one at home and one at work.
O959	O959-0017	A non-greasy formula in which potent antioxidants, herbal extracts, and lightening agents firm sagging features, smooth wrinkles, and deliver the essence of youthfulness.
O959	O959-0016	Light, anti-inflammatory moisturizer with benefits for every skin type, every age, men and women.
O959	O959-0015	Notable for its freedom from side effects, wild yam roots (<i>Dioscorea villosa</i>) provide a natural source of progesterone for women seeking a safer, effective alternative to Hormone Replacement Therapy (HRT). Natural progesterone is recommended for pre- and post-menopausal and menopausal women to relieve symptoms of fatigue, water retention, mood swings, low sex drive, fibrocystic breasts, hot flashes, night sweats (those 4:00 a.m. awakenings), craving for sweets, weight gain, and other signs of changing hormone levels. When migraine headaches occur due to premenstrual estrogen dominance, natural progesterone helps restore normal vascular tone in a safe and normal, physiologic way, counteracting the blood vessel dilation that causes the headache.
G882	G882-0001	A soothing Camomile Lotion that absorbs quickly and moisturizes deeply.
G882	G882-0003	mosturizing cleanser for normal to dry skin types, gently yet effectively removes dirt, makeup, excess oils and environmental pollutants that clog pores and make skin look older.

G882	G882-0002	Deeply moisturizes skin with Black Currant Oil and Vitamins A, C & E, texturizes skin with Lavender and Tangerine Essential Oils and intensely soothes and smoothes skin with Camomile's rich, standardized antioxidant components. Leaves your skin with a luxurious tone and a supple and vibrant appearance. Dermatologist Recommended.

Contains albizia lebbeck, barberry, caesalpinia sappan, geranium, lesser cardamom, licorice, saussurea spikenard, tumeric, valerian root, and vetiver brass.

LEO5	LEO5-0097	Delicate skin needs gentle moisture—replenishment to feel soft, smooth and comfortable. Our aroma-free moisturizing fluid is blended with vitamins and mild plant emollients—including ten Ayurvedic herbs—to relieve irritating dryness. Contains Albizia lebbeck, Barberry, Caesalpinia sappan, Coconut-derived emollients, Geranium, Lesser cardamom, Licorice, Saussurea, Spikenard, Tumeric, Valerian root, Vetiver brass, Vitamin E.
LEO5	LEO5-0099	Skin can take comfort in a balancing blend of pure flower and plant essences that helps restore a healthy look and feel.
LEO5	LEO5-0100	Helps seal in moisture after bathing or during massage with a rich, aromatic, conditioning body oil for dry skin, hair and scalp.
LEO5	LEO5-0065	Nurturing your skin comes naturally with this quick-absorbing lotion—containing emollients derived from coconut, jojoba and other naturally-derived ingredients—that replenishes moisture with a gentle touch. Camomile and lavender blend helps promote a soft, supple skin texture. Also contains camomile and lavender extract, palm-derived emollient, and rice bran oil.
LEO5	LEO5-0055	Come face to face with the benefits of nature as this cooling, refreshing mist helps hydrate and balance your skin while minimizing surface oil build-up. White oak, witch hazel and peppermint provide mild astringent benefits. Also contains aloe and rosewater.
LEO5	LEO5-0102	Our intensive yet lightweight brightening formula clarifies skin while helping prevent the appearance of future discoloration, such as age and sun spots.
LEO5	LEO5-0057	Our quickly-absorbed, non-oily moisturizer hydrates skin while diminishing the appearance of discoloration such as sun and age spots.
LEO5	LEO5-0037	Soothe and calm dry skin and scalp with clarified jojoba oil and a tranquil blend of rose and other pure flower and plant essences. Contains vitamins a and e.
LEO5	LEO5-0094	A rich body creme with Caribbean mango, cocoa butter and warm island aromas leaves skin soft and conditioned, senses rejuvenated. Also contains amyris, bay leaf, lime, meadowfoam seed oil, and vetiver.
LEO5	LEO5-0149	Uplifting face and body mist rejuvenates the senses while lightly hydrating skin.
LEO5	LEO5-0103	Energize oily skin, hair and scalp with a lightweight, aromatic body oil that hydrates skin and awakens the senses. Contains clarified jojoba oil and a refreshing blend of essences including lavender, sage and jasmine. Also contains sweet orange oil, and vitamins a and e.
LEO5	LEO5-0026	Incredibly rich moisture therapy soothes dry, chapped hands—leaving them noticeably softer and smoother. Hydrating plant emollients, humectants, exfoliating fruit acids and anti-oxidants—including vitamins A and E—help diminish signs of aging and provide optimal relief. Also contains licorice extract and meadowfoam seed oil.

LEO5	LEO5-0015	Helps clear blemishes—and keep oil under control—while shrinking the look of pores. Balances moisture, so skin's not overdry or shiny. Contains alma, boswellia, salicylic acid, saw palmetto, tamanu, and certified organic lemon tea tree and rose geranium.
LEO5	LEO5-0054	Pure well-being for the delicate skin around eyes—an aroma-free creme that hydrates and protects while softening the look of fine lines. An intensive blend of plant-derived humectants and proteins visibly improves firmness. Contains aloe extract, echinacea, red clover, seaweed extract, and vitamin e.
LEO5	LEO5-0123	A silky, lightweight lotion that invigorates with a time-release aroma of certified organic rosemary and peppermint.
LEO5	LEO5-0108	Feel energy from nature. Finely-powdered tourmaline—a naturally energizing mineral—mixed with marine and plant extracts and 11 powerful anti-oxidants. Hydrating. Protecting. Infusing visible life and radiance into your skin—so it glows. Also contains meadowfoam seed oil, and vitamins a, c, and e.
LEO5	LEO5-0011	Pure plant extracts plus tourmaline—an energizing mineral—infuse your skin with visible radiance. This light, oil-free formula rebuilds skin's moisture barrier while shielding from sun and other environmental assaults. So your skin looks and feels healthier and more radiant. Contains lycopene and vitamins a, c, and e.
KAYT	KAYT-0003	A light veil of moisture and emolliency that soothes, rehydrates and refreshes your body. It is rich in nutrients. The certified organic herbal extracts help renew your skin to a fresh, supple texture.
KAYT	KAYT-0006	The natural ingredients, found in Awakening Spirit's products, have been carefully selected with this in mind and where appropriate, to restore, replenish, repair, moisturize, soothe, nourish, detoxify, soften, revitalize, penetrate, and protect, naturally.
GO1A	GO1A-0011	It is a corn-based hand lotion
IO87	IO87-0001	Soy body butter is rich in moisturizing ingredients. Very, very thick and creamy. Absorbs immediately into your skin with no greasy feeling.
IO87	IO87-0002	Our Soy formula provides the skin with natural essential oils and extracts to prevent aging and dryness. Soy oil, soy protein and shea butter forms a natural breathable barrier on the skin to protect it from pollutants and water dehydration.

S93U	S93U-0004	A rich and silky lotion that is instantly absorbed leaving the skin noticeably soft, supple and moisturized. It contains tretinoin rich Rosa Moschata rosehip seed oil, alpha lipoic acid, retinyl palmitate and ascorbyl palmitate that have dramatic toning and firming effects and are wonderful for both the prevention and treatment of stretch marks. The refreshing aroma derives from essential oils of Mandarin, Rose, Lavender, Sandalwood and Frankincense.

O369	O369-0007	Our two most popular products are combined to create this extra rich, long lasting all over body moisturizer deliciously scented with China Rain Perfume Oil. We've added this scent to our heaviest and most popular lotion. Vitamins A, D & E and moisturizing ingredients such as cosmetic grade mineral oil, lanolin and antioxidant lecithin trap moisture on the skin and provide a barrier to evaporation making this lotion particularly effective on dry and flaky skin. Besides being ideal for very dry skin, it works great after sunbathing, gardening or to sooth skin that is chapped due to frequent hand washing. Light aqua coloring.

O369	O369-0027	Hydrosols are aqueous solutions resulting from the steam distillation process of plant substances. Perfect for all skin types, hydrosols may be used to moisturize, freshen and soothe skin. Since they contain no oil, they are ideal for use by those with oily skin. For those with normal or dry skin, hydrosols may be used in conjunction with other facial moisturizers to help lock in moisture. These aromatic mists may be used as a delicate scent for skin and hair or to rehydrate and refresh skin on warm days, during airplane flights, in the office or whenever additional moisture is desired. Availability depends upon current growing conditions.
P15D	P15D-0005	Your skin will sing in perfect pitch once you smooth on Body Lyrics' Jojoba Body Lotion. It will soothe, protect and nourish the skin providing an overall "harmonizing" experience.
KSR9	KSR9-0003	Enriched with aloe vera and almond oil our Body Lotion or Crème leaves dehydrated, damaged skin soft and supple.
U3H3	U3H3-0003	All active ingredients are herbal, incorporating the latest scientific discoveries with beneficial botanical ingredients. Products are cruelty-free and biodegradable within twenty-four hours. Packaging is environmentally sound. All products are tested in independent university dermatological clinics on human volunteers to insure safety and efficacy.

Y191	Y191-0027	This lotion is excellent for people with sensitive skin or sensitivities to smells.
Y191	Y191-0026	This lotion is excellent for dry skin and problems with eczema. This is a heavy lotion that sinks into the skin leaving you soft silky and wonderfully touchable.
Y191	Y191-0039	A quick and easy way to get beautiful soft hands and clean cuticles and buffed nails. Massage into hands and nail bed, rinse with warm water and dry.
Y191	Y191-0033	The #1 selling cream for us. Softer lines, a more moist complexion. This complex cream is for damaged skin due to weather, sun, age, and just to fight gravity with grace. It will replenish moisture as well as help you retain moisture.

Y191	Y191-0035	This antioxidant cream rejuvenate the skin by improving the texture and blood supply of the deeper collagen fibers. Vitamin A is also helpful in reversing damage caused by toxins such as smoking and irradiation from the sun. Vitamin A also helps thicken the skin; and because of this, it improves fine wrinkling. Vitamin C acts as a potent antioxidant, neutralizing the effects of free oxygen radicals. By minimizing this damage and stimulating the formation of collagen and elastin, Vitamin C restores skin's vitality and youthfulness.
Y191	Y191-0032	Vitamin E helps improve the appearance of the skin through moisturization. Its level of moisturizing and penetration of the skin is suitable for dry and cracked skin. Good for dry cracked skin, minor burns, sunburns, skin irritations and abrasions. Excellent for working with dry patches and minor marks and blotches on the skin.
Y191	Y191-0031	Pure Shea Butter whipped to a creamy light soufflé.
RPJV	RPJV-0006	My handcrafted lotions are created in the same manner as my soaps, by hand in small personalized amounts. The product is not made until you order it to insure that you get a fresh product. I use cosmetic grade colorants created on the occasions where color is desirable. Most coloring is determined by natural herbs, grains, spices and the oils used. Essential oils and some fragrance oils are used in scenting my lotions. The varieties and amounts of ingredients are selected for the maximum skin enhancing properties.
L1ZL	L1ZL-0007	Our rubble is made by infusing shea butter and unrefined cocoa butter with vitamin e, and some other goodies! Rubble comes as little pieces, which will actually melt in your hands! So chocolaty and decadent...and so many uses! Like our buttercup, rubble is great for stretch marks, dry skin, fine lines, scars, tattoos and especially great for hair.
BBU1	BBU1-0007	Imagine this product as a lip balm for your skin. Solid lotion bars are a convenient way to carry instant relief in your bag. It goes on neatly; exactly where you need it, and without waste.
WAZP	WAZP-0037	The skin on your hands ages eight times faster than the skin on your face. Which makes all of our hands really old in bee years. Keep yours soft and smooth and protected with almond oil, aloe and vitamin E.
WAZP	WAZP-0059	Aloe soothes and helps heal, beeswax and sweet almond oil help prevent chafing and redness, and grapefruit seed extract naturally kills bacteria. This Creme gives soothing relief to the diapered area. 98.71% Natural.
WAZP	WAZP-0038	Perfect if your dry hands are driving you bananas. This super rich formula is 100% natural. It's full of almond oil, aloe and vitamin E to moisturize and protect. Four out of five monkeys chose our Beeswax and Banana Hand Creme as their very favorite hand Creme. The fifth monkey prefers the Shea Butter Creme. Go figure. 100% Natural

WAZP	WAZP-0024	Making this Creme keeps our busy bees very busy. It's a lightweight version of our Moisturizing Night Creme. Generously enriched with vitamins and botanical oils. 97.73% Natural.
WAZP	WAZP-0025	Renew and replenish your skin with this super saturated, emollient Creme for people who need a super rich formula. Apparently many people do because this product is back by popular demand. It's full of almond oil to moisturize, and beeswax to lock in moisture. To help reduce the appearance of fine lines and wrinkles, don't mind your own beeswax. Mind ours. 98.71% Natural.
WAZP	WAZP-0058	Dry skin isn't inevitable. Treat sensitive skin to this rich, creamy lotion with soothing, natural ingredients like real buttermilk, aloe and sunflower oil. Don't forget baby's knees and elbows, because those details matter too. 98.31% Natural.
WAZP	WAZP-0060	Don't we all wish we were a little less mature sometimes? Well, at least your skin can be. Our lightweight moisturizer, enriched with healing vitamin E, carrot seed oils and antioxidant Beta-Carotene, is perfect for sun-exposed and mature skin. 98.67% Natural.
WAZP	WAZP-0027	As you dream of younger looking skin, our Night Creme is helping to deliver it. Carrot seed oil is proven to stimulate cell renewal and helps deter and reduce wrinkles. It also softens the texture of your skin and promotes the healing and repair of sun damage. Avocado and almond oils moisturize, balsam of Peru helps promote the healthy re-growth of your skin while aloe soothes and hydrates. Wake up feeling a day younger and a day wiser. 96.74% Natural.
WAZP	WAZP-0026	Carrots supposedly help you see better in the dark. Ours help you look better during the day, too. Carrot seed oil is proven to stimulate cell renewal. Sunflower, avocado, wheat germ, coconut and grape seed oils blended with balsam of Peru, aloe vera and vitamin E penetrate the skin's surface to help heal skin damage. This lightweight Creme is recommended for more mature skin. 97.67% Natural.
WAZP	WAZP-0033	Stressed out? That doesn't mean your skin has to be. A few spritzes of our product will chill your skin right out. This soothing formula helps moisturize and refresh sensitive skin. The end result is calm, cool, happy skin. 99.85% Natural.
WAZP	WAZP-0040	The perfect moisturizer for hard working hands: everyone loves it from farmers to people who gesticulate. It's our most intensive hand treatment with ingredients that offer healing benefits. Almond oil moisturizes. Rosemary stimulates circulation and lavender helps prevent scarring. What hands wouldn't love it? 98.05% Natural.

WAZP	WAZP-0054	Our naturally intensive healing lotion combines softening Sunflower and Glycerin with stimulating Carrot Seed Oil and Balsam Peru to promote healthy skin renewal while nourishing, moisturizing and protecting mature and sun-aged skin. New Look...classic formula! 99.68% Natural.
WAZP	WAZP-0039	This one receives a lot of fan-mail. While lemon oil softens your cuticles and strengthens your nails, vitamin E helps heal, sweet almond oil moisturizes, and beeswax seals in moisture. Your cuticles will be softer and your nails will be stronger. You'll feel results immediately. You can use it on your toes, too. Toe cuticles. That sounds funny. 94.91% Natural.
WAZP	WAZP-0061	Never mind the birds and the bees, we're here to tell you about the cows and the bees. Where soothing milk meets honey in this nourishing yet lightweight moisturizer, you'll see that they make a natural pair. Honey acts as a natural humectant, aloe soothes and moisturizes as does natural sunflower oil. Perfect for dry and sensitive skin. 98.2% Natural.
WAZP	WAZP-0055	Our most popular skin care lotion just got a bit of a face lift! Deeply nourishing and enriched with Beeswax, Sunflower and Coconut Oils, our famous Milk and Honey formula. 98.25% Natural
WAZP	WAZP-0035	his elixir of 11 precious botanical ingredients helps reduce the appearance of fine lines and wrinkles, while supporting the renewal and repair of the most delicate skin. The concentrated antioxidant bioflavonoids, present in green tea extract, help fight free radical formation caused by light exposure and environmental pollution. Borage and evening primrose oils, rich in Gamma-Linolenic Acid (GLA), add natural essential fatty acids to our serum formula, necessary for promoting healthy, elastic skin. This serum even helps soften rough elbows. The list of things it can't do is shorter. 99.94% Natural.
WAZP	WAZP-0053	Bee-hold a super enriched butter that won't add an inch to your waistline! Emollient Cocoa and Macadamia Nut Butters, and vitamin enriched Sunflower, Rosehip and Borage Seed Oils combine to repair, restore and promote healthy skin renewal, naturally. 98.65% Natural.
WAZP	WAZP-0042	Pick some up today and we promise the next time you go to pick some up, you'll do so with much softer hands. Shea butter offers so many benefits to the skin. Extracted from a nut that grows in West Africa, shea butter is rich with antioxidants and fatty acids to moisturize and promote cellular regeneration. And as if that wasn't enough, we added the moisturizing power of sesame and macadamia nut oils. Vitamin E and rosehip seed oil help treat scar tissue and minimize the effects of aging. 98% Natural.

WAZP	WAZP-0056	Calming botanical extracts of Chamomile, Cornflower and Calendula soothe irritation while nourishing Sunflower Oil, softening Buttermilk and healing Aloe provide penetrating moisture, superior softening and lasting protection from the simply purity of nature. For all the care your sensitive skin deserves. 99.41% Natural.
WAZP	WAZP-0051	Don't take dry skin lying down! Get real skin therapy from Burt's Bees. A super-rich lotion combining moisturizing Honey with vitamin-rich Orange Wax to repair and rebalance dry damaged skin while Coconut Oil and Beeswax preserve vital moisture. 99.01% Natural.
WAZP	WAZP-0052	A real honey of a Butter! Powerfully softening Shea and Mango Butters team up with moisturizing Honey and healing Aloe to provide deep therapy for restoring and protecting your seriously dry skin. 99.01% Natural.
WAZP	WAZP-0022	If you've read this far, it must mean that you believe in "natural," right? So, chances are, you aren't the type to load your face up with heavy foundations. Our tinted moisturizer provides sheer, lightweight coverage and moisturizes skin with sunflower and coconut oils. Rosemary helps promote cell renewal, improve circulation and reduce the appearance of broken capillaries. Earth pigments and botanical emollients subtly even out facial tones and create a luminous effect on the skin. 99% Natural.

SA8J	SA8J-0001	Is imported from the French Polynesian islands and blended with fresh Shea Butter from Ghana, West Africa for a truly special treat!

GDZW	GDZW-0002	Is a intense moisturizer! Shea butter is truly one of the breaking stories in skin care, helping retain moisture in skin lipids to improve elasticity, combating wrinkles and stretch marks. Used regularly, skin will become smoother, softer, and visibly healthier. We use only natural gently refined butter, directly from the fruit of the African Kirate tree. Our shea butter is not the highly refined, bleached and processed type available in many stores. We invite you to compare. We believe our Shea Butter has more nutrients and is much nicer to your skin. Don't take our word for it, try it for yourself and experience the difference.
GDZW	GDZW-0005	Luscious, creamy, and ultra moisturizing - that sums up the qualities of this wonderful creamy lotion in a bottle. Our customers love this lotion because it is readily absorbed into the skin, leaving a moisturized yet non-greasy feeling. Formulated with pure Organic Sunflower Oil to smooth, Cocoa and Shea Butters to soothe and protect, and an extra dose of Vitamin E to help heal and shield your skin from the elements. This creamy, thick lotion is destined to become your favorite!
W88W	W88W-0001	Organic Massage Lotion has true certified organic ingredients grown in accordance with national organic standards. It contains the finest certified organic oils and botanical extracts specifically formulated to promote healthy skin. Ideal for use as both a massage and body lotion. Designed to help firm, tone, moisturize, and soothe the skin. Available in 3 sizes: 8 oz, 64 oz, & 128 oz
KYGX	KYGX-0001	We think using natural products on our bodies is important. We are pleased to offer you a selection of all natural handmade Body Oils, Salves, Balms and Cuticle Drops, that will nourish your skin. You will also find relaxing Eye Pillows, soothing Sinus Pillows, and cozy Warm Comfort Wraps to pamper and renew your spirit.
GG88	GG88-0001	'Reap the benefits of oil replenishing essence of avocado with the antioxidant properties of Vitamin E in this light, silky fast absorbing crème that moisturizes and softens extra-dry skin.
GG88	GG88-0002	For sagging skin that has lost firmness, Alpha Lipoic C-ester is the ideal creme. Widely acclaimed DMAE and Alpha Lipoic are combined with C-ester in this rich moisturizing formula that both hydrates your skin and improves its elasticity
GG88	GG88-0004	Provides skin with anti-aging defense with ester-C, herbs, vitamins, borage oil, and green tea extract in a refreshing gel for normal to oily skin.

GG88	GG88-0003	Is the first non-acidic form of Vitamin C capable of penetrating the epidermis, improving skin's texture, elasticity and tone. Skin Recovery Complex includes a blend of herbs known for their anti-aging properties. With its light citrus fragrance, stimulates cell renewal and promotes formation of collagen and elastin, main ingredients for softer, more resilient skin. Reclaim your youthful glow with this product for normal to dry skin and gel for oily to normal skin!
UG28	UG28-0016	Exclusive formula for their product contains a rare essential oil and vegetal blend to soothe and normalize all skin types. The Evening Nutritional Moisturizer contains a powerful blend of rich and creamy moisturizing liposomes, humectants, aloe vera and Vitamin E that replenishes and conditions the skin overnight. Daily Solar Protective Moisturizer is a deeply moisturizing daytime cream for normal to dry skin containing two (2) different sun screens for ultimate solar protection. Revitalizing Eye Lift Creme is a formulation featuring a Shea Butter base with Vitamins A, D3, E and B5, hyaluronic acid, squalane (from olive oil) and elastin. Hyaluronic Acid, a super humectant which is water loving and can hold 1000 times its weight in water and Beta Glucan, which is derived from oatmeal, makes this moisturizer feel like "liquid silk". We have used these key ingredients in our moisturizer to soften, supple the skin and work on re-balancing your skin's chemistry throughout the day. This moisturizer is light enough to wear under your make-up, absorbs quickly, yet leaves the skin nourished and feeling soft and smooth. Action: Light yet rich cream leaving the skin nourished and feeling soft and smooth. Contains a rare essential oil and vegetal blend exclusive to DEVITA to soothe and normalize all skin types.
UG28	UG28-0001	Exclusive formula for their product contains a rare essential oil and vegetal blend to soothe and normalize all skin types. The Evening Nutritional Moisturizer contains a powerful blend of rich and creamy moisturizing liposomes, humectants, aloe vera and Vitamin E that replenishes and conditions the skin overnight. Daily Solar Protective Moisturizer is a deeply moisturizing daytime cream for normal to dry skin containing two (2) different sun screens for ultimate solar protection. Our Revitalizing Eye Lift Creme is a formulation featuring a Shea Butter base with Vitamins A, D3, E and B5, hyaluronic acid, squalane (from olive oil) and elastin. A powerful blend of rich and creamy moisturizing liposomes, humectants, aloe vera and Vitamin E that replenishes and conditions the skin overnight. In addition to the wonder ingredients in Daytime Nutritional Moisturizer, we have added some powerful humectants (these pull moisture from the air and help to put it back into your skin) and extra special essential oils such as Frankincense, Rosewood and Helichrysm. Replenishes and conditions the skin overnight over 8 hours.

UG28	UG28-0021	<p>Skin Care Treatment Products are designed to reduce facial redness, flushing, broken vessels, prevent skin damage, while encouraging the formation of new, firmer skin. The unique blend of vitamins, minerals, proteins, lipids and precious essential oils that goes into each formulation helps improve and firm the skin. JA32	JA32-0096	100% Natural Everyday Care for Baby's Skin. Powerfully Pure Stuff for Natural Babies The mild scent of true Chamomile calms. And Calendula is a gentle, traditional herb for comforting & healing baby's skin. It's good for after bath, for a diaper change, or for dry skin anywhere on baby's body. You & Your Baby Will Love This Stuff It's great for adults too! Try it on elbows & knees or any place that needs a little babying. A little drop of our Powerfully Pure Baby Oil goes a long way. Just rub it in. 100% Natural - Mostly Organic - No Animal Testing - Totally Good!

JA32	JA32-0006	which used Bulgarian Lavender to calm the skin and senses. Bulgarian Lavender Essential Oils: Steam distilled from Lavender grown in Bulgaria, this flower has a sweeter smell than traditional lavender and has a reputation for being able to aid in healing of the skin. Organic Lavender Extracts: Soothes the skin and senses. 100% Vegan No: Parabens, sodium lauryl/laureth sulfates, phthalates, artificial fragrances or colors, silicones, EDTA, Glycol or petroleum based ingredients. Cruelty free and biodegradable: No animal testing or raw materials or finished product. No phosphates. Clear skin, Clear conscience. Made in USA
JA32	JA32-0221	Which used tropical oils and extracts to help skin refresh and renew. Organic Extract of Hibiscus: Hibiscus contains components that enable stimulation of skin cells and promote the healing process. Organic Coconut Oil: Intense moisturizing makes the skin smoother and evenly textured. Also penetrates the skin to act as an antioxidant and free radical scavenger. Organic Extract Passion Flower: Lightly moisturizes the skin. 100% Vegan No: Parabens, sodium lauryl/laureth sulfates, phthalates, artificial fragrances or colors, silicones, EDTA, Glycol or petroleum based ingredients. Cruelty free and biodegradable: No animal testing or raw materials or finished product. No phosphates. Clear skin, Clear conscience. Made in USA
JA32	JA32-0051	An organic lotion which provides in-depth nourishment to dry skin. Organic Almond Extract and Almond Oil: Contain a high level of Vitamins A, E, and B, proteins and fatty acids. Due to their small size, almonds are able to penetrate the skin, providing in-depth nourishment, and moisturizing dry skin. Organic Sunflower Oil: Due to its high content of the powerful antioxidant Vitamin E, sunflower oil helps to repair damage done by environmental stressors. Organic Shea Butter: Absorbs quickly into skin without leaving a greasy residue. Its emollient properties help skin retain moisture and restore elasticity. The result is skin that feels smooth and supple. * 100% Vegan * NO: Parabens, Sodium Lauryl/Laureth Sulfates Phthalates, Artificial Fragrances or Colors, Silicones, EDTA, Glycol or Petroleum based ingredients. * Cruelty Free and Biodegradable: No animal testing of raw materials or finished product. No Phosphates. Clear Skin, Clear Conscience. * Made in the U.S.A.

JA32	JA32-0041	Mother's milk for a healthy body, bodymilk for healthy skin. After bathtime or anytime, our pediatrician tested formula nourishes dry skin with gentle, milky moisutre. With lavender and lemon to soothe the mind, plus Vitamin E and Jojoba Oil to soften the skin.
JA32	JA32-0039	Keep baby's bottom dry and comfortable with our organic diaper cream. Our extra-mild formula is loaded with Vitamin E. Shea Butter and Zinc Oxide to calm and protect even ultra-sensitive skin. * 70% Organic Ingredients * pH Balanced * Pediatrician Tested * Ideal for Sensitive Skin * Hypoallergenic * Non-Irritating
JA32	JA32-0207	Vitamin C Texturizing Serum for all skin types: * Advanced skin care * Refines skin texture * Increases rehydration * Diminishes appearance of large pores * Amplifies skin's natural collagen matrix * Paraben-free * Cruelty free * Made with 70% certified organic botanicals Our Vitamin C Serum is potent, yet gentle. this active phyto-complex will help to dramatically refine skin tone and texture, while helping to amplify your skin's natural collagen matrix. This oh-so-smooth formulation visibly reduces the appearance of fine lines and wrinkles, and even softens the appearance of age spots. Plus, it diminishes the appearance of large pores. Use it daily to treat your skin to the many benefits of cell-protecting Vitamin E and nourishing Vitamin A. The result is skin that feels baby smooth and has a radiant flow. And yes, seeing is believing. Bitter Orange (Citrus Aurantium)- The blossoms from the Bitter Orange yield precious Neroli Oil used in perfumes and aromatherapy; its leaves and young shoots also provide Petitgrain Oil. these two oils have a long history of use in traditional medicine to calm anxiety and elevate one's mood. In Asia, Bitter Orange Seed Oil has also been used to help reduce cholesterol. Our formulation relies on the Bitter Orange's high levels of active phyto-nutrients to help refine skin texture. *(from ingredients list) Grown in accordance with the California Organic Foods Act of 1990. 1) Certified Organic by Quality Assurance International 2) Certified Organic by ECOCERT Made in USA Questions?

JA32	JA32-0205	<p>Chardonnay Hydrator for daytime: * Advanced skin care * Absorbs instantly for maximum hydration * Helps tired-looking skin appear lifted and smoother * Paraben-free * Cruelty free * Made with 70% certified organic botanicals The secret to looking your best is keeping your skin deeply hydrated. Our light, silky daytime hydrating cream absorbs quickly and lasts for hours because it is imbued with potent phyto-actives found in Chardonnay Grape Seeds, Mediterranean Olives and Soy. With a revolutionary, age-defying Amino-Peptide Complex and Alpha Lipoic Acid, this cream also actively shields your skin from environmental stresses that can cause inflammation. Your tired-looking skin will appear visibly lifted and smoother, with improved skin elasticity and tone. Best of all you will exude a healthy radiance all day, every day. Chardonnay Grape Seed (Vitis vinifera)- Throughout antiquity, wine grapes were lauded as the secret to good health and longevity. Our grape seed extract comes from the seeds of white Chardonnay grapes harvested from the venerable Burgundy region of France where it is common for vines to be over 400 years old. In traditional and folk medicine, wine grapes and seeds are commonly used to combat inflammation. Today grape seeds are known to be rich in polyphenolic components that have extremely powerful antioxidant properties. *(from ingredients list) Grown in accordance with the California Organic Foods Act of 1990. 1) Certified Organic by Quality Assurance International 2) Certified Organic by ECOCERT Made in USA</p>

Our Lemon Skin Brightening Serum for Day & Night is a truly luminous blend of Lemon, Japanese Mandarin, Licorice and Mulberry. Regular use brings forward your skin's natural radiance, brightness and tone. It's the perfect way to lighten up. Japanese Mandarin(Citrus Unshiu Citrus Reticulata Blanca)- Throughout Asian countries there is a rich 700-year history of using the delicate Japanese Mandarin for a multitude of uses. It has been prized for its fragrant, sweet fruit and revered for the benefits derived from its peel. In traditional medicine, an extract was made from the peel and used to break up body congestion, clear the liver and ease abdominal pains. Chinese Empresses also used it for various skin conditions and to help smooth and gently brighten the skin. *(from ingredients list) Grown in accordance with the California Organic Foods Act of 1990. 1) Certified Organic by Quality Assurance International 2) Certified Organic by ECOCERT Made in USA Questions? call 1-800-327-2012 or visit naturesgatebeauty.com 1.1 fl oz / 32ml</p>
JA32	JA32-0031	<p>Walnut Therapy for overnight renewal: * Advanced skin care * Leaves skin feeling firmer and energized * Amplifies skin's anti-aging properties * Paraben-free * Cruelty free * Made with 70% certified organic botanicals This luxuriously rich cream soothes and intensely hydrates with dynamic photo-actives from French Walnut, Soy and European Beech Tree Buds. This state-of-the-art formula includes Alpha Lipoic Acid and a potent form of stabilized Vitamin C that works while you sleep. You'll wake up to skin that looks refreshed and feels silky soft with improved suppleness and clarity. Now that's a dream come true. French Walnut Seed Extract (Juglans Regia)- the French walnut tree lives over 400 years, enduring the centuries with fortitude and grace. Found in Alpine groves, these hardy trees are fed by pure glacial water and clean mountain air. The active ingredients from this special walnut offer important, bio-active properties that focus on strengthening the skin's own defenses against the visible signs of aging. *(from ingredients list) Grown in accordance with the California Organic Foods Act of 1990. 1) Certified Organic by Quality Assurance International 2) Certified Organic by ECOCERT Made in USA Questions? call 1-800-327-2012 or visit naturesgatebeauty.com 1 oz / 28g</p>

JA32	JA32-0045	Created with: Organic White Tea & Vitamin E * 95.9% Organic and Natural * Botanical: Lavender Vanilla No. 17 * Not tested on animals. White tea is made from the fresh growing tips of Green Tea and contains even higher concentrations of natural antioxidants. Research shows that White Tea may protect against sun damage and ultimately provide anti-aging benefits. Antioxidants in White Tea aid in the fight against free radical DNA damage. White Tea also contains anti-inflammatory emollients that soothe and reduce redness. When applied to the skin the benefits of White Tea go directly into the cells ~ protecting and soothing like nothing else. Due to our dedication to using natural and organic ingredients, product colors and consistency may vary slightly.

X52B	X52B-0008	Formulated with rich natural fruit oils in a creamy base to cleanse the skin and remove make-up and impurities without drying soaps. Moisturizes while it cleanses to keep skin soft without a greasy feeling. Use daily as your regular cleanser for dry and normal skin. Water-rinsible. Hypo-allergenic. Excellent for removing oil based cosmetics. pH 5.0.

X52B	X52B-0009	The perfect facial moisturizer. Ultra-light, non-greasy and can be worn night or day, and under make-up. Enriched with Vitamin E, Beta-Carotene, Aloe, Soya Sterols and a gentle sunscreen, it helps prevent premature ageing and wrinkling due to dry skin or sun. Protects against the ravaging effects of wind and pollution, and strengthens the skin's own ability to moisturize and defend itself. pH 5.0.
X52B	X52B-0007	Rich in plant sterols, skin stimulating herbal extracts and vitamin oils, this super rich creme is specially designed for women over 30. This unique blend penetrates deep into skin and helps reverse the signs of ageing. Minimizes fine lines and wrinkles and softens skin. Like a vitamin pill for your skin, it restores the natural moisture balance. For all skin types. pH 5.0.
X52B	X52B-0006	For dry skin, fights against skin wrinkles, dark circles and sun damage using soy protein.
X52B	X52B-0013	Proven to work in 95% of test subjects who have used it to lighten their complexion or fade away age spots. Ginsium-C combines Magnesium Ascorbyl Phosphate (a derivative of Vitamin C) and Titanium Dioxide with a cocktail of natural extracts to reduce the production of melanin and stop the appearance of age spots and uneven skin tone. pH 7.5
X52B	X52B-0002	Rich in Hyaluronic Acid, nature's rarest and most perfect moisturizer, this soothing, non-greasy lotion cools, calms, hydrates, and helps prevent irritation. Absorbs quickly, and completely, with a light pleasing fragrance.
X52B	X52B-0004	Placentagen Eye & Throat Creme - Nourishing & Oxegenating. The ultimate in skin rejuvenation - - hyaluronic acid and freeze-dried placental extract in one formula. Rich in RNA, DNA and nutrients to nourish ageing skin and depleted skin cells. Carries concentrated moisturizers into the skin. Helps reduce visible age-telling lines and increase skin's elasticity. Speeds oxygen to the complexion and accelerates skin renewal while detoxifying. For all skin types. Hypo-allergenic. pH 5.0.
EX1V	EX1V-0002	Experience the silky smooth, rich cream your dry skin will love and an aroma so divine you'll wear it for perfume!

MDML	MDML-0055	<p>Product Description: Our CoQ10 Ultimate Skin Firming Lotion is expertly blended with CoQ10 patented technology, certified organic lavender floral water, natural liposomes, vitamin E and certified organic safflower oil for maximum therapeutic and skin firming benefits. CoQ10 is essential for healthy youthful skin. This naturally occurring nutrient is found in every living cell of your body, and provides the source of all cellular energy for building new cells and tissue for smooth, firm skin. As you get older, your natural level of CoQ10 diminishes and your skin begins to show signs of aging, such as fine lines and wrinkles. As a powerful antioxidant, CoQ10 neutralizes free-radicals caused by sun and environmental exposure defending you skin against further damage. Improves firmness, tones and smoothes, diminishes wrinkles, proven results, powerful antioxidants, natural liposomes, 50% certified organic, SPF 6 daily protection. Ph Balanced. Benefits all skin types. Our Active Organics CoQ10 lotion guarantees 50% certified organic ingredients. Certified Organic Credibility requires the percentage of certified organic ingredients to be clearly stated on every label. Don't settle for less when purchasing organic. Made with only natural, gentle ingredients within the vegetarian ethic. Warnings: For external use only.</p> <p>Ingredients: Patented Coenzyme Q10, Octyl Methoxycinnamate, Certified Organic Lavender Floral Water, Herbal Infusion of Certified Organic Green Tea, Chamomile, Sage and Yarrow, Glyceryl Stearate, Vegetable Glycerin, Stearic Acid, Certified Organic Safflower Oil, Certified Organic Echinacea and Gotu Kola Extracts, Sorbitol, Sorbitan Stearate, Avocado Oil, Sodium Hyaluronate, Organic Algae Extract, Meadowsweet Extract, Certified Jojoba Oil, Dermochlorella Algae Extract (for firming), Tocopheryl Acetate (vitamin E), Magnesium Ascorbyl Phosphate (vitamin C), Biosaccharide Gum, Retinyl Palmitate (vitamin A), Methyl/Propylparaben, Pure Essential Oils of Neroli (orange blossom), Bergamont, Mandarin and Sweet Lavender</p>

M2CR	M2CR-0003	Vegan/Vegetarian, Biodegradable, pH Neutral, Botanically based and are Cruelty Free NO Mineral Oil or Petroleum, etc.
B22Y	B22Y-0003	Our delicious lotion made with nourishing shea butter, replenishing grape seed oil.
B64S	B64S-0003	Cocoa Butter is a natural emollient and moisturiser, known to improved the skin's elasticity. Calendula is used to speed the healing of burns, bruises, and cuts, as well as the minor infections they cause. We infuse our calendula in Oliver oil, an antioxidant and moisturiser. Evening Primrose oil is a nourishing oil, high in essential fatty acids. Cocoa Butter is a natural emollient and moisturiser, known to improved the skin's elasticity. Shea butter is almost magical in its healing effects on burns, skin conditions, ulcerated skin, stretch marks, and dryness. It contains beneficial vegetable fats that promote cell regeneration and circulation, making it a wonderful healer and rejuvenator for troubled or aging skin. It also contains natural sun-protectants. Olive oil is an antioxidant and moisturiser. Jojoba oil is very close to the sebum made by the skin, and absorbs quickly. Evening Primrose oil is a nourishing oil, high in essential fatty acids. Glycerin is a humectant, meaning it attracts moisture to your skin. This is a nice thick lotion. Made From: Cocoa Butter, Calendula Infused Olive Oil, Jojoba Oil, Evening Primrose Oil, Vegetable Ewax, Vegetable Glycerin, Vitamin E, Germall Plus (preservative)
B64S	B64S-0001	Cocoa Butter is a natural emollient and moisturiser, known to improved the skin's elasticity. Shea butter is almost magical in its healing effects on burns, skin conditions, ulcerated skin, stretch marks, and dryness. It contains beneficial vegetable fats that promote cell regeneration and circulation, making it a wonderful healer and rejuvenator for troubled or aging skin. It also contains natural sun-protectants. Olive oil is an antioxidant and moisturiser. Jojoba oil is very close to the sebum made by the skin, and absorbs quickly. Evening Primrose oil is a nourishing oil, high in essential fatty acids. Glycerin is a humectant, meaning it attracts moisture to your skin. Made From: Distilled Water, Cocoa Butter, Shea Butter, Olive Oil, Jojoba Oil, Evening Primrose Oil, Vegetable Ewax, Vegetable Glycerin, Germall Plus (preservative)

B64S	B64S-0002	This is a serious lotion for skin that needs serious care. Kokum Butter is composed of beneficial compounds that help to prevent dry skin and wrinkles and regenerate skin cells. Rose hip Seed Oil is an anti-oxidant, and is commonly used to hydrate skin and treat eczema and psoriasis. It improves skin elasticity, regenerates skin cells and reduces wrinkle formation and scarring. Jojoba oil is very close to the sebum made by the skin, and absorbs quickly. It's a great moisturiser, however it is also good for oily skin. By mimicking the skin's sebum, it seems to help prevent the skin from making too much. Carrot Oil is rich in beta carotene. It helps heal dry, and cracked skin. Glycerin is a humectant, meaning it attracts moisture to your skin. Made From: Distilled Water, Kokum Butter, Rosehip Seed Oil, Jojoba Oil, Carrot Oil, Vegetable Wax, Vegetable Glycerin, Germall Plus (preservative)
S917	S917-0001	These body lotions are amazing! Silky smooth organic body lotions that smells great! Pangea soaps are totally natural! They are mild, good for your skin, and made from completely organic ingredients.

Ingredients: Avocado butter, olive butter, certified organic cocoa butter, certified organic sunflower oil, vitamin E, certified organic cocoa powder, pure essential oils and vanilla infusion.

A33R	A33R-0048	<p>Moisturize and Nourish This pure, chemical-free luscious lavender lotion (\$8.50) is the perfect choice to moisturize and nourish even the most sensitive skin. Pure Essential Oils For use on hands and full body. Excellent for a relaxing body massage. 4oz Cruelty-free Luscious Lavender Lotion Ingredients: Rosewater, Aloe Vera Gel, Coconut oil, Olive Oil, Cocoa Butter, Vitamin E oil, Beeswax, Grapefruit Seed Extract (natural preservative) and pure essential oils including lavender.</p>
A33R	A33R-0036	<p>Wonderfully fragrant, with lavender, lemongrass, sage and tea tree to help balance and heal. A little of the oil free moisturizing gel goes a long way which allows for maximum coverage with minimum product, presenting an excellent value. Essential Oils? Some customers have asked us why there are essential oils in an oil-free product. It is important to remember that essential oils are not really oils at all, but rather the "essence" of the plant. Therefore, they will not clog pores or create an oily feeling. If you have questions on what essential oils are and how they work, please see our aromatherapy section for much more detail. Oil Free Moisturizing Gel Ingredients: Aloe Vera gel, Vitamin E, vegetable glycerine, and pure essential oils of lavender, sage, lemongrass and tea tree. Oil Balancing Essential Oils A light, fragrant blend of oil-balancing essential oils, in a healing base of aloe vera gel, Vitamin E and vegetable glycerine. Moisturizes without feeling heavy or greasy. Easy Application Comes in a 2-ounce pump top for easy application. After cleansing, simply shake bottle, dispense a small amount onto fingers and gently apply to skin. Your skin is left soft and subtly fragrant. Suitable for normal and oily skin types.</p>
A33R	A33R-0049	<p>Is a dry skin therapy treatment for sun-damaged, dehydrated, sensitive and mature skin. Blend of Essential Oils A 30% blend of pure essential oils of Lavender, Roman Chamomile, Calendula and Geranium provide an advanced degree of deep hydration, working to plump up the skin and reduce the appearance of fine lines and wrinkles. Youthful Glow This extraordinary blend restores the youthful glow and luster diminished by the effects of the sun and aging and promotes the rapid healing of various skin conditions. Ingredients: 100% Natural Derived - Botanical Oils of Jojoba, Macadamia, and Sesame, Essential Oils of Tea Tree, Rosemary, Lavender, White Thyme, Grapefruit, Juniper, and Cypress, Vitamin E</p>

AFEA	AFEA-0002	You will love the results! Soft, smooth, hydrated skin! This non-oily soy formula has a thick, rich consistency.
AFEA	AFEA-0003	Non-greasy, fast absorbing...leaves your skin feeling unbelievably soft and smooth. Packed with moisturizing ingredients such as Cocoa Butter, Shea Butter, Soybean Oil and Vitamin E. Soy lotion comes in both 4 oz. and 8 oz. size. Shelf life is 3 years.

WH29	WH29-0003	Luxurious, non-greasy, and fast absorbing, yet leaves your skin feeling unbelievably soft & smooth! Packed with moisturizing natural ingredients such as Cocoa Butter, Shea Butter, Vitamin E and Botanicals. NO Mineral Oil.
Q2M8	Q2M8-0001	Propolis is a resinous substance collected by bees from leaf buds and exudates of trees and conifers. The bees modify the original resin composition to produce the Propolis and use it as a sealing agent and to keep the growth of microbes in the beehive under control. It is said, that the interior of a beehive is one of the most sterile environments in nature. Although the chemical composition of Propolis is very complex, the properties of Propolis have shown extensive antibacterial, antifungal, antiviral, cytotoxic, anti-inflammatory and antioxidant effects. Because of these biological properties, Propolis has been shown to have outstanding value to mankind for a wide variety of illnesses and maladies.
NN56	NN56-0013	Experience the healing power of Avocado fixed oil and Frankincense essential oil in our Avocado Skin Rejuvenator. Both oils have been used for centuries to help heal irritated skin exposed to sun and weather as well as to improve skin elasticity to reduce and prevent wrinkles. Simply rub a small amount of the oil into the area to be treated once a day, and watch your skin respond.
NN56	NN56-0010	Our 100% natural hand and body lotion is made from several different fixed oils including Aloe Vera, Sweet Almond, and Jojoba, in addition to vegetable gums and glycerin. The use of only natural fixed oils and vegetable products enables our Hand/Body Lotion to be both especially moisturizing and gentle to the skin. By adding your favorite fragrances or essential oil blends, it even becomes an aromatherapy product. Not sure which fragrance to choose, simply select the default Lavender, since lavender essential oil is a natural moisturizer and has many benefits for skin care. We even have a 2 oz. size that is great to carry in your purse or pocket.
F32S	F32S-0002	Deeply penetrating, with organic herbal extracts of green tea, lavender, chamomile and Echinacea, combined with the sumptuous vegetable oils of avocado, grape seed and sesame make this mid-weight lotion a wonderful choice for your body care. So rich with softening emollients, Body Rich lotion can also be used for massage. Its ph balanced too!
F32S	F32S-0004	A lovely lightweight nourishing lotion which contains a therapeutic combination of naturally beneficial ingredients including essential oils and plant extracts.
F32S	F32S-0010	If you're wishing for a 'perfect' moisturizer, I bet my Marigold Cream would make you happy. Loaded with nutrients for your thirsty skin, it also heals and delicately balances any upsets, such as redness or sensitivity that may be happening.

M2D8	M2D8-0015	Give your hard-working hands a softening break with our Hand Lotion. We added Aloe Vera and Glycerine, to add moisture and softness to your hands. Don't be shy about using on your body. That works, too.
TV61	TV61-0002	The most luxurious skin loving oils and butters were blended to make this body balm, including olive oil, shea butter, cocoa butter, beeswax, rose hip oil and evening primrose oil. There are twelve different oils and butters in this decadent product!
O8RP	O8RP-0001	Our equalizing and balancing creme.
O8RP	O8RP-0004	Provides a natural way to help comfort and correct imbalances in your body, fights extra stress and mood swings and reduces the discomfort of hot flashes.
U919	U919-0005	Scrub away dead skin while cleansing with our Organic Sugar Cane polish. Contains naturally occurring Alpha Hydroxy Acids found in pure cane sugar, as well as organic Jojoba and other emollients to keep your skin feeling smooth. For an uplifting and wonderfully cleansing experience.
G22U	G22U-0007	A sleep inducing body butter for bedtime. It has moisturizing mix of cocoa butter with absorbent powders so that your skin feels soft and smooth, but not the slightest bit oily.
G22U	G22U-0001	Our product is made with plant oils and butters to soften your skin and keep your hands smooth and seriously moisturised. Let it melt generously into your hands at night and leave it there for the nutritious coconut butter, beeswax and cocoa butter to work miracles while you sleep, then wake up to the touch of soft, vanilla scented fingertips. If you share your life with a partner it's a very good idea to make sure that you keep their hands nicely buttered up with Soft Touch too. For your nails we make an infusion of cleavers (goose grass) and horsetail herb because they are full of silicones. We mash up fresh, organic mangoes to feed your skin because they are the most nutritious fruit in existence. (You'll notice that they are cropping up in lots of our products). We put in beautiful oils like wheatgerm and avocado to protect and moisturise your hands. Keep it by your bedside and remember it last thing at night. You'll be glad you did first thing in the morning.
MR94	MR94-0001	Special formula provides the skin with natural essential oils and extracts to prevent aging and dryness. 4oz., 8oz., and 16oz. Sizes
MA2R	MA2R-0003	For youthful, supple skin, nothing compares with this product, handcrafted with all-natural oils and butters. Our unique natural handmade soap recipes all insist on lavish amounts of butters and oils, wonderfully replenishing for the life and softness of your skin - you can actually feel it after bathing. We use only the finest ingredients to craft our natural soap including olive oil for extra moisturizing, coconut oil for a rich luxurious lather, and just a hint of palm oil for a harder, longer lasting bar.

MA2R	MA2R-0004	This product looks like a giant lip balm stick. It is a solid lotion that is softened by the warmth of your skin. It is rapidly absorbed into your skin, leaving it soft and smooth. You can use it on dry knuckles, or elbows or any place else that needs some extra dry skin care. You can also use it before exposing your hands to water to help prevent dry skin. The main ingredients in our product is Soy and Shea Butter, which is great for dry skin. We add a little Sweet Almond Oil and Beeswax to give it smoothness and give it a creamy consistency
BLP5	BLP5-0006	You asked for our lotion, you wanted our lotion, you needed our lotion. So, here it is. Fits in desks, sits on dressers, goes on smooth and makes a statement.
BLP5	BLP5-0007	Nina uses hers to moisturize and protect her calves after shaving. Dolores uses hers to shield her hands from papercuts while keeping her office papers free of grease. Barbara takes hers on the go. Diane slices a sliver into warm bathwater. And Cindy massages hers into her cuticles.
TYB3	TYB3-0003	our popular cocoa lotion cake also comes in a convenient 'travel' version! same idea & ingredients as the cake, but in a push-up stick dispenser... just drop in your pocket, purse or suitcase & you'll be moisturized wherever you go! ~ 100% certified organic

W2DK	W2DK-0005	Our Lotion Bars are all natural, skin nurturing oils and butters that have been infused with calendula in our own shop and solidified with beeswax. As you gently rub the lotion bar over your dry skin, your body temperature melts a light layer of the oils and butters onto your skin. This forms a protective moisture barrier that dry skin needs to heal. Sometimes it will feel a little greasy to start with but your parched skin will absorb this rapidly leaving only smooth silky skin. Ingredients: Mango Butter, Rosehip Seed Oil; Olive Oil, Sunflower oil infused with Calendula, natural beeswax, Vitamin E, pure essential oils of Lavender, Ho Wood and Clary Sage.
SMR9	SMR9-0002	Rich in botanical extracts, this lotion glides easily onto the skin. A lightweight formula that soaks into the skin to hydrate cells. This lotion forms a moisture lock barrier to prevent the need for the frequent application necessary with some brands of lotion.
OOFW	OOFW-0006	Avocado Oil nourishes even the driest skin, leaving you with a soft, satiny feel that's never greasy. Offered in any soap fragrance.
OOFW	OOFW-0007	This moisturizing lotion in solid form contains such natural ingredients as Emu Oil, Apricot Kernel Oil, Jojoba, Shea Butter, Aloe Butter and Beeswax. Specially formulated to soften rough, calloused areas such as elbows, knees and heels, it is offered in Unscented, Natural Peppermint or a blend of Tea Tree Oil, Peppermint and Lavender.
SWNN	SWNN-0004	Pure, all natural Shea Butter, moisturizing Cocoa Butter, and exotic Mango Butter, combined with healing Macadamia Nut oil and Avocado oil. An INTENSE moisturizing body butter that melts instantly on skin contact leaving velvety, smooth skin.
SWNN	SWNN-0008	Moisturizing Lotion for Your Whole Body "Organic Aloe Vera and Jojoba oil for silky smooth skin"
NF9O	NF9O-0010	A lotion rich in Essential Fatty Acids to nourish the skin and allow it to naturally fight off the deleterious effects of age. Botanic extracts and oils have been added for their healing and nurturing properties. Oils of grapeseed, jojoba, hempseed, wheat germ and palm kernel have been combined in the luxurious lotion so that it is also wonderful for massage.
NF9O	NF9O-0011	This luxurious lotion uses the secrets of the ancients to bring you the best natural moisturizers for youthful freshness for the skin. Natural, essential oils create an ambrosia that is heavenly sent.
NF9O	NF9O-0012	This is an exceptional skin softening lotion which can be used on the face, hands and body. It restores suppleness to the skin and soothes the drying effects of tanning, sunburn, chafing and abrasions. It's also useful for moisturizing skin chapped from frequent showers or winter dryness. With a light almond/marzipan scent and extra rich formula Jojoba and Almond Skin Conditioner is a very economical choice.

NF9O	NF9O-0003	This satiny lotion melts onto the skin to provide a non-oily glide with enough grip to work the deeper muscles. It will not stain linens or cloths. A rich complex of natural botanical extracts condition and moisturize the skin during massage. A favorite with professional therapists.
NF9O	NF9O-0002	Cocoa butter and chamomile are combined with the finest natural oils in a thick, rich lotion that moisturizes and refreshes the skin with each application.
NF9O	NF9O-0004	The best of nature's ingredients are combined in this lotion.
NF9O	NF9O-0005	A delightful blend of oils of sunflower and jojoba oils make this light, quickly absorbing lotion perfect for deep tissue massage. Never greasy or oily, this hypo-allergenic lotion goes on effortlessly and finishes with a smooth, silky feel.
NF9O	NF9O-0009	A thick, rich blend containing wheat germ and grapeseed oil perfect for extra dry skin. Deep healing humectants with renew the skin leaving it glowing. Hypo-allergenic.
NF9O	NF9O-0021	A luxurious blend of grapeseed, hempseed and jojoba oils with vitamins A & E, all working together to renew the skin and muscles at a cellular level. This blend contains essential fatty acids and free radical scavengers to slow aging and bring new life to the skin's cells.

SOO0	SOO0-0012	Our Hand and Body lotion. This light and creamy lotion is very suitable for the most sensitive skin. The perfect combination of the best suitable oils for problem skin with chronic conditions like Psoriasis, Dermatitis, Acne, tinea, cuts and scrapes, cold sores, Herpes, Thrush, dry and cracked skin and many other skin problems.
SOO0	SOO0-0011	Psoriasis pure oil blend with Neem and Tea Tree oil has proven to be successful with treating the symptoms of Psoriasis. Psoriasis is caused by hyper-reproduction of the body's cells, which is an immunological response. The intended purpose of our pure oil is to relieve the itching involved with Psoriasis and reduce symptoms such as dry, flaking skin and redness. Many of our customers have reported the Psoriasis pure oil blend has a calming effect on the uncomfortable symptoms of Psoriasis, relieving the itching immediately and reducing the redness and flaking skin.
SOO0	SOO0-0009	Our oil blend protection. These oils don't just protect they are also good for the skin.
SOO0	SOO0-0008	Our oil blend, Massage and Skin repair. This is such a nice oil blend it's not too sticky therefore these carefully blended oils are perfect for massage and intense healing, soothes and heals damaged skin, brings back elasticity and moisturises the skin. High in Concentrated Essential fatty acids, rich in proteins with vitamins E and D.

SOO0	SOO0-0010	Our protection lotion. This light and creamy lotion is very suitable for sensitive skin, with carefully blended oils to make this lotion the perfect safe protection.
NPR5	NPR5-0009	Ingredients: Minerals: Sea Salt, Epsom Salt, Baking Soda. Herbs: Angelica, Butcher's Broom, Comfrey, Horsetail, Marshmallow Root, Plantain, and Yarrow. Oils: Eucalyptus, Sassafras, and Tea Tree. Also contains Corstarch and Oats.
NPR5	NPR5-0006	Our Balm contains herbs that work to soften rough, dry, damaged skin. Very effective for diabetics and people who work with their hands. Apply liberally to hands, elbows, knees, feet, and other dry, even cracked areas. Ingredients: Arnica, Calendula, Chaparral, Lemon Balm, Mullein, Olive Leaf, Oregano, Plantain, White Willow Bark, Yarrow, and Yellow Dock Root in a base of Extra Virgin Olive Oil and Beeswax.
WM27	WM27-0003	Starts out light and fresh, with stimulating pink grapefruit and cypress. Ends sweetly and mildly as every day should.
WM27	WM27-0005	Nestled between refreshment and tranquility, you'll find Sanctuary. A lush garland of lavender, neroli orange blossom, and floral accent. Generously applied, it serves as a deep, centering breath that calms the mind and soothes the body.
WM27	WM27-0004	Smooth on Sojourn whenever you find your body asking for a tiny vacation to a more sensual destination. The blend of exotic ylang ylang and sandalwood will soothe your skin and ease your mind, so you can whittle away the hours in a much softer world.
E258	E258-0002	Soy-based body lotion with light fragrance.
S9U0	S9U0-0040	A deeply moisturising lotion with vipers bugloss oil, the premier source of omega 3, 6 & 9 essential nutrients and moisturising shea butter, vitamin B5, Australian cold pressed jojoba, Australian cold pressed certified organic avocado and calming lavender oils.
S9U0	S9U0-0026	A light, easily absorbed daily face protector. What does it do? Offers daily SPF 30+ protection to prevent premature ageing caused by over exposure to the sun. Natural antioxidant green tea extract helps protect the skin against free-radical damage whilst orange flower water imparts a delicate citric aroma. Perfect for all skin types and excellent for sunscreen-sensitive skin.
S9U0	S9U0-0003	Rich in natural nutrients from nature's plant oils, helps to prevent against the drying effects of the sun. Retains moisture, leaving your skin healthy, soft and glowing. We care for your skin!
S9U0	S9U0-0029	A moisturiser that soothes, restores and protects. We've used nature's best ingredients to nourish your skin.

S9U0	S9U0-0030	This beautiful light moisturiser contains the essential oils of Ylang Ylang, Sweet Basil and Lavender which blend perfectly to provide a light aroma. Essential oils are subtle on the senses and do not linger in the manner of synthetic fragrances. Ideal for all skin types this cream is excellent for the face and body and can be used as a night or day cream. All of our moisturisers are alcohol free. Calendula has been used by herbalists for centuries for it's healing anti-inflammatory, antiseptic and soothing properties. The beautiful golden flowers of the Calendula plant contain carotenoids which make it ideal for general healing, as well as helping to reduce the signs of aging. The soothing action of the Calendula is further enhanced by the combined synergistic calming and sedative effect of the Ylang Ylang, Sweet Basil and Lavender pure essential oils. This enticing blend of oils gives the moisturiser a fresh crisp fragrance faintly reminiscent of licorice.
S9U0	S9U0-0031	Green Tea has been renowned for it's antioxidant and anti-inflammatory qualities for thousands of years. Ideal for all skin types this cream is excellent for the face and body and can be used as a night or day cream. Sun protection benefits are also particularly well documented. Cancer Research & Prevention Foundation funded researcher Dr Santosh Katiyar, has proven that green tea helps protect the skin. When applied to the skin before exposure to the light rays, GTP (an active compound isolated from green tea) appears to help prevent damage to the DNA in skin cells, a process that leads to skin cancer. Therefore, green tea may synergistically enhance sun protection when used in addition to sunscreen. The Green Tea moisturiser incorporates the pure essential oils of Clary Sage, Rosemary & Lavender. Clary Sage is known for it's calming and relaxing properties, Rosemary is extremely good for the skin and wonderful for clearing the mind and promoting mental awareness and Lavender is a soothing oil that has a revitalising effect on the skin.
S9U0	S9U0-0032	Manuka Honey moisturiser is a non scented cream especially formulated for sensitive skin. It contains apricot kernel oil which is high in natural Vitamin E, an antioxidant and +20 Manuka Honey. Ideal for all skin types this cream is excellent for the face and body and can be used as a night or day cream. All of our moisturisers are alcohol free. Manuka Honey is collected by bees from the flower of the Manuka bush. Professor Peter Molan, University of Waikato, New Zealand, was the first to identify the antibacterial component of the Manuka Honey (referred to as UMF) and has led research teams investigating its unique activity. The rating of the UMF indicates the measure of antiseptic potency. Our moisturiser contains +20 UMF which is one of the highest rated Manuka honeys available. Studies conducted by Professor Molan have shown Manuka Honey to be extremely effective in treating bacterial and fungal skin infections.

S9U0	S9U0-0033	Skinfood products are made from the purest natural ingredients New Zealand and our Pacific cousins have to offer. Essential oils are extracted from orange, lavender and tea tree oil meaning no strong chemical or unnatural smells. Paraben free, no artificial colourings, non comedogenic, not tested in animals. Because this product is natural based reactions are rare. This means our product is suitable for a wide range of people.
S9U0	S9U0-0034	Skinfood products are made from the purest natural ingredients New Zealand and our Pacific cousins have to offer. J995	J995-0003	Uses all natural skin care products.
O357	O357-0010	Our all organic ingredients make the perfect recipe for moisturizing sensitive skin and reversing the signs of aging without abrasive chemicals. The emu oil content allows the lotion to absorb more rapidly than other lotions because its composition is extremely similar to that of human skin. It penetrates the dermis deeply for fast, effective relief from dry skin, itching, and wrinkles. This lotion is a totally organic solution for all of your skin needs.
O357	O357-0016	Prepare to be amazed by the anti-aging effects of our luxurious, natural emu oil cream. Emu oil is so close in composition to human skin, it absorbs much more quickly than other lotions, and without leaving oily residue behind. With pure emu oil and SPF-5 for daily UV protection, this lotion absorbs quickly and leaves skin feeling smooth and fresh all day long. Simply apply after washing your face with emu oil soap in the morning, and prepare your skin to feel its best.
O357	O357-0008	Along with the multiple, anti-aging benefits of pure emu oil, our Cream includes all natural plant extracts such as Wild Yam, Burdock Root, Black Cohosh, Siberian Ginseng and Camomile to promote gentle lifting and firming of the skin. Use as directed, and enjoy the results!

O357	O357-0012	Emu oil lotion for hands and body is the perfect treat for freshly showered skin. Nourish your skin with the moisture it craves with pure emu oil lotion. Its natural properties help heal dry skin, eczema, arthritis pain, and make an excellent massage lotion. Emu oil lotion is among our top sellers!
O357	O357-0001	For millennia, emu oil has been respected and relied upon by the aboriginal peoples of the Australian continent as a healing ointment. Our natural salve allows you to experience the same healing qualities in a modern, easily transportable salve that leaves your skin moisturized and gently healed.
O357	O357-0006	Our pure emu oil product goes through a filtering process in which all impurities are removed, including bacteria and odor. Our convenient, small vial of pure emu oil will make it easy for you to moisturize and rejuvenate your skin. You'll want to have the product handy wherever you go.
O357	O357-0007	Our psoriasis cream uses the intense moisture of emu oil to soothe and smooth rough, scaly, and even painful or itchy patches of skin caused by psoriasis, eczema, or other skin ailments. It's safe enough to use on baby, but powerful enough to treat any skin condition. Use our psoriasis cream treatment in conjunction with pure emu oil for best results. While not a psoriasis cure, our aid cream will replenish the skin's lost moisture and virtually eliminate pain and itching.
HNG5	HNG5-0017	Drench your skin in an exotic blend of lush tropical fruits combined with the emollient-rich properties of Shea Butter and Cocoa Seed Butter. Readily absorbed and non-greasy, these natural skin moisturizers gradually help diminish the appearance of fine lines and promote skin's elasticity. Our unique body butter recipe includes sweet almond and soybean oils to nourish and soften skin while enhancing moisture absorption. These rich, aromatic butters form a natural breathable barrier to protect your skin from pollutants while adding vital moisture and aiding in skin repair.
HNG5	HNG5-0012	Lock in moisture to prevent dryness with the sunflower oil and vitamin B5 in these velvety, non-greasy lotions.
HNG5	HNG5-0025	Refresh and soften your skin with these lightly scented moisturizing sprays.

HNG5	HNG5-0018	Drench your skin in an exotic blend of lush tropical fruits combined with the emollient-rich properties of Shea Butter and Cocoa Seed Butter. N310	N310-0005	Key Ingredients: Gingko biloba, Ginseng, Horsetail, Calendula, Glycerin, Proline, Soy and Corn proteins
N310	N310-0009	Key Ingredients: Rose essential oil, Hazelnut, Evening primrose and Sweet almond oils; Vitamin A, E,C; Soy and Horsetail extracts
N310	N310-0022	Key Ingredients: Deepseam, Soy extract, Wheat proteins, Vitamins A, C & E; Cranberry seed and Soybean oils, Shea and Mango butters, Native essence
N310	N310-0025	Key Ingredients: Deepseam, Soy extract, Wheat proteins, Vitamins A, C & E

N310	N310-0015	Ingredients: Vitamin E – known as an anti-oxidant superstar, this vitamin works in the body and on the skin to protect cells against free-radical damage Jojoba Oil - smoothes and softens body skin while it moisturizes and protects with a lubricating, protective cushion Soy Protein and Soybean Oil - an emollient lubricant and conditioner for the skin that restores smoothness and slows moisture loss. Increases the ability of skin to bind moisture. Soybeans are rich in linoleic acid, which helps nourish damaged cells Glycerin - helps shore up the skin's natural protection by filling in the area known as the intercellular matrix and by attracting just the right amount of water to maintain the skin's moisture balance Clean, natural fragrance – leaves skin smelling subtly clean and refreshed without being overly strong or heavy
N310	N310-0021	Ingredients: Demineralized spring water, glycerine, olive oil, alpha lipoic acid, DMAE bitartrate, ascorbyl palmitate, cetearyl alcohol, cetearth--20, soybean oil, shea butter, hydrolyzed soy protein, allantoin, aloe vera gel, vitamin E acetate, tea carbomer 940, citric acid, methylparaben, propylparaben, imidazolidinyl urea, polydimethylsiloxane
N310	N310-0017	Instantly restore maximum moisture and firmness to dehydrated skin with this ultra rich high performance cream clinically proven to increase firmness by 20% in just 10 minutes. This ultra-rich high performance body cream improves resiliency and tone for increasing body firmness and restoring maximum moisture
N310	N310-0006	Keep the beautiful skin you were born with. Beautiful, glowing, radiant, healthy looking skin is achieved by having a strong foundation of collagen and elastin. Collagen is a series of bricks which is held together by elastin, the mortar. Over time, chronological aging and environmental damage cause these “bricks and mortar” in our skin to degrade. This weakened condition promotes the formation of lines and wrinkles and sagging skin. Wrinkle Preventer targets wrinkles before they form while reducing the appearance of existing fine lines. The scientists here have developed a unique, proprietary treatment which not only promotes the production of collagen and elastin but more importantly, protects against the breakdown of these vital molecules essential to healthy skin. The first treatment of its kind, this innovative formula represents the next generation in preventative and corrective skin care. Wrinkle Preventer protects collagen and elastin from free radical damage through a new cocktail of extracts and peptides.
KUC3	KUC3-0054	The best stuff for your chapped, cracked, rough and weathered skin.
IO85	IO85-0003	My lotion bars are made with a combination of beeswax and soywax to make them less greasy than other lotion bars. Other ingredients include Cocoa, Shea and Mango butters; Macadamia, Sweet Almond and Monoi de Tahiti oils; Vitamin E and Essential oils.

VE4P	VE4P-0001	Dry, chapped, rough skin? Tired of the hand lotions from the department store that doesn't last or leaves a greasy feeling behind? Our Hand and Body lotions are available in a variety of scents and colors and will leave your skin silky smooth.

U42A	U42A-0031	Antioxidants are known to remove free radicals that are produced by smoke, pollution, UV rays and our own cells. Free radicals have been associated with skin cancer and premature skin aging. Some research concludes that antioxidants are vital to keeping skin healthy and "young". Free radicals also damage our collagen which is the protein fibers that make up our skin. So, what it comes down to is Antioxidants prevent collagen breakdown and help to ward off free radicals that damage and age our skin. Vitamin C, A, E and B5, and Carrot seed are the primary antioxidants in this cream. Avocado oil is rich in vitamins and minerals and is known to increase collagen production hence ward off fine lines and effects of aging on the skin. This cream is an important part of daily skin care.
U42A	U42A-0020	Use this balm for dry patches, eczema, and diaper rash. This Balm works great for adults too!
U42A	U42A-0029	The botanicals (Including Lavendar, Chamomile, Green Tea, Nettle, Chickweed, Slippery Elm, Milk Thistle, Marshmallow, Oatstraw and algae) in this cream helps to normalize oily skin types.
U42A	U42A-0004	For your hands and body during those harsh winter months or for skin that needs a protective moisturizing layer. Cocoa Butter naturally gives it a pleasant chocolate smell.

MLJL	MLJL-0017	Apply this gentle healing balm, to help soothe skin irritations and nappy rash.
MLJL	MLJL-0016	Pamper yourself and keep your skin supple during pregnancy by using this nourishing butter daily.
MLJL	MLJL-0009	A thick, rich butter perfect for dry or weathered skin or as an after-shower treat for the whole body.
BOPR	BOPR-0006	A pure healing oil perfectly compatible with your baby's skin. Gently rub it in after the bath for extra moisturizing. Our product can also be used to help cleanse and protect the diaper area and for cradle cap.
BOPR	BOPR-0017	A pure healing oil perfectly compatible with your baby's skin. Gently rub it in after the bath for extra moisturizing. Our product can also be used to help cleanse and protect the diaper area and for cradle cap.
BOPR	BOPR-0025	Cocoa and Shea Butters combine with Olive and Jojoba to make a light, soothing total body balm good for after bath and shower, after sun, or for dry skin anywhere on the body, any time of year. Bali Balm is a winner when it comes to conditioning and soothing your sun, wind, and weather dried skin.
BOPR	BOPR-0024	There comes a time in everyone's life when the thought occurs to him or her, "Why not make more truly extraordinary balms with pure, joyous fragrances and positively delectable formulations?" And so we have. But these formulas were so inspiring and so absolutely delicious that we had to turn them into Body Butters.
BOPR	BOPR-0028	Badger is the best stuff for your cracked, chapped, rough and weathered skin. It has the mild, wintergreen-like scent of Sweet Birch, which has been traditionally used as an antiseptic, a muscle rub, and as a healing agent for skin problems like psoriasis and eczema.
BOPR	BOPR-0004	Is certainly not a medicine or a drug. If you are ill, seek professional assistance. Is a natural herbal preparation that works by supporting your body's ability to heal itself.

GG8G	GG8G-0003	A deep-penetrating oil which packs a potent Ayurvedic punch. Full of natural vitamins, minerals and antioxidants, this is a hard-working blend of oils: carrot (beta carotene), sunflower & wheatgerm (vit. E), sesame (vits. A, B, E and calcium) and sweet almond (nourishing). Use to moisturize after a shower. Can be heated for massage. Great against stretch marks. Gentle enough for the face. Contains Pure Plant oils of: sesame seed, wheat germ, sunflower, carrot, sweet almond; oils of: rosemary, anethi, thyme, lemon, cinnamon; tocopherol acetate	
GG8G	GG8G-0008	Our Body Blend Silky, sensuous, vitamin-smoothie with mango, coconut, coriander, vetiver, and honey. Long lasting moisture that silkens skin without leaving it feeling greasy. Smells wonderful too. Vegetarian Contains herbal infusion of vetiver, coriander, coconut oil, sesame oil, steareth-2, glyceryl monostearate(from soy oil), cetyl alcohol(from cocnut oil), raw honey, mango oil, blend of valerian root, jataamansi(Nordostachys jatamansi)& costus(Sassurea lappa) oils; propylene glycol, methylparaben, propylparaben.	
GG8G	GG8G-0004	Nourish and replenish dry/sensitive skin to make it look younger, silkier, smoother. Vegetarian Contains Aquaeous extracts of: dandelion, kulanjan, sandalwood and rose; oils of: sanfalwood, rosemary, lavender and rose in sunflower oil; emulsifying wax, glyceryl monostearate, vegetable glycerine, honey, triethanolamine, methyl and propyl paraben	
JP9I	JP9I-0001	As one of our best selling products, this is the most amazing moisturizer you will ever try. This thick "butter" is loaded with tons of nourishing ingredients that will make your skin the softest it has ever been. All ingredients are derived from botanical products. No animal products or mineral oil are present. No materials have been tested on animals.	
BN1N	BN1N-0001	Skin care lotion	
Shaving Products	M234	M234-0002	Our shaving soap is specially formulated to give you a close smooth shave and leave your skin soft and moisturized. It has cinnamon essential oil to make your hairs stand up for a close shave. Sweet orange, and tree essential oils are added to soothe your skin and help keep your tender skin from breaking out after shaving. Finally shea butter and glycerin are added to protect your skin from your razor. Men and women both love this soap.
	B94P	B94P-0013	A light, lubricating gel formulated with organic aloe vera for sensitive or irritated skin. Provides good razor-slip for a close, smooth shave with organic safflower and guar. Organic emollients protect against razor-burn, nicks and cuts whilst softening and soothing the skin. Coming in a large 250ml size, this gel is Made in Australia and is certified organic by ACO.
	K2V1	K2V1-0055	This eco-friendly set includes one Shaving Soap, a hardwood shaving bowl, and a matching natural bristle starter brush, in a rugged burlap drawstring gift bag. The perfect gift for Dad or that special guy.

J438	J438-0012	I created my shaving soaps to soften your beard and sooth your skin; no razor burns, no irritation. Hand milled with very mild and gentle ingredients such as aloe vera, wheatgerm, chamomile, white clay, and vitamin E. These bars have a rich, silky lather and are available in six wonderful fragrances. The round 3" x 1¼" bars fit perfectly in the tin shaving cup. Great for you ladies, too!
CN9R	CN9R-0059	The Action: To Shave and Moisturize. A combination of Eucalyptus and Peppermint Oils stimulate skin and lift beard hairs. Wheat Protein mositurizes and tightens. Licorice evens skin tone.
CN9R	CN9R-0012	Objective: Stop the suffering. Extinguish the fire of scraping your skin with steel blades. Cool it, man. Strategy: A greaseless emulsion of natural plant extracts. Your skin absorbs it real fast. Allantoin to soothe, benzocaine to help relieve razor burn, aloe vera to heal and a bunch of vitamins to nourish - A, C & E. Why it Works? Topical anesthetic, eases shaving irritation and calms the skin.
CN9R	CN9R-0005	Objective: Eliminate impurities, tighten pores, control shine. Convenient and quick. Strategy: Freshen and calm with witch hazel, aloe, and citrusmint essential oils. Azeloglicina helps leave skin matte but hydrated Why it Works? This astringent, toning formula uses a combination of alcohol and witch hazel to help eliminate impurities, tighten pores and control shine. A special blend of ingredients has a healing and calming effect, creates a soft, toned skin with oil control. Leaves skin matte but hydrated.
CN9R	CN9R-0052	Objective: Gives a shot of confidence, be cool, calm and collected. Strategy: Shave Cream with vitamins, aloe, squalene, and glycerin softens your beard and makes your razor glide. Prmotes a smoothe shave. Lightly scented with your favorite scent that refreshes but never overpowers.
CN9R	CN9R-0011	Objective: Maintain your edge. Strategy: Vegetable emollients create slip for a smoother, easier shave, kola nut extract and chamomile relieve inflammation, soothe and heal, bisabolol calms and vitamin C helps protect skin from free radicals. Why it Works? Vegetable emollients create slip, razor glides over skin, doesn't tug.
CN9R	CN9R-0051	Objective: Kick starts and send a surge of power through your senses Strategy: Shave Cream with vitamins, aloe, squalene, and glycerin softens your beard and makes your razor glide. Promotes a smoothe shave. Lightly scented with your favorite scent that refreshes but never overpowers.

CN9R	CN9R-0003	Objective: Drive one irritation out of your life. Strategy: A gel complex of glycolic, salicylic and phytic acids gently removes dead skin, helps fight bacteria and frees the hair. Moisturizing and not drying. Willowherb and lavender soothe and calm the skin. In combination these ingredients help prevent ingrown hairs.
CN9R	CN9R-0006	Objective: Only you can prevent facial fires. Strategy: You want oil? We got oil-olive oil, essential oils of eucalyptus, peppermint and rosemary combined with conditioning vitamin E and healing calendula, Slick! Why it Works? Blend of lightweight essential oils, softens the beard and prepares the skin for shaving. Helps prevent razor burn, especially good for those with heavy beards or those prone to razor bumps and in grown hairs.
CN9R	CN9R-0013	Objective: Don't look so irritated Strategy: Marshmallow and aloe vera reduce redness and stinging, chamomile and St. Johns Wort relieve irritation and inflammation, ginseng and vitamins A, C, and E nourish and protect skin. Why it Works? A lightweight emulsion that moisturizes, soothes skin and calms razor burn. Helps relieve redness and stinging. The lotion is enriched with essential oils, vitamins and herbal extracts to help rejuvenate mens skin. Helps ease shaving irritation.
CN9R	CN9R-0008	Objective: A smooth shave; for the first time in your life, a truly smooth shave. Strategy: Lightly coat face with smooth stuff: eucalyptus oil to heal, squalene to lubricate, aloe vera gel to soothe, an infusion of hops (do not drink) to relax, a bunch of vitamins to nourish-A, B5, C and E. Why it Works? Natural moisturizing oils soften and lubricate the beard, helps provide a close shave. No Benzocaine so you can't over-shave. Shave Cream washes easily off the blade
CN9R	CN9R-0014	Objective: A smooth shave; for the first time in your life, a truly smooth shave. Strategy: Lightly coat face with smooth stuff: eucalyptus oil to heal, squalene to lubricate, aloe vera gel to soothe, an infusion of hops (do not drink) to relax, a bunch of vitamins to nourish-A, B5, C and E. Why it Works? Natural moisturizing oils soften and lubricate the beard, helps provide a close shave. No Benzocaine so you can't over-shave. Shave Cream washes easily off the blade
CN9R	CN9R-0010	Objective: Enjoy shaving. Strategy: Aloe beads soothe, glycerin lubricates, sea kelp prevents inflammation, slippery elm soothes. Why it Works? Aloe Vera softens and soothes sensitive skin, helps protect and moisturize.
CN9R	CN9R-0053	Objective: Brings clarity to the mind, unleashes your goodness Strategy: Shave Cream with vitamins, aloe, squalene, and glycerin softens your beard and makes your razor glide. Prmotes a smoothe shave. Lightly scented with your favorite Anthony scent that refreshes but never overpowers.

CN9R	CN9R-0054	Objective: Empowers you to warm up your emotions and melt hearts. Strategy: Shave Cream with vitamins, aloe, squalene, and glycerin softens your beard and makes your razor glide. Promotes a smooth shave. Lightly scented with your favorite Anthony scent that refreshes but never overpowers.

LEO5	LEO5-0122	Get a close, smooth shave with comfort. Rich conditioners-including peppermint, lavender and aloe-cushion skin and provide easy razor glide. Helps prevent nicks, dryness and irritations. Also contains coconut-derived glycerin.
LEO5	LEO5-0053	Cooling menthol formula invigorates with certified organic rosemary and peppermint. Coconut-derived moisturizers cushion skin for easy razor glide and a close, smooth, friction-free shave. Also contains menthol, natural bisabolol, and certified organic lavender and marjoram
Y22Y	Y22Y-0031	This creamy shave gel helps you shave less often, while helping to prevent shaving irritation, so your skin stays softer, smoother longer. It's unique formula with natural soy and rich emollients immediately softens and conditions hair, making it easier for you to get a closer shave so you can shave less often with continued use. The clean-rinsing formula hydrates, moisturizes, and soothes skin to help prevent nicks, cuts, and even razor bumps. And, it's even gentle enough for sensitive skin.

Y22Y	Y22Y-0030	This rich, lubricating gel is uniquely formulated for sensitive or irritated skin and skin that's prone to razor bumps. Its therapeutic formula provides a close, smooth shave with less irritation and protects against razor burn, nicks and cuts. The rich, foaming gel combines natural oatmeal and allantoin to soothe easily irritated skin and has a special blend of moisturizing lubricants to rehydrate skin and reduce dryness. Shaving as directed with Therapeutic Shave Gel can significantly reduce the incidence of razor bumps.
Y22Y	Y22Y-0029	This uniquely formulated shave gel helps to calm and soothe red, dry, irritated or sensitive skin. The nourishing formula contains naturally calming Feverfew-an ingredient known for its soothing properties, and leaves skin feeling moisturized and calm long after shaving.
O369	O369-0022	Finally, an aftershave that doesn't sting, smell too strong or feel goopy. Made with gotu kola extract that helps strengthen skin tissue, soothes, cools and heals just shaved skin while acting as an anti-inflammatory. Antioxidant vitamins A, C & E deeply penetrate the skin and help to heal damage inflicted by stress and the environment. The oil free formula is especially beneficial for those with oily skin.
FYHJ	FYHJ-0012	Avocado oil is highly therapeutic and is easily absorbed into the skin. It will moisturize, condition and soften the beard. It is combined with Shea Butter Olive and Coconut oils to give a rich and creamy lather that will have him shaving twice a day!
P990	P990-0003	A variety of brands of soap, many that are vegetable oil based like this one: Moisturizing shaving soap with a rich lather and a cool light fragrance. Glucerin, karite butter and luzenac talcum (to fight razor irritation) are blended in a smooth vegetable base with essential oils of linden and vervain.
Y191	Y191-0065	Ingredients: Sesame Oil, Jojoba Oil, Vitamin E, Bay Rum, Blue Chamomile & Lavender Essential Oils. A light sesame based oil for conditioning the beard as well as conditioning the skin.
Y191	Y191-0017	Distilled Water, Organic Aloe Vera, Sesame Oil, Shea Butter, Jojoba Oil, Vitamin E, Xanthum Gum, Bay Rum, Chamomile Blue, & Lavender Essential Oils and Pearl Mica. A rich creamy shaving gel that conditions the skin leaving it soft and pliable for shaving. The pearl mica acts as an exfoliant to help rid the skin of excess flakes and dead skin.
Y191	Y191-0063	Ingredients: Aloe Vera, Witch Hazel Extract, Glycerin, Bay Rum, Blue Chamomile & Lavender Essential Oils. A cooling aftershave gel that soothes your skin and leaves you feeling refreshed.

OTCS	OTCS-0001	For us, natural grooming is about caring as much about what you put on your skin as what you eat. You will never find Parabens, Sodium Laureth Sulfate, artificial colours or synthetic fragrances in any of our products.
G3B5	G3B5-0001	Our company is proud to present its very own, highly researched and long anticipated shaving cream. Formulated to our specifications with organic compounds, this premium shave cream produces an explosion of thick creamy lather infused with botanical extracts to soothe and nourish the delicate skin of the face while providing a cushioning of dense lather and lubrication for a close cutting shave.
G3B5	G3B5-0017	Made from 100% natural "All-Vegetable" ingredients for the mildest, most irritation-free shaving experience ever. This product contains no heavy or flowery scents for an all natural, clean and refreshing shaving experience. The very hard soap cakes will last a month or more in daily use and produce loads of rich moist lather each and every shave. A truly remarkable product!

G3B5	G3B5-0021	Post shave moisturizer for men, Alcohol Free, Soothing Formula. WHAT IT DOES: Hydrates, soothes and protects skin as it combats the serious dryness caused by daily shaving. INGREDIENTS: Water (Aqua), Cyclomethicone, Glycerin, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Allantoin, Aloe Barbadosis Leaf Extract, Benzophenone-4, Butylene Glycol, Carbomer, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Menthol, Methyl Gluceth-20, Polysorbate 80, Tetrasodium EDTA, Triethanolamine, Butylparaben, Ethylparaben, Isobutylparaben, Methylparaben, Phenoxyethanol, Propylparaben, Fragrance (Parfum), Green 5 (CI 61570).
G3B5	G3B5-0011	Easy Glide Soothing Formula WHAT IT DOES: Provides a protective cushion between the skin and razor, for a close shave without redness or irritation. Antiseptic and botanical extracts refresh and soothe skin. INGREDIENTS: Water (Aqua), Stearic Acid, Glycine Soja (Soybean) Oil, Sodium Cocoyl Isethionate, Triethanolamine, BHT,Hydroxypropyl Guar Hydroxypropyltrimonium Chloride,Melaleuca Alternifolia (Tea Tree) Leaf Oil,Menthol, Mentha Piperita (Peppermint) Oil, Zinc Stearate, Butylparaben, DMDM Hydantoin, Ethylparaben, Isobutylparaben, Methylparaben, Phenoxyethanol, Propylparaben.
G3B5	G3B5-0020	This alcohol free formula uses Witch Hazel which has instant soothing properties and is a gentle astringent to close the pores. This is blended into a light moisturizer which is absorbed rapidly into the skin and doesn't leave a sticky residue. The essential oil is used at its optimum level to be effective, not just to sound good on the packaging. These balm's moisturizing properties also make it ideal to use as a night-time skin food. Please choose from one of these four fine formulations: Lavender Essential Oil for sensitive skin & skin prone to razor burn. Lime Essential Oil for skin prone to nicks & cuts. Cedar wood and Sandalwood Essential Oils a natural antiseptic for all skin types. 1445 a light fern and grass scent in a rich resin scented base.
G3B5	G3B5-0003	Inspired by the beauty of the countryside, and the plants and flowers growing in the estate, Lord Malcolm Forbes and his wife, Jinny, have created from their own perfumery in the castle grounds a collection of fragrances, shaving creams, and oils, which emulate the history of their clan. Please choose from one of these fine formulations: Lavender Essential Oil for sensitive skin & skin prone to razor burn. Lime Essential Oil for skin prone to nicks & cuts.

G3B5	G3B5-0004	This company has broken the mould and created a water soluble Pre-Shave. They have created a non-oil based formulation to protect the skin, and swell the hairs whilst allowing the razor to glide smoothly across the face and over any bumps and imperfections. An unexpected side effect is that using this Pre-Shave speeds up the whole shaving process! The essential Oils' real benefits are delivered in the Shaving Cream and Aftershave Balm, so, the Pre-Shave has been left "unscented" and made with rich Aloe Vera, Vitamin E, extracts of Citrus and Chamomile for their skin regenerating, soothing, and antiseptic properties.
G3B5	G3B5-0002	Our Scuttle Soap is made exclusively for us, to our exacting specifications, using only the finest available natural ingredients. Starting with Virgin Olive Oil and the Highest Quality Essential Oils, and Bentonite Clay, right through to the Hand Molding and Wrapping. We've spared no expense and cut no corners to produce the finest Quality Shaving Soap.
G3B5	G3B5-0018	Lather up and let loose. This rich creamy formula softens the beard for a clean, close shave. Missed a spot? No problem. Massage with water and just like that, the soothing cream is reactivated for another round. When you're ready for the smoothest shave possible, take a second swipe. Skin never felt this soft.
G3B5	G3B5-0019	When ultimate smooth is essentia! This shave gel goes on smooth greatly reducing the chance of nicks or irritation. Our essential oil rich formula moisturizes while giving your razor great glide. A super smooth shave, and you're ready for a close encounter.
G3B5	G3B5-0031	This Aftershave is a naturally pure organic lotion with no artificial coloring, fragrances, or synthetic enhancers of any kind. Double Distilled and Blended by Hand according to a 300 year-old formula in Dominica, the Nature Island of the Caribbean. The art of making authentic quality Bay Rum lies in the masterful blending of the purest of alcohol, exotic herbs and spices, and the leaf extract from the Bay Tree. (Laurus Nobilis)
G3B5	G3B5-0032	This Aftershave is a naturally pure organic lotion with no artificial coloring, fragrances, or synthetic enhancers of any kind. Double Distilled and Blended by Hand according to a 300 year-old formula in Dominica, the Nature Island of the Caribbean. G3B5	G3B5-0008	This shaving TREATMENT, based on Usnea Barbata-A potent Natural Antiseptic and Moisturizer-And Pure essential oils and vitamins, is specially formulated for sensitive skin or for those gentlemen prone to bumps and ingrown hairs. Combining the protective properties of our Pre-shave Oil with the restoring effects of this shaving TREATMENT acts as a completely natural daily Facial Mask for Men's Skin.
G3B5	G3B5-0009	Our pre-shave oil is specially created to prepare and protect particularly sensitive skin by softening facial hair and reducing friction while shaving. Its unique formula, enriched with Sunflower, Avocado, Meadowfoam, Tangerine, and Grapefruit Pure Essential Oils and Vitamins C&E, prevents razor burn and provides a very close shave while helping to protect and revitalize the skin, restoring it to perfect health.
G3B5	G3B5-0029	With its ultra soothing and healing combination of ingredients, this is the perfect after shave balsam for sensitive or irritated skin. Almond and Jojoba oils act like a treatment for dry and damaged skin, while shea butter and marshmallow soothe and protect. Echinacea stimulates the skins own healing process while 100% natural beeswax forms a micro thin shield to protect skin from the elements. After shaving, apply a thin layer to the face where shaving has just taken place. May also be used as a pre-shave lotion: Apply liberally to clean, dry skin before applying shave foam.
G3B5	G3B5-0028	This updated formulation of our Classic Fragrance (a blend of vetyver and patchouli) has been enhanced with extract of aloe to soothe and calm, hamamelis (witch hazel) to tone and firm and echinacea to promote healing of just-shaved skin. Excellent for sensitive skin.
G3B5	G3B5-0014	This Real Shaving Cream is a Rich Lathering Cream that can be used either with a brush or brushless, applied by hand. The natural base of Lanolin and Glycerin softens and moisturizes your beard, allowing the blade to come closer to your skin for a closer, smoother, longer lasting shave yet lubricates and protects from razor burn and irritation.
G3B5	G3B5-0015	This large rustic bar is made especially for cleaning the face before shaving. This glycerin soap contains lime oil to refresh the face, castor oil to soak and soften whiskers before shaving, and a trace of alcohol to remove the dirt which restricts razor glide.
G3B5	G3B5-0030	After Shave Balm is an Elegant "Alcohol Free" after shave formula rich in Witch Hazel and Alantoin that tones, conditions, and moisturizes the skin.

G3B5	G3B5-0016	"Original" (Green) Eucalyptus, Menthol, and Glycerin based shaving cream will transform your daily shave into an event to look forward to. Its tingle will invigorate you and its quality ingredients will provide a close shave without irritation. "Wheat Germ" (Red) shaving cream contains wheat germ oil and is formulated to protect and lubricate the most sensitive skin. Permits a closer and smoother shave than ever before possible for those who need or want a gentler shave.
G3B5	G3B5-0024	Our Alcohol-Free aftershave cream contains honey, wheatgerm, and avocado oils to nourish and moisturise all skin types. Refreshes and tones, particularly after shaving.
G3B5	G3B5-0025	This Alcohol-Free aftershave balm/gel contains witch hazel, aloe vera, and allantoin as moisturizers and soothing agents. Formulated in our most popular Signature Collection fragrances to compliment other toiletries used.
G3B5	G3B5-0026	The perfect finish to the perfect shave is a fine Aftershave Lotion. There is none finer than our Signature Collection of Aftershave Lotions. Blended from the finest of pure essential oils, herbal aromatics, alcohol and offered in the most popular of our fragrances.
G3B5	G3B5-0013	Only the highest grade and purest of all-natural emollient and essential oils are used for superior performance.
G3B5	G3B5-0027	Our After Shave formula is three time the strength of our other products. Size: 4 oz. Bottle Ingredients: Proprietary blend of Witch Hazel, purified water, Aloe Vera, natural Witch Hazel fragrance, and Natural Grain Alcohol.

G3B5	G3B5-0022	Our aftershave balms are formulated with lanolin and aloe vera extract to soothe and moisturize the Skin. Trafalgar owes its name to one of the most celebrated naval engagement in European history - the battle of Trafalgar. The overwhelming British victory destroyed Napoleon's plan to invade England and helped to secure the British naval supremacy for years to come. This captivating, spicy yet fresh wood fragrance, which is both daring and sophisticated, was created for men who, very much like the hero of Trafalgar, tackle life's little problems with great gusto! West Indian Limes, a fragrance which beyond any doubt belongs to English Classics, is a rich, refreshing and zesty citrus blend with top note of Citrus, Litsea Cubeba, Lemon, Orange and Lime enveloping its floral heart of Orange Blossom, Lilac and Rose and resting on a bed of Oakmoss. Grafton, This Classical, woody fragrance with spicy oriental notes. A truly sophisticated fragrance for of distinction with top notes of Lavender, Lemon, and Basil, a heart of Wood, Cedar, Incense and Rose and a base of Patchouli, Sandal, Tonka, Amber, and Musk. 1805, is a light, classical and yet thoroughly modern fragrance in which top notes of Cypress, Bergamot, Cardamom and Tangerine gently embrace its heart of Clary Sage, Nutmeg, Lavender as well as Geranium and rest on the base notes of Musk, Vetiver, Sandalwood and Cedar.
G3B5	G3B5-0023	Three highly effective moisturizing and healing agents Alcohol free This Balm gives new meaning to the term "ultimate comfort" We chose this formula for what it's not. It's not inflammatory, it's not irritating and it contains no dehydrating isopropyl alcohol. Here's what it is: anti-bacterial, pore-closing, moisturizing (aloe and lanolin), soothing and protective. A perfect way to end your shave and start your day.
G3B5	G3B5-0010	PRE-SHAVE OIL 10 Essential Oils Smoother, less irritating shave Rinses easily Won't clog pores Use before Shaving Cream
G3B5	G3B5-0012	This shaving cream is the very definition of Luxury! The fragrances are rich and full, though not overpowering and add a whole new dimension to your daily shaving regimen. Presently available in your choice of Lavender, Sandalwood, Sicilian Lime, or Persian Musk. Ingredients: Aqua (Water), Stearic acid, Myristic acid, Potassium hydroxide, Coconut acid, Glycerin, Triethanolamine, PPG-15 stearyl ether, Parfum (Fragrance), Sodium lauroyl sarcosinate, Sodium hydroxide, Linalool, Aloe barbadensis (Aloe barbadensis gel), Methylparaben, Propylparaben, Citronellol, Geraniol, Limonene, Ethylparaben, Butylparaben, Isobutylparaben, Coumarin, Benzyl benzoate, Eugenol, Citral, Potassium sorbate, Cinnamal, Citric acid, Sodium Benzoate, CI 42090 (F D & C Blue 1), CI 17200 (D & C Red 33).

G27U	G27U-0012	Rich-lathering formula with Vitamin E, conditions skin and helps protect against razor burn and irritation. Leaves skin scented with a refreshing blend of ginger, citron and bamboo.
G27U	G27U-0013	For a truly luxurious shave, we recommend using our rich shaving creams and a natural badger hair brush. Leaves skin feeling ultra smooth and scented with a refreshing blend of ginger, citron and bamboo.
G27U	G27U-0014	For a truly luxurious shave, we recommend using our rich shaving creams and a natural badger hair brush. Leaves skin feeling ultra smooth and scented with warm sandalwood – a prized aromatic for over 4,000 years.

JA32	JA32-0237	Formulated with aloe to gently soothe, and deliver the level of comfort and protection you need for healthy looking skin. Provides an incredibly close, smooth, comfortable shave.
JA32	JA32-0242	Formulated with aloe to gently soothe, this gel enhances razor glide for a close, smooth, comfortable shave and delivers the protection & comfort you need for healthy looking skin.
JA32	JA32-0345	Prevents and eliminates ingrown hairs, wherever they may be. Head & Scalp Face & Neckline Sensitive Areas Ingredients: SD Alcohol 39C, Water (Aqua), Propylene Glycol, Methylpropanediol, Ethyldiglycol, Zinc PCA, Cinnamomum Camphora Leaf Extract (Camphor), Hydroxypropyl Methylcellulose, Fragrance (Parfum), Camellia Sinensis Leaf Extract (Green Tea), Camphor
JA32	JA32-0257	This product is different from whipped-cream style foams and gels. It's a pre-shave, shave cream and skin moisturizer, all in one. The lightweight formula provides a thin, lubricating layer to hold in moisture so the blade glides easily through your whiskers, helping to prevent razor burn. Eucalyptus and peppermint stimulate skin while jojoba and macadamia nut oil penetrate below the surface to soften new whisker growth for an easier, closer shave. The transparent lotion lets you see where you're shaving for fewer nicks and cuts. It rinses easily and won't clog your blade.
JA32	JA32-0316	A nourishing blend of organic grape and pomegranate juices and replenishing pomegranate seed oil combine for a rich foaming shave that will leave skin smooth, silky and hydrated.

JA32	JA32-0284	This Shaving Cream features our technology with an ingredient which acts like a micro-thin layer of ball bearings, virtually eliminating drag thus giving optimum razor glide. Actives include essential oils, soothing Aloe Vera & Vitamin E. Rich low foam formula. So you see where you're shaving. Ideal for shaping sideburns, goatees and for avoiding problem areas. Dermatologically tested, pH balanced and fragrance free makes this ideal for sensitive skin. Ingredients: Water, Stearic Acid, Aloe Barbadensis Leaf Juice, Helianthus Annuus (Sunflower) Seed Oil, Glycerin, Propylene Glycol Stearate, Glycol Stearate, Glycereth 26, Triethanolamine, Dimethicone, Eucalyptus Globulus Leaf Oil, Mentha Viridis (Spearmint) Leaf Oil, Cinnamomum Camphora (Camphor) Bark Oil, Menthol, Tocopherol, PEG 90M, Nylon 12, Limonene, Tetrasodium EDTA, Phenoxyethanol, Methylparaben, Propylparaben, Yellow 5 (CI 19140), Blue 1 (CI 42090)
JA32	JA32-0303	Advanced silicone based formula helps protect and moisturize your skin whilst giving superlative razor glide. The result is a smooth, pain free shave. Ideal for sensitive/extra sensitive skin Clear formula allows you to see exactly where you're shaving. Up to 100 shaves from one bottle. JA32	JA32-0306	An ingredient-rich cream that ensures a close shave by helping the razor glide on the skin. Absinthe shave cream is a brushless, non-foaming preparation and, as it is formulated at a milder pH than lathering creams, it prevents skin roughness. Absinthe extract, rich in essential oils and flavanoids, soothes the skin and protects it from irritation. Contains: Absinthe extract, jojoba oil, vitamin E, Active Aloe®, provitamin B5.

JA32	JA32-0347	Natural marine minerals, silicic acid and organic horsetail leave skin feeling firm and refreshed after shaving Organic calendula, witch hazel and echinacea essences soothe and gently disinfect the skin Ingredients: Water (Aqua), Alcohol (*), Caprylic/Capric Triglyceride, Glycerin, Glycine Soja Oil (Soybean *), Hydrogenated Palm Glycerides, Stearic Acid, Simmondsia Chinensis Seed Oil (Jojoba *), Prunus Amygdalus Dulcis Oil (Sweet Almond *), Hydrogenated Lecithin, Tocopheryl Acetate, Xanthan Gum, Chondrus Crispus, Lysolecithin, Sea Salt, Hydrated Silica, Equisetum Arvense Extract (*), Calendula Officinalis Flower Extract (*), Hamamelis Virginiana Water (Witch Hazel *), Echinacea Purpurea Extract (*), Aloe Barbadensis Leaf Juice (*), Butyrospermum Parkii (Shea Butter *), Lecithin, Tocopherol, Brassica Campestris Sterols (Rapeseed), Ascorbyl Palmitate, Fragrance (Parfum **), Citral (**), Eugenol (**), Geraniol (**), Limonene (**), Linalool (**) * ingredients from certified organic agriculture ** natural essential oils
JA32	JA32-0343	We have developed a patented complex with a base of Cade - wild juniper - essential oil in response to the specific needs of men's skin: Purifying: it regulates the secretion of sebum and prevents the spread of bacteria Stimulating: it fortifies and protects the skin from external irritants Enriched with a complex of Cade essential oil, nourishing shea butter and firming extract of silver birch sap, this balm: Soothes the skin immediately, preventing redness and feeling of tightness Moisturizes* and softens the skin Fortifies and protects the epidermis from daily irritants (air conditioning, pollution, sun and cold) Its light and fluid texture is quickly absorbed without leaving a greasy film on the skin.
JA32	JA32-0296	Purifying and stimulating, Wild Juniper essential oil is extracted from a precious wood of Provence. This cream transforms itself into a luxurious mousse. A complex is combined with nourishing shea butter and moisturizing* glycerine to ensure a smooth shave. It leaves skin clean and smooth.
JA32	JA32-0299	Shaving Cream (5.2 oz/150 ml) ~ This cream transforms itself into a luxurious mousse. A complex is combined with nourishing shea butter and moisturizing* glycerine to ensure a smooth shave. It leaves skin clean and smooth. After Shave Balm (2.5 fl oz/75 ml) ~ Enriched with a complex of essential oil, nourishing shea butter and firming extract of silver birch sap, this balm: Soothes the skin immediately, preventing redness and feeling of tightness Moisturizes* and softens the skin Fortifies and protects the epidermis from daily irritants (air conditioning, pollution, sun and cold)

JA32	JA32-0333	This powerful, soothing formula helps strengthen your skin's natural defense against daily aggressions. Results: less irritation from shaving, less tightness, more comfort. OG25	OG25-0030	<p>Jojoba and macadamia nut oil help prepare your beard by penetrating and softening whisker growth. The lightweight formula provides a thin, lubricating layer to hold-in moisture so the blade glides easily through your whiskers, while eucalyptus and peppermint refresh your skin. This means an easier, smoother shave, and less razor burn. The unique see-through texture lets you see your face while you're shaving, helping to prevent nicks and cuts (its also great to shave around the line of facial hair, such as side burns or a mustache.) And, it won't clog your blade, because it's super light and rinses easily. Fragrance-free. Colorant-free. What's in it? Macadamia Nut Oil, Jojoba Oil and Glycerin provide a lubricating, protective cushion Peppermint, Eucalyptus and Menthol refresh and revitalize skin Heather helps calm and soothe skin</p>
OG25	OG25-0009	<p>This lightweight, non-greasy balm provides superior skin conditioning for less irritation and an easier shave. Witch Hazel acts as an astringent to prep the beard, while Lavender and Oat Kernel Flour soothe skin and help reduce razor irritation. Sunflower Seed Oil and Glycerin help condition skin and reduce razor friction. The soothing formula stiffens and props-up whiskers, resulting in a closer, smoother electric shave. Dries fast, leaving no noticeable residue to clog the razor. Fragrance-free Natural Witch Hazel acts as an astringent to help stiffen and prop-up whisker for a smooth, close shave. Oat Kernel Flour, Lavender and Linseed Extract help reduce shaving friction and minimize shaving irritation. Sunflower Seed Oil and Glycerin soothe and condition skin - leave skin feeling smooth and refreshed without dryness or tightness</p>
OG25	OG25-0031	<p>Our hydrating shaving cream synthesizes natural vitamin e and amino acid proteins to effectively prepare and balance all skin types for a smooth, non-irritating shave. This soothing formula cools and protects without clogging razor; rinsing clean without residue, drying, or stripping. Natural fragrance and color. Easily integrated into daily maintenance and prevention regimen. Select Ingredients. Squalene, vitamin e, and coco butter moisturize. Glycerin and sodium pca hydrate. Chamomile and allantoin soothe and calm. Menthol cools.</p>

OG25	OG25-0058	This After-Shave Balm soothes, refreshes and regenerates the skin after shaving. The Balm is an antiseptic and alcohol-free. Lavender essential oil originated from France, is obtained by steam distillation of the Lavender flowers. Lavender essential oil is recommended for men with normal to sensitive skin. Lavender essential oil possesses antibacterial properties as well as anti-inflammatory and antiseptic ones. In addition to being a pain-relieving agent, lavender essential oil helps in healing wounds, soothing skin irritations and replenishing skin cells. Lavender essential oil has a warm floral scent, like the sweet smell of Provence.
OG25	OG25-0057	This After-Shave Balm soothes, refreshes and regenerates the skin after shaving. The Balm is an antiseptic and alcohol-free. Lemon essential oil originated from California, is obtained by cold pressing the lemon peel. Lemon essential oil is recommended for men with normal to oily skin. Lemon essential oil has antibacterial, astringent, anticoagulant, and antiseptic properties. It cleanses the skin and helps in the rejuvenation of skin cells. In addition to being a soothing agent, lemon essential oil reduces the production of sebum, tightens pores and is high in Vitamin C, which helps boost skin tone. This lemon essential oil line has a pleasantly refreshing citrus scent.
OG25	OG25-0059	This After-Shave Balm soothes, refreshes and regenerates the skin after shaving. The Balm is an antiseptic and alcohol-free. Sandalwood essential oil originated from India, is obtained by steam distillation of the sandalwood roots and barks. Sandalwood essential oil is recommended for normal to dry skin types. Sandalwood is a known natural antiseptic that soothes, moisturizes, and rejuvenates the skin. With antibacterial and healing properties, sandalwood is a natural skin conditioner. ZJVN	ZJVN-0261	We created a collection exclusively for men, specifically to appeal to the refined yet demanding gentleman. This alcohol-free balm has a protective and emollient effect that makes it especially suited for normal to dry skin. Aloe vera gel, grapevine extract, almond and wheat germ oils soothe the skin by reducing the irritation caused by shaving.
ZJVN	ZJVN-0250	Enjoy a close shave each time without nicks and cuts. This alcohol-free foaming gel helps soften stubble, ensuring razor's optimum performance. Soothes and protects skin from irritation with grindelia extract.
ZJVN	ZJVN-0252	Highly concentrated aloe-rich, oil-free gel. Transforms to rich lather. Softens and cushions even the heaviest beards for smooth, close shaves. Contains aloe to help calm razor burn. 4.4 oz.
ZJVN	ZJVN-0251	The ideal product for a precise, comfortable and gentle shave. A rich, tender foam with clove, eucalyptus and peppermint essential oils. Allows for a close shave and leaves skin soothed, fresh and glowing with health. Suitable for even the most delicate skin and stubborn stubble. How to use: Begin by applying our preshave treatment. Shake the shaving foam before use. Hold the aerosol vertically, with nozzle at the top, then spread the foam over damp shaving area. Shave, then rinse with warm water. Dry skin, then apply your post-shaving product.

ZJVN	ZJVN-0257	Post Shave Cooling Gel applied to skin after shaving helps heal irritated skin and alleviate redness. As natural ingredients known for their soothing and anti-inflammatory properties, aloe, chamomile and witch hazel calm the skin and provide immediate, lasting relief from razor burn. Botanicals like sage, camphor and lavender encourage healing and fight bacteria, helping heal minor nicks and cuts. The cooling, non-greasy gel works like a lightweight moisturizer to prevent flaking and dryness. Ingredients. 3 oz. By Jack Black; made in the USA.
ZJVN	ZJVN-0256	This product provides a rich, luxurious lather that lifts whiskers up, away from the skin, for a smooth, ultra-close shave. Our technology, with three protective, hydrating layers of macadamia nut oil, glycerin and soybean oil, allows the razor to glide close to the skin while offering a cushion of protection against razor burn, irritation, nicks and cuts. Leaves skin velvety soft, hydrated and refreshed. How to use: Activate the lather with your fingers or a shaving brush. Key ingredients: Macadamia nut oil to penetrate and work below the skin's surface to soften and hydrate skin. Glycerin to soften, moisturize and protect skin. Soybean oil to smooth and hydrate skin. High content of vitamins A, E, and K and lecithin—a natural emollient and moisturizer. Jojoba oil to soften, moisturize and protect the skin by providing a lubricating, protective cushion. Certified organic sea kelp extract to normalize the skin's moisture content and provide firmness to the epidermis. Certified organic sunflower seed extract to nourish skin and restore suppleness and radiance. Licorice root extract acts as an anti-irritant and a depigmenting agent that inhibits skin discoloration. Lavender oil and chamomile oil for soothing and healing benefits. Dermatologist tested. Fragrance-free, paraben-free, colorant-free. Winner of Men's Health magazine's 'Best New Products of the Year' award, 2008. Ingredients. 3.3 oz.
ZJVN	ZJVN-0255	Unscented for smooth take-offs, this is a superb, full-textured formula for all—even for sensitive or extra-oily skin. Full-bodied, magnificent smooth on, and 'land' with a rich after-feel. You're airborne with this ultimate icy-blue cream, one of three choices in this Formulation. With aloe for sensitive skin. Not tested on animals. Available in a 5 oz. tube or an 8 oz. jar.

Q0X4	Q0X4-0031	<p>Our product soothes and softens your skin for a smooth, comfortable shave. US7V	US7V-0001	Sweet smelling, mild and moisturizing, this crème is different than what you are used to (it doesn't lather) but use it for a month and you'll never switch. Ideal for men and women's needs. Shaving Crème Ingredients- Purified Water, Vegetable Glycerin, Vegetable Fatty Acid, Sorbitol, Cocoa Butter, Canola Oil, Corn Starch, Calcium, Potassium, Rutin, Vitamin E, Sandalwood
J4M5	J4M5-0005	With a rich, creamy formula containing nutrients, antioxidants, the product gives your legs the luxurious feeling you want. Smooth. Sleek. Positively sensational.
FG4S	FG4S-0001	7.75L X 9.375W (CA) Get the smoothest, most comfortable shave experience without the fear of ingrown hairs. Tests prove that our unique formula prevents 75% of recurring razor bumps and ingrown hairs. Blend of Lanolin, silicone and oils protect skin from nicks, pulls, and cuts producing the smoothest, most comfortable shave. Hair is straightened and softened for a close, blunt cut of hair that dries straight to prevent curling.
E8Z9	E8Z9-0053	The difference is clear—this Shave Gel provides unrivaled shaving precision and protection. This transparent formula allows for maximum visibility, so you can easily shape sideburns and facial hair while smoothing and calming the skin. Its unique aloe vera-based blend of natural ingredients soothes and calms the skin, providing seriously smooth results.
E733	E733-0031	Hydrating shaving cream blends natural Vitamin E, cooling menthol and amino acid proteins to effectively prepare all skin types for a smooth, non-irritating shave. Soothing formula cools and protects skin without clogging that razor. Also available in 8.5 oz. pump. Size: 4 oz. Key Ingredients: Squalene, Vitamin E & Coco Butter

E733	E733-0032	Popular shaving cream is now available in larger, easy-to-use pump. Hydrating cream blends natural Vitamin E, cooling Menthol and Amino Acid Proteins to effectively prepare all skin types for a smooth, non-irritating shave. Cools and protects skin without clogging that razor. Also available in 4 oz. tube. Size: 8.5 oz. Key Ingredients: Squalene, Vitamin E & Coco Butter
E733	E733-0068	The perfect two-in-one product for the man trying to cut down on time spent in the bathroom. Works to combat ingrown hairs and redness while it also provides a natural, moisturizing environment for even, toned and balanced skin. Size: 3.25 oz. Key Ingredients: Willow Bark Extract, Hyaluronic Acid
E733	E733-0041	Razor and skin are hardly friends. This indecently rich, non-lathering, 'tough beard' shave cream contains a patent-pending ingredient complex to protect and care for the beard area while preventing redness and irritation. Although it appears to rinse off completely, optimal levels of active ingredients remain on the skin to reinforce the system's effectiveness against signs of aging. Size: 5.5 oz. Key Ingredients: Willow Bark Extract, Panthenol, Vitamins, A,C, & 7 E
E733	E733-0069	Light gel refreshes your skin after shaving. Vitamin E protects from free radicals and nasty environmental factors. Fine oils heal nicks and soften your skin, leaving your face supple. Yes, we said supple. Size: 2.8 oz. Fragrance: Fresh, Light Citrus Scent Key Ingredients: Aloe Leaf Extract, Tree Moss Extract
E733	E733-0061	Luxurious after shave cream is an absolute joy to use (faces all over Italy have told us). Rich mixture combines the soothing elements of an aftershave with the nourishing, regenerating properties of a cream. Nice light touch of the classic Colonia scent does the trick too. Size: 3.4 oz. Key Ingredients: Aloe Vera, Liquorice Extract & Vitamins A,E
E733	E733-0030	Thick cream is ideal for both hand or brush shaving. Comes in a convenient travel size tube, but you need so little, this sucker will last forever. Suitable and ready for even the toughest beards. Scented with classic Colonia, but more importantly, will both protect and moisturize mugs like no other. Size: 2.6 oz. Key Ingredients: Almond Oil, Wheat Germ Oil & Vitamins A,E
E733	E733-0020	A light, creamy gel that immediately becomes a soft, rich foam when lathered. Protects sensitive skin and leaves skin comfortable and purified. Size: 5 oz. Fragrance: Fresh & Clean Key Ingredients: Aloe Leaf Extract, Tree Moss Extract
E733	E733-0064	Superior hydrating balm designed to minimize discomfort and irritation caused by shaving. Soft and relaxing, balm is lightly touched with Intensa scent bringing a dramatic finale to every shave. Size: 3.4 oz Key Ingredients: Aloe Leaf Gel, Vine Extract & Almond Oil

E733	E733-0004	Blend of 12 natural oils lubricates, softens and invigorates skin allowing for a better and healthier shave. Alleviates razor burn or skin irritation. Helps with razor glide and cools skin. Size: 1.7 oz. Key Ingredients: Meadowfoam Oil, Avocado Oil & Eucalyptus
E733	E733-0016	Non-lathering formula provides superior razor glide for a clean, smooth shave each time. Clear gel has a tingling sensation leaving mug feeling smooth and refreshed. Ideal for normal to fine beard types. Size: 5.1 oz. Key Ingredients: Pumpkin Seed Extract, Grape Seed Oil & Vitamin E
E733	E733-0070	A greaseless, quickly absorbed emulsion that moisturizes, soothes and calms razor irritation after shaving. Enriched with essential oils that rejuvenate your face and "put out facial fires." Incredibly soothing. Size: 2.5 oz. Fragrance: None Key Ingredients: Natural Plant Extracts, Allantoin, Benzocaine
E733	E733-0003	A blend of essential oils that soften your beard and prepare it for shaving. Helps prevent razor burn and is especially good for those prone to razor bumps, ingrown hairs and those with heavy beards. Size: 2 oz. Key Ingredients: Aloe Vera, Orange Extract and Vitamin
E733	E733-0084	This is a lightweight emulsion that moisturizes, soothes skin and calms razor burn. Helps relieve redness and stinging with help from ingredients like marshmallow, aloe vera, chamomile and essential oils. Size: 4 oz. Fragrance: None Key Ingredients: Marshmallow, Aloe Vera, St. Johns Wort
E733	E733-0045	A thick cream packed with natural oils that soften your beard, lubricate your skin and provide a closer shave. Designed to easily wash off your blade. Size: 6 oz. Fragrance: None Key Ingredients: Eucalyptus Oil, Squalene, Aloe Vera
E733	E733-0018	Makes shaving sensitive skin easier by providing extra glide for your razor and tons of moisture for your face. Aloe Vera beads and Slippery Elm help soften and soothe even the touchiest skin types. Size: 8 oz. Key Ingredients: Aloe Vera, Glycerin, Sea Kelp
E733	E733-0085	Designed for men of color or anyone who suffers from consistent shaving irritation, this alcohol-free, fragrance-free lotion dramatically reduces razor bumps, redness and other shaving irritations. Glycolic acid and chamomile work to soothe and nourish your "mug" while keeping it baby soft. Size: 3.4 oz.
E733	E733-0034	This thick shave cream is formulated with beard-softening agents to help reduce shave bumps. Unique botanical extracts help prevent irritation and soothe the skin, while glycerin hydrates and nourishes the skin. Available in 2 oz. travel size. Size: 6 oz. or 2 oz. Key Ingredients: Glycerin, Coconut Acid & Boswellia Serrate

E733	E733-0071	Post-razor dryness and irritation won't just disappear. Or will they? Glycerin and organic silicones combine with allantoin to remove dryness, irritation, razor burn and other not-so-nice elements from your shaving routine. Size: 4 oz. Key Ingredients: Glycerin, Tea Tree Oil, Menthol
E733	E733-0086	Is your skin flaring up like the 4th of July? This innovative mix of salicylic acid and witch hazel remove that itchy, irritated feeling. Live to fight the un-satisfactory shave another day! Size: 1 oz. Key Ingredients: Witch Hazel, Salicylic Acid, Aloe Vera Gel
E733	E733-0046	And some people think a 'close shave' is a negative thing. Take the necessary precautions in preventing razor burn and breakouts by putting a layer of antiseptic tea tree oil and soothing menthol between the blades and your mug. Ahhhh, much better. Now available in a 5 oz. tube or 8 oz. jar. Size: 10 oz. Tube Key Ingredients: Peppermint Oil, Rosemary Extract, Menthol
E733	E733-0047	Naturally moisturizes sensitive skin as it softens facial and body hair. Expect an extremely smooth, close shave with this one. Size: 6 oz. Fragrance: Fresh clean scent Key Ingredients: Jojoba Oil, Burdock Root, Chamomile, Aloe Gel
E733	E733-0072	Dramatically reduces skin irritation due to shaving, ingrown hairs and waxing. Silicone enhanced aloe gel builds a silky film over the contact area while soothing marine botanicals heal raw skin. Size: 3.4 oz. Fragrance: Cool, Minty Scent Key Ingredients: Witch Hazel, Tea Tree Oil, Menthol
E733	E733-0021	Great to use on the mornings when you don't have five minutes to shave. The lubricant formula helps your razor glide effortlessly. It bonds with water, adds slickness and delivers the closest shave possible. Size: 6 oz. Key Ingredients: Jojoba Oil, Wheat Amino Acids
E733	E733-0057	A light, alcohol-free lotion that soothes and repairs even the most sensitive skin. Helps skin quickly recover from the daily grind of shaving, leaving dermis smooth, soft and refreshed. Rehydrates the beard and gradually reduces its sensitivity to shaving. Size: 2.7 oz. Key Ingredients: Purslane, Shea & Marula
E733	E733-0079	Super-hydrating balm provides instant hydration and comfort to freshly shaved skin. Helps soothe razor burn and also helps to tone and firm the skin. Asan added bonus, it protects against pollution. Size: 1.7 oz. Fragrance: None Key Ingredients: Papaya, Lemon & Olive Leaf
E733	E733-0080	Lightweight gel replenishes skin with moisture, vitality and tone. Soothes razor burn and other discomforts. Can also help soften the beard for an easy shave. Size: 1.7 oz. Fragrance: None Key Ingredients: Papaya, Lemon & Olive Leaf

E733	E733-0014	Innovative two-in-one shaving product can be used under any shaving cream or gel to soften the toughest beard or alone for a smooth, fast shave. Helps battle razor irritation as it comforts and soothes sensitive skin. Size: 1.0 oz. Key Ingredients: Eucalyptus, Mint
E733	E733-0023	Refreshing, foaming shave gel ensures a smooth shave everytime. Lays down a protective barrier that helps prevent nicks, cuts and annoying razor irritation. Rich in energizing plant extracts, it produces great results on even the most sensitive skin. Size: 5.25 oz. Key Ingredients: Chamomile, Bison Grass
E733	E733-0082	Soothing serum is designed to reduce redness and irritation caused by shaving. Fermented wine extracts, along with a unique antioxidant complex heals, protects and nourishes. Size: 1 oz. Key Ingredients: Vitamin C, Vitamin E, Green Tea & Ginseng
E733	E733-0050	Designed to provide the closest shave possible, this rich moisturizing cream is formulated with free-radical fighting antioxidants and natural extracts to protect, nourish and soothe. It's really "grape" stuff. Size: 6 oz. Key Ingredients: Vitamin C, Vitamin E, Grape Leaf Extract, Green Tea
E733	E733-0008	Oil comforts and soothes skin while lifting hairs for an irritation-free shave. No more nicks, cuts or redness due to superior razor glide. Perfect for shaving goatees, moustaches, sideburns, or for those who prefer maximum visibility while shaving. Contains no artificial fragrance or color. Size: 1 oz. Key Ingredients: Tea Tree Leaf Oil, Lavender Oil & Orange Oil
E733	E733-0015	Gel invigorates skin giving a soft, cool and soothing feeling after each shave. Designed for those who prefer to shave with an oil-free gel. Clear texture makes shaving easy for areas demanding more attention. Ideal for all beard types. Contains no artificial fragrance or color. Size: 6 oz. Key Ingredients: Wheat Germ Extract, Tea Tree Leaf Oil & Peppermint
E733	E733-0063	Balm refreshes and recharges skin for a smooth and soft mug. Cooling texture melts into skin helping to diminish redness and irritation. Clears dead skin cells to help prevent and correct ingrown hairs. Restores lost moisture quickly and helps keep oily-ness to a minimum. Pump bottle (that's a description, not a request). Free of artificial fragrances and colors. Size: 1.7 oz. Key Ingredients: Horse Chestnut Seed Extract, Licorice Root & Rose Flower Oil
E733	E733-0033	Nourishing shave cream truly makes every shave a rewarding experience (OK... that's a bit much, but stick with us). Provides a super-close shave that leaves skin soft and satisfied. Slick texture creates a friction-free shave so there is no razor irritation. Rich blend of botanicals create an invigorating aroma. Ideal for any beard type. Contains no artificial fragrance or color. Great for head shaving as well. Size: 6 oz. Key Ingredients: Jojoba Seed Oil, Shea Butter & Aloe

E733	E733-0002	Shaving system includes two separate applications for a pre-shave oil and a shaving cream. Lemon Myrtle Oil penetrates quickly to protect sensitive skin from razor burn and improve razor glide while this Shaving Cream provides a rich cooling mask which softens the beard providing superior lubrication without post shave dryness. Ideal for sensitive skin. Size: 150 ml or 75 applications Key Ingredients: Lemon Myrtle, Kunzea, Macadamia and Wheat Germ
E733	E733-0055	Using Australian native Cehami (a potent anti-inflammatory with skin renewal properties) and a combination of herbaceous essential oils, unique post shave balm soothes razor burn, prevents ingrown hairs, and provides a mentha cooling sensation that is both instant and long-lasting. An absolute delight to use. Size: 50 ml or 100 applications Key Ingredients: Cehami, Peppermint, Kunzea and Witch Hazel
E733	E733-0036	Classic shaving in a tube for the guy on the go. Ultra-effective "soft soap" English formula provides moisture and protection for a perfect shave with or without a brush. Six great scents are available to match every man's tastes: Almond, Limes, Coconut, Rose, Violet and GFT (Citrus-like, with a hint of Cypress). Size: 2.5 oz. Key Ingredients: Glycerin & Coconut Acid
E733	E733-0035	Light, fluffy and fragrant. No... we're not talking about your favorite dessert. This classic "soft soap" formula provides moisture and protection for a perfect shave with or without a brush. Four great scents are available to match every man's tastes: Choose from Almond, Limes, Rose and GFT (Citrus-like, with a hint of Cypress). Size: 7 oz. Key Ingredients: Glycerin, Coconut Acid
E733	E733-0009	An ideal product for before or after shaving. As a pre-shave for sensitive skin, massaging it in against the growth of the beard lifts and softens whiskers, allowing the razor to glide with ease. By smoothing on after shaving, tender skin is soothed, sealed and offered nourishing relief. Size: 500 ml (it's a biggie) Key Ingredients Rose Water, Glycerin, Menthol Crystals
E733	E733-0028	A departure from traditional creams, this product is a rich, ultra-lubricating formula that enables a smooth shave every time. Developed in our D.C. Barbershop, this low-foaming solution is perfect for all beard types, but is especially adept at protecting those prone to razor irritation and nicks. Destroys your beard, pampers your face. Size: 5 oz. or 2 oz. travel size Fragrance: Clove Key Ingredients: Rosemary Oil, Orange Oil and Sandalwood Oil

E733	E733-0001	A revolutionary shaving solution that provides superior razor glide while helping to eliminate razor burn and rashes. Developed in our D.C. Barbershop, this see-through oil is loaded with botanicals that help you become the master of your beard. Can be used solo or cocktailed with our Shave Cream. What's The Difference: Can inspire even the dullest razor to do great things. A rare oil that doesn't leave your face oily Key Ingredients: Meadowfoam Oil (Lifts Whiskers), Peppermint Oil (Lubricates), Avocado Oil (Soothes)
E733	E733-0051	Every shave should have a happy ending. That's why we created this soothing aftershave designed to calm and refresh even the most sensitive skin. Developed in our D.C. Barbershop, this creamy solution is the antidote for annoying razor irritation. Non-greasy and sting-free, Best For Last is the balm. Available in travel size. Size: 4 oz. or 2 oz. travel size Fragrance: Fragrance Free Key Ingredients: Olibanum (Calms & Heals), Almond Oil (Smooths), Lavender (Moisturizes & Energizes)
E733	E733-0083	Post-shave treatment is the ultimate formula to help rid of bumps and ingrown hairs keeping your head nice and smooth. Uses a patent-pending triple active complex which naturally inhibits oiliness to aid in the bump fight. Great for the scalp, face and neckline too. Size: 2 oz. Key Ingredients: Green Tea Leaf Extract, Zinc PCA, Salicylic Acid & Cinammin Extract
E733	E733-0052	Moisturizing lotion refreshes skin, keeping heads hydrated and rejuvenated. Leaves a shiny finish. Great for dry skin in general, especially for the dome. Non-comedogenic so it won't clog up pores. Free of dyes and perfumes. Size: 8 oz Key Ingredients: Organic Aloe Vera Leaf Juice, Shea Butter & Green Tea Extract
E733	E733-0053	Moisturizing lotion refreshes skin, keeping any dome hydrated and rejuvenated. Leaves a subtle and understated finish. Great for dry skin in general, especially on the scalp. Non-comedogenic (doesn't clog pores). Free of dyes and perfumes. Size: 8 oz Key Ingredients: Organic Aloe Vera Leaf Juice, Shea Butter & Green Tea Extract
E733	E733-0054	Both a moisturizing aftershave and a powerful SPF 30 sunscreen, lotion protects dome from sun while keeping head refreshed after each shave. Leaves a matte finish. Great for dry skin in general, especially on the dome. Free of dyes and perfumes. Size: 8 oz. Key Ingredients: Organic Aloe Vera Leaf Juice, Shea Butter & Green Tea Extract
E733	E733-0148	Pre-shave exfoliating skin treatment rids the head of dead skin and can also be used as an all-over body scrub -- it's adept for shoulders, backs and chests. Uses a natural blend of ingredients to pick up and soften hair for an unbelievably smooth head shave. Has a really pleasant Mocha scent. Size: 8 oz. Key Ingredients: Grape Seed, Cocoa, Walnut Shell & Shea Butter

E733	E733-0029	The best shaving cream for head shavers... bar none. This shaving formula is loaded with special lubricants to give the smoothest head shave to date. Mentholated formula keeps dome cool and refreshed and is water soluble making blades easy to rinse. Can be used for beard too. No perfumes or dyes used. Size: 8 oz. Key Ingredients: Aloe Barbadensis Leaf Juice, Salvia Leaf Extract & Sodium Benzoate
E733	E733-0088	This unique, oil-free solution helps put an end to painful razor bumps and acne blemishes. Did we mention it also acts as a superior astringent for oily and acne-prone skin. Top-shelf ingredients exfoliate dead skin cells, unearthing the skin-trapped facial hairs that can cause razor bumps and dissolving the pore-clogging facial oils that cause acne or blackheads. Size: 6 oz. Key Ingredients: Salicylic Acid, Witch Hazel, Green Tea
E733	E733-0019	Revolutionary three-in-one pre-shave oil, shave cream and skin conditioner is different from traditional foams and gels. The transparent lotion lets you see every whisker you're shaving off, for fewer nicks and cuts. Silicon technology allows better razor glide. Size: 6 oz. Fragrance: Slight Peppermint Key Ingredients: Macadamia Nut & Jojoba Oil
E733	E733-0073	A lightweight, non-oily aftershave treatment that soothes irritated skin, relieves redness and combats razor burn. Size: 3.3 oz. Fragrance: Slim to none Key Ingredients: Aloe Vera, Sage, Witch Hazel
E733	E733-0042	Ultra-rich, luxurious shave cream lifts whiskers up and away from the skin for a smooth, uber-close shave. Natural essential oils provide a cushion of protection against razor burn, irritation, nicks and cuts while leaving the skin hydrated and refreshed. Perfect for use with or without a shaving brush. Size: 8 oz. Key Ingredients: Macadamia Nut Oil, Glycerin, Soybean Oil
E733	E733-0026	This product enhances each shave by "sticking" to the razor blade to deliver an unsurpassed level of lubrication and protection. Protects, moisturizes and lubricates skin throughout the shave to give superior razor performance and glide. Face will feel smooth, supple and refreshed. Dermatologically tested and unfragranced. Low foam, paraben-free formula makes it easy to shave hard spots and shape facial hair. Ideal for sensitive skin. Wow... that was a mouthful. Size: 5.9 oz. Key Ingredients: Aloe Vera, Spearmint Leaf Oil & Vitamin E
E733	E733-0025	Advanced shave gel utilizes Technology (that's good) along with Lubrication and (that's really good) to deliver an unreal shave. Protects, moisturizes and lubricates skin throughout the shave to give superior razor performance and glide. Face will feel smooth, supple and refreshed. Dermatologically tested and unfragranced. Low foam, paraben free formula makes it easy to shave hard spots and shape facial hair. Ideal for sensitive skin. Size: 5.9 oz. Key Ingredients: Aloe Vera, Spearmint Leaf Oil & Vitamin E

E733	E733-0027	Combining our classic recipe with advanced technology, this quick-absorbing, fragrance-free gel brings essential moisture to your shave while not gunking up the razor. Vitamins and Botanical Extracts chime in for nourishment and protection. Size: 4.3 oz. Key Ingredients: Vitamin E, Grapeseed Oil & Eucalyptus Oil
E733	E733-0013	Ideal for today's multiblade razor technology, this light serum combines all of the benefits of a shaving oil in a product that rinses off as easily as a gel. Natural botanical extracts and Vitamins ensure a closer, more comfortable shave throughout. Size: 1.6 oz. Key Ingredients: Jojoba Oil, Grapeseed Oil & Soybean Extract
E733	E733-0010	Advanced silicone-based formula protects and moisturizes skin to provide superior razor glide and a pain-free experience each time. Ideal for sensitive and extra-sensitive skin. Clear formula allows for better visibility when shaving and can be used alone or in combination with shaving cream or gels. Pump-action dispenser makes for easy control of how much you dispense. Up to 100 shaves (we just said that). Size: 20 ml Key Ingredients: Tea Tree Oil, Orange Oil & Lavender Oil
E733	E733-0062	Pads tackle the whole gamut of shaving-related issues (inflammation, bumps, ingrown hairs) as a moisturizing aftershave, while providing all the treatment benefits of a refreshing morning facial. Smooths, firms and tones skin moisturizing without oil, allowing skin to achieve its proper natural moisture balance. Great for on-the-go or at the gym. One quick step and its bliss for the mug. Size: 45 applications Key Ingredients: Green Tea Extract, Glycolic Acid and Hyaluronic Acid
E733	E733-0081	Alcohol-free moisturizer is a super-healthy and nutritious way to hydrate skin. Keeps working for up to 16 hours, leaving skin refreshed and silky smooth. Size: 1.5 oz. Key Ingredients: Vanilla Bean Extract & Marshmallow Extract
E733	E733-0043	Foamless shaving formula delivers a super-close and smooth shave, while combating irritation and ingrown hairs. Unique, super-slick lubrication provides a baby-soft shave with no irritation, razor burn or redness. Perfect for sensitive skin. Size: 6 oz. Key Ingredients: Aloe, Grapeseed Extract, Avacado Extract
E733	E733-0066	Lightweight and oil-free treatment provides a irritation-free environment for your face after shaving. Calms razor burn and prevents ingrown hairs with just a few sprays. Size: 4 oz. Key Ingredients: Tea Tree Extract, Rosemary, Aloe Vera
E733	E733-0075	This intelligent cream-gel is a 5 star all-rounder: it moisturizes, cools, repairs and improves the look and feel of your skin. Works great as an aftershave balm. Size: 3.3 oz. Fragrance: None Key Ingredients: Chinese Orchids, Vitamin E

E733	E733-0024	Experience a fresh concept in shaving with this new preparation that offers a modern solution to male shaving irritation. Smooth cream-wax delivers a close shaving experience and deep cleansing with an ultra calm finish. A perfect product for those with skin sensitivity. Size: 125 ml Fragrance: Subtle Lemon Key Ingredients: Lemon Leaf Oil, Shea Butter, Vitamin E
E733	E733-0011	Revolutionary product kills harmful staph bacteria, a primary cause of razor burn, unsightly red bumps and ingrown hairs. We just can't stress enough how much this product can improve your shave. Other products treat bumps post-shave when the harm has already been done. Why not cut irritation off at the pass? This will also lubricate razor blades for a smoother shave. Size: 4 oz. Key Ingredients: Tea Tree Oil
E733	E733-0065	A fresh, cooling and moisturizing product to extinguish the fire after shaving. Natural plant extracts continue to work throughout the day (or night) to soothe your skin and prevent irritation. Size: 4 oz. Key Ingredients: Tea Tree Oil, Witch Hazel, Aloe
E733	E733-0039	A rich lathering shave cream that spreads easily across face and neck, no matter how thick your facial hair may be. It calms with natural plant extracts and contains just enough lidocaine to reduce the burning and redness that often result from shaving. Size: 6 oz. Key Ingredients: Aloe, Chamomile and Cucumber Extracts
E733	E733-0074	Light and oil-free gel is fully loaded with botanicals and anti-oxidants to combat the enemies: razor burn, dryness, sun damage and environmental pollutants. Dries invisible so even the most observant skin care cops won't know your secret. Size: 2.5 oz. Key Ingredients: Chamomile, Aloe, Green Tea
E733	E733-0012	Stick it man! Revolutionary shave stick is the perfect sidekick to layer under your favorite shave cream for the closest shave possible. This oil-free, pre-shave product rubs on for a clear, protective barrier while a botanical-rich blend of soothers guarantee up-close, comfortable, skin-to-blade contact. A lifesaver for guys with sensitive skin, brawny beards and ingrown hairs. Size: 1 oz. Key Ingredients: Wasabi Extract, Willowherb Extract & Chamomile Extract
E733	E733-0017	Guy-strength brew of botanicals instantly transforms into a transparent gel when applied to skin. Enables better facial hair design while helping to avoid nicks, burns and rashes. Provides an easy glide. Size: 5 oz. Key Ingredients: Glycerin, Rosemary, Aloe

E733	E733-0060	Revolutionary after shave cream enables men to shave less often while keeping the face smoother longer. Breakthrough formula has actually been proven to reduce the length and density of beards as it moisturizes. By applying the aftershave, follicles become weak and inhibit hair formation. Studies have proven its effectiveness for men 20-60 years old. Bottom line, continued use should allow a guy to skip a shaving day without looking so scruffy. Size: 2 oz. Key Ingredients: Emulsifying Wax NF, Squaline and Aloe Vera
E733	E733-0089	Originally used by soldiers fighting in Iraq to protect against bites and more, this powerful handmade salve is a do-it-all cream that protects and heals skin from well... everything. Ideal for razor burn, jock itch, sun/wind burn, bug bites, minor cuts, scratches and dry skin. 100% natural and organic and totally homemade. This stuff works. We've tried it. Size: 2 oz. Key Ingredients: Beeswax, Black Tea & Grapefruit Seed Extract
E733	E733-0067	Aloe-based balm uses natural plant extracts to soothe and rid the skin of annoying irritation and red spots. Small nick, cuts and blotches will also be healed if used regularly. Size: 75 ml Key Ingredients: Aloe Vera, Witch Hazel & Cephaliline
E733	E733-0040	2-in-1 shave foam uses plant extracts and essential oils to moisten the skin and hair while protecting the skin from irritation. Perfect for the sensitive man used to an aerosol can, but not used to a great shave. Creates a slippery and smooth course for any razor. Size:150 ml Key Ingredients: Aloe, Glycerin
E733	E733-0005	No Pain. No Pain. Aromatic oils lubricate and moisturize your face, resulting in a pain-free shave with no razor burn, rashes or dry, blotchy skin. Probably the finest shaving oil ever made. Provides up to 50 great shaves. Size: .85 oz. Key Ingredients: Aloe Vera, Essence of Oil
E733	E733-0059	Soothing post shave balm calms down even the most sensitive skin. Warm scent, combines a spicy floral heart leading to a rich, woody, Amber background. Hint of Leather. Our post shave balms are the official post shave balms of Britain's Royal Family. Size: 3.4 oz. Fragrance: Spicy, Floral, Woody Key Ingredients: Aloe, Lanolin
E733	E733-0048	Shave cream creates a rich lather that soothes even the most sensitive skin. Rich, glycerin-based cream softens beard for the most comfortable shave possible. Ideal for use with a brush or fingers. Six different fragrances all unique. Size: 5.8 oz. Fragrance: 1805 (Fresh), Rose (Flowery) Trafalgar (Musky), Limes (Citrus), Grafton (Clean), Almond (Nutty)
E733	E733-0076	Soothing post shave balm calms down even the most sensitive skin. In addition to soothing, this product also leaves behind a great spicy, woody fragrance, with notes of cedar and sandalwood. Our post shave balms are the official post shave balms of Britain's Royal Family. Size: 3.4 oz. Fragrance: Spicy, Woody Key Ingredients: Aloe, Lanolin

E733	E733-0077	Soothing post shave balm calms down even the most sensitive skin. In addition to soothing, this product also leaves behind a refreshing and effervescent zesty fragrance, with notes of citrus, lemon and lime. Our post shave balms are the official post shave balms of Britain's Royal Family. Size: 3.4 oz. Fragrance: Zesty Citrus Key Ingredients: Aloe, Lanolin
E733	E733-0007	New-school shaving oil from the oldest shaving company on the planet. Oil's soothing botanicals keep the beard slick and moisturized, making it super easy to turn any shave into an easy and smooth affair. Size: 2 oz. Key Ingredients: Sunflower Oil, Avocado Oil & Meadowfoam
E733	E733-0037	This fusion of antiseptic herbal extracts and pure essential oils minimizes razor bumps and helps to restore moisture. For use with or without a brush, this luxurious cream creates a slick and protective barrier for a smoother, closer shave. Size: 6 oz. Key Ingredients: Ginseng Extract, Tea Tree Extract & Chamomile Extract
E733	E733-0058	Tonic eliminates skin irritation due to redness, ingrown hairs and razor burn after shaving. Provides needed moisture to dried skin and enhances collagen production to firm skin and reduce wrinkles. It erases that stuff... get it? Size: 6.7 oz Key Ingredients: Cucumber Extract, Grapefruit Extract & Algin
E733	E733-0087	A reliable blemish control lotion that reduces inflammation and eliminates brown spots, blackheads and other imperfections. Also works to dissolve ingrown hairs, pimples and other blemishes. Contains bacteria and fungus killing ingredients. A great problem solver. Size: 1 oz. Fragrance: A touch of Lemon Key Ingredients: Witch Hazel, Glycolic Acid, Lemon Oil
E733	E733-0056	Post-shave balm focuses on de-clogging and minimizing the appearance of pores while reducing redness and irritation. Locks in moisture healing skin while protecting against stress and pollution all day. Truly revolutionary. Size: 1.7 oz. Key Ingredients: Licorice Extract, Rosewood and Watermelon Extract
E733	E733-0006	Prime your face for shaving with this light, slick botanical oil. Softens stubble, reduces friction and provides moisture. Can be used as a straight shave oil or to supplement a cream or gel. Size: 1 oz. Key Ingredients: Papaya Extract, Safflower Seed Oil
E733	E733-0049	Just a thin coating soothes and calms your skin before, during and after a shave. Delivers no cuts, no irritation, no razor drag, no problems. This version is specially formulated for heavy beards, so regular beards are a snap. Now Available in a 3.4 oz. Tube and a 8.4 oz Tub. Size: 3.4 oz. Tube or 8.4 oz. Tub Fragrance: Aloe Key Ingredients: Seaweed Extract, Aloe Vera, Ginseng

E733	E733-0038	Rich, creamy and luxurious - yet still incredibly light. State-of-the-art shave cream provides an old school foam-style shave, while key moisturizing ingredients leave skin soft, smooth and uber hydrated. Think of it as an aerosol can on steroids. Size: 5.29 oz. Key Ingredients: Aloe Vera, Avocado Oil, Peppermint Extract, Soybean Oil & Vitamin E
E733	E733-0022	The difference is clear. Our aloe vera gel is translucent -- so you can see through as you shave to avoid skin imperfections or perfectly tailor your goatee or sideburns. It also sets up a slick skin surface for a shave free of nicks, cuts and razor burn. Plus, it's a morning eye-opener. Now Available in a 3.4 oz. Tube and a 8.4 oz Tub. Sizes: 3.4 oz.- 8.4 oz. Key Ingredients: Seaweed Extract, Glycerin, Aloe, Ginseng
E733	E733-0078	Kiss shaving pain goodbye forever. Works fast to instantly ice down just-shaved skin. Heals small cuts left by your razor, rejuvenate your skin and infuse it with nutrients. 0% pain, 0% redness, 0% irritation, 100% Shaving Satisfaction. Size: 3.4 oz. Fragrance: None Key Ingredients: Ginseng, Aloe Vera
B615	B615-0002	Our Natural Conditioning Shave Cream, made with vegetable glycerin and pure coconut and olive oils, lathers richly and conditions without aerosols, petroleum, or alcohol, leaving your skin feeling smooth, clean, and fresh. Our gentle formulation lubricates your skin for smooth, comfortable razor glide, while natural oils provide the fresh fragrance of calendula. Please let us know what you think!
V190	V190-0019	Pre-shave treatment protects skin to provide a close, comfortable shave. Apply this Shave Oil's non-greasy formula prior to shave cream or gel, or use by itself. Protects skin from nicks, razor bumps and ingrown hairs with a blend of 12 beneficial oils including eucalyptus and clove. Ingredients: Limnanthes alba (meadowfoam) seed oil, aloe barbandesis leaf juice, persea gratissima (avocado) oil, eucalpytus globulus leaf oil, tocopheryl acetate (vitamin E acetate), eutenia caryophyllus (clove) flower oil (cloves), rosmarinus officinalis (rosemary) oil, santalum album (sandalwood seed oil, oryza sativa (rice) bran oil (rice), copaifera officinalis (balsam copaiba) resin (copaifera tree) orbignya oleifera seed oil, mentha piperita (peppermint) oil, menthol, isopropyl palmitate, isopropyl myristate, fragrance (parfum), eugenol, propylparaben, sorbic acid

V190	V190-0009	Shave cream ensures smooth razor glide while protecting skin from irritation caused by shaving. 	YQW4	YQW4-0019	An after-shave tonic is designed to zero-in on shaving problems. Made with ingredients that relieve redness, clear away razor burn and ingrown hairs. It also provides needed moisture and enhances collagen synthesis. Key ingredients: Algin, Carnosine, Chamomile Extract, Cucumber Extract, Grapefruit Extract, Linden Extract, Rose Extract
	YQW4	YQW4-0004	Botanical shave oil is designed to soften facial hair and reduce friction while shaving. This helps prevent razor burn and provides the closest shave possible. This dual-purpose product can also be used as a stand-alone shave oil. No irritating scent.
	YQW4	YQW4-0002	Specially engineered to smooth and calm skin with a unique combination of natural ingredients which work together to prevent razor drag and reduce razor burn and nicks. Specifically engineered to soften tough, coarse facial hair. Contains no benzocaine. Extremely concentrated formula - one jar lasts 3 - 4 months.
	YQW4	YQW4-0003	Clear, non-foaming Aloe Vera based shave gel makes it easy to maintain sideburns and other facial hair, and avoid any irritated area. Provides unrivaled shaving precision. Uses a unique combination of natural ingredients to smooth and calm the skin. Contains no benzocaine. Extremely concentrated formula - one jar should last 3 - 4 months.
Specialty Precision Cleaners and Solvents	L98F	L98F-0001	Unique 2-Step Process. This product quickly emulsifies and dissolves the existing thermal grease or pad from the CPU and/or heatsink so that it can easily be removed with a clean cloth or paper towel. A few drops of this product and some gentle wiping then removes the remaining residue and inhibits flash corrosion on copper or aluminum. This product uses a proprietary combination of non-toxic biodegradable solvents to emulsify thermal greases or thermal pads. The citrus and soy based solvents in this product match or exceed many hazardous and volatile solvents such as fluorinated and chlorinated organic solvents, acetone, MEK (methyl ethyl ketone), mineral spirits, isopropyl alcohol, and toluene.
	XB90	XB90-0023	This product is a unique formula designed for effective cleaning of ALL Types of CPAP, BiPAP and Oxygen Therapy Masks, Tubing and Accessories. Safe and gentle to use, it will not harden, crack, or deteriorate soft plastic with repeated use.
	PWLI	PWLI-0005	This product is a liquid concentrate precision cleaner that provides fast aqueous cleaning and rinsing to clean room standards and is worker and environmentally safe. This product is made from processed kelp that is stable and non-hazardous, and does not have an offensive odor-making it desirable for use in any kind of open work environments.
	E676	E676-0001	A nontoxic (food grade), low flammability, biodegradable solvent, this product substitutes for xylene as a histological clearing agent. This product improves safety and results.

	E676	E676-0002	This product is our original, award winning, nontoxic, nonflammable, biodegradable solvent. This product is distilled from orange peels. This product is intended for the removal of wax, pitch, flux, grease, resin and solvent soluble resists from optical and electronic components of glass, ceramic, or metal.
	RYB8	RYB8-0005	This product is a special blend of aliphatic esters and surface-active agents formulated to offer an effective alternative to ozone-depleting chlorofluorocarbons, chlorinated hydrocarbons, caustic cleaners, and undesirable petroleum-derived solvents in precision cleaning applications. It is a semi-aqueous ester-based cleaner. User friendly, exhibits extremely low toxicity characters. Applications are resin and wax removal, general degreasing suitable for high temperature applications. Its high flash point, combined with low odor, toxicity, and vapor pressure, allow it to be used safely in demanding applications where maximum operator safety and minimal environmental impact are important.
	RYB8	RYB8-0001	An ultra-low residue terpene-based solvent designed for hand-wipe cleaning applications. Water or solvent rinsing is not required. Typical uses include: Precision hand-wipe, pre-paint cleaning, pre-bond cleaning, cleaning before sealant application, fine metal degreasing, circuit board defluxing.
Sun Care Products	P5IE	P5IE-0001	We are extremely excited about our new Kids Formula SPF 25. It has all the benefits of our all-natural sunscreens but with a fresh, fun strawberry fragrance.
	P5IE	P5IE-0003	Our sunscreens start with the same moisturizing base as our product, making them good for your skin while in the sun. Compare this to other companies that use the cheapest fillers, mineral oils, lanolins, etc. Apparently their philosophy is the lotion's only job is to bring the sunscreen to your skin.
	P5IE	P5IE-0002	Our sunscreens start with the same moisturizing base as our product, making them good for your skin while in the sun. Compare this to other companies that use the cheapest fillers, mineral oils, lanolins, etc. Apparently their philosophy is the lotion's only job is to bring the sunscreen to your skin.

EZ5Y	EZ5Y-0009	Pre & Post Suncare & skin food. Carrier oils including coco butter, coconut, avacado oil, hohoba, St. Johns wort masurated oil. Blended with essential oils including German camomile, geranium, and frankincense.
X575	X575-0065	This Day Moisture is a lightweight, waterproof moisturizer that provides complete sun protection (SPF30+) from broad-spectrum UVA/UVB rays. It also creates an effective water-resistant barrier to lock in skin's vital moisture. Vitamin E, along with other vitamins of the MDT5 complex, aid in moisturizing the skin beneath the surface, treat preexisting sun damage, and halt the signs of premature aging. Aloe powder, panthenol, and allantoin provide additional soothing properties to heal exposed skin. The result is a unique formulation that delivers the ultimate in sun protection.
B94P	B94P-0003	Our Balm is a water-free nourishing balm with natural minerals that help reflect damaging ultraviolet radiation. Microfine zinc oxide offers protection from harmful rays whilst organic olive oil keeps the skin supple. Potent antioxidants including natural vitamin E, beta carotene and polygonum extract, protect the skin from premature aging and prevent damage caused by the elements.It is a SPF 15 and is 100g/ 3.5oz in size.
M426	M426-0001	For the most precious members of your family, UV Natural Sunscreen for baby is gentle in its action so you can reduce the risk of sunburn to your baby's soft and sensitive skin.In addition to its SPF 30 block-out properties, UV Natural Baby formulation strengthens and maintains healthy skin cell growth.
M426	M426-0002	Apply UV Natural daily for a skin routine that nurtures healthy glowing skin for life. UV Natural sunscreen is perfect for the home, the "day" bag or your friends that need some help.
M426	M426-0003	Apply UV Natural daily for a skin routine that nurtures healthy glowing skin for life. UV Natural sunscreen is perfect for the home, the "day" bag or your friends that need some help.
W6V2	W6V2-0006	The sun can damage your skin, so you need to protect it when going out. Our sunscreen offers the broadest protection for your skin.
W6V2	W6V2-0005	Sunscreen only protects you from the damaging rays of the sun if it stays on. Our waterproof sunscreen turns the trick and is made from natural ingredients as well.
W6V2	W6V2-0007	Kids playing out in the sun is as natural as apple pie. Our sunscreen for kids makes sure they do so without risking sun burns and damage.
W6V2	W6V2-0004	You should apply sunscreen before going out into the sun for prolonged periods of time, but not just any sunscreen. Our all natural sunscreen protects you from the sun without the use of harmful products.

W6V2	W6V2-0003	If you are heading outside, you need protection for your skin. Our environmental sunscreens do just the trick with natural ingredients and strong protection from the sun.
W6V2	W6V2-0008	This Skin Protectant/Sunscreen (3oz) - Helps prevent chafed, chapped and cracked skin - Provides UVA/UVB protection with SPF 30 - Water/sweat resistant
WT25	WT25-0004	This sun filter lotion is ultra waterproof and lasts a full 8 hours. Richly concentrated, our special PABA free combination of aloe vera and other special ingredients offer maximum protection.
WT25	WT25-0003	Total sunblock protection that lasts 8 hours, no matter how much you're in the water, no matter how much you perspire. It lasts 2 to 6 hours longer than other sunblocks. And it's economical because it doesn't need to be reapplied. Made from aloe vera and a special formulation of other ingredients, our SPF 40 lotion moisturizes while protecting the skin.
WT25	WT25-0001	Our most popular sunblock! This is total sunblock protection in a super waterproof formulation. It's unique gel applies evenly and invisibly. It dries quickly -- even without alcohols -- and stays on all day! It's the ideal sports sunblock used by professional surfers, scuba divers, sailors, tennis players, golfers and climbers.
WT25	WT25-0005	We offer the first waterproof sun filter for safer tanning. Yes, our famous protection with tanning power . . . it filters out a lot of the harmful rays and allows enough to pass through to provide a safer, darker tan. The SPF 8 lotion is PABA free, invisible and non-greasy.
WT25	WT25-0002	This has ultra broad spectrum sunray protection for young sensitive skin. It is a maximum protection lotion with ultimate 8 hour waterproof protection from just one application, no matter how much you're in the water. It protects 2 to 6 hours longer than most sunblocks, and it's gentle Aloe Vera formulation soothes and moisturizes sun sensitive skin. Recommended by dermatologists for all ages.
AAI2	AAI2-0017	Use this on your lips, nose, and ears. It's based with Aloe Oil to go on smooth and clear for those areas that are extremely vulnerable to sunburn.
AAI2	AAI2-0006	This original formula suncare lotion is perfect for most active people who use sun protection. This dry lotion retains its sun-protection factor after being immersed in water for up to 80 minutes.
AAI2	AAI2-0015	Formulated with our 8 hour waterproof lotion, this collection is the perfect suncare product for surfers, skaters, snowboarders, and bikers. Perfect for the extreme athlete.
AAI2	AAI2-0013	Our Pro Sport sunscreen was designed for serious athletes - from skiers and snowboarders to volleyball players and surfers - who demand a technical product for extreme conditions. Our unique dry lotion formula combines a 35 % aloe vera gel base with four active sunscreen ingredients and a non-water-soluble emulsifier.

AAI2	AAI2-0002	The sunscreen provides protection from the sun without the undesirable side effects of typical sunscreens.
AAI2	AAI2-0007	This original formula suncare lotion is perfect for most active people who use sun protection. This dry lotion retains its sun-protection factor after being immersed in water for up to 80 minutes.
AAI2	AAI2-0016	Formulated with our 8 hour waterproof lotion, this collection is the perfect suncare product for surfers, skaters, snowboarders, and bikers. Perfect for the extreme athlete.
AAI2	AAI2-0014	This sunscreen was designed for serious athletes - from skiers and snowboarders to volleyball players and surfers - who demand a technical product for extreme conditions. Our unique dry lotion formula combines a 35 % aloe vera gel base with four active sunscreen ingredients and a non-water-soluble emulsifier.
AAI2	AAI2-0011	Ultimate sun protection at the touch of a button. This unique formula allows quick and easy application - no pumping, squeezing or rubbing required.
AAI2	AAI2-0012	Protecting your skin from the sun's harmful rays just got a little easier. Introducing our SPF 30 Sunscreen Stick with titanium dioxide in a convenient, easy to apply stick form. This non-greasy, non-irritating and fragrance free sunscreen stick makes protecting your skin simple.
AAI2	AAI2-0003	Our sunscreens go on light and quickly soak into the skin. The high concentration of pure aloe vera gel (35% by volume) enables the sunscreens to penetrate and bond underneath the top layer of skin. The sunscreen then emulsifies once and only once so it will not run in your eyes and sting while in water or sweating. The SPF 30 is fragrance free. Our sunscreens allow you to spend time in the sun relaxing or exercising with confidence that you are protected from the sun's damaging UVA and UVB rays.
AAI2	AAI2-0008	This original formula suncare lotion is perfect for most active people who use sun protection. This dry lotion retains its sun-protection factor after being immersed in water for up to 80 minutes.
AAI2	AAI2-0009	Children are especially vulnerable to the harmful effects of the sun. Studies have shown that children get 50 to 80 percent of their lifelong exposure to the sun before age 18. That's why we developed a special formula just for kids.
AAI2	AAI2-0004	This original formula suncare lotion is perfect for most active people who use sun protection. This dry lotion retains its sun-protection factor (SPF) after being immersed in water for up to 80 minutes. It is FDA approved, biodegradable, and hypo-allergenic.
AAI2	AAI2-0005	This original formula suncare lotion is perfect for most active people who use sun protection. This dry lotion retains its SPF after being immersed in water for up to 80 minutes.

AAI2	AAI2-0001	Our sunscreens go on light and quickly soak into the skin. The high concentration of pure aloe vera gel (35% by volume) enables the sunscreens to penetrate and bond underneath the top layer of skin. The sunscreen then emulsify once and only once so it will not run in your eyes and sting while in water or sweating. The SPF 8 has a light tropical fragrance. ZK91	ZK91-0042	Light daytime moisturizer protects from sun, pollution and the skin's natural aging process and restores softness and elasticity. INGREDIENTS: ACTIVE INGREDIENT: Padimate O (PABA Ester). INACTIVE INGREDIENTS: Coconut Fatty Acid Cream Base, Organic Aloe Vera, Organic Jojoba Oil, Oat Protein, Ginkgo Biloba Extract, Organic Rosa Mosqueta® Rose Hip Seed Oil, Deionized Water, Milk Thistle Extract, Vegetable Glycerin; Extracts of Calendula, Camomile, Linden, Echinacea, German Camomile, St. John's Wort, Blue Mallow, Ivy, Pellitory, Cucumber, Elder Flower and Arnica; Linoleic Acid (Vitamin F), White Camellia Oil, Organic Shea Butter, d-Alpha Tocopherol (Vitamin E), Aloe Vera Oil, Organic Green Tea Powder (Matcha), Aubrey's Preservative (Citrus Seed Extract, Vitamins A, C and E), Organic Lemon Peel Oil, Organic Blue Camomile Oil.
ZK91	ZK91-0161	A rich blend of lighter sun protection that includes organic Rosa Mosqueta oil, exotic nut oils, and extra vitamin C for an antioxidant boost. With our titanium dioxide/padimate O combination, this is a skin-loving sunscreen with lots of moisture.
ZK91	ZK91-0159	UVA/UVB protection plus something extra - a natural mineral tint that gives skin a warm, healthy glow. It also helps you see where you've applied sunscreen and, more important, where you haven't. You'll love this new formula.
ZK91	ZK91-0160	You won't believe it doesn't smell like sunscreen! Only low-scent herbals are combined with our protective titanium dioxide/padimate O duo to create an effective, moisturizing sunscreen.
ZK91	ZK91-0158	Full-spectrum protection from titanium dioxide and padimate O, plus antioxidant protection with white camellia oil. There's also organic shea butter and jojoba oil, plus smooth Canadian willowherb and organic aloe.
ZK91	ZK91-0106	Perfect for children and great for adults with sun-sensitive skin, or for use during peak hours, this powerhouse herbal sunscreen will change the way you look at sun protection.
ZK91	ZK91-0163	This product plus just a touch of titanium dioxide provide light protection for those who tan quickly and easily. Also made with soothing organic aloe and Rosa Mosqueta oil, plus Canadian willowherb.

ZK91	ZK91-0162	A light, liquid sunscreen in a convenient pump spray, for face and all over, blended with rich smooth herbal ingredients like witch hazel, organic aloe, and sweet almond oil.
Y22Y	Y22Y-0049	Our Sunblock Lotion with SPF 55 is formulated to provide long lasting sun protection against the sun's harmful UVA and UVB rays. This formula combines patented complex, which maintains broad-spectrum protection over time, with skin-soothing natural colloidal oatmeal. This non-greasy, fragrance-free formula helps prevent moisture loss and is as mild as water to your baby's delicate skin. It's no wonder this is the #1 baby sunblock recommended by dermatologists.
Y22Y	Y22Y-0045	This Sunblock Lotion with SPF 50 for Face is formulated to provide long-lasting sun protection in a lotion specifically created for your face. This oil-free, noncomedogenic formula provides sweatproof/waterproof protection and contains patented complex to provide broad-spectrum protection that lasts over time, so you stay protected from the sun's harmful rays while you are active.
Y22Y	Y22Y-0044	This Sunblock Spray with SPF 70 is formulated to provide ultra-sweatproof sun protection in a one-touch spray that allows you to spray the product at any angle, even upside down. This light, non-greasy formula provides sweatproof/waterproof protection, and patented complex provides long lasting and broad-spectrum protection that lasts over time, so you stay protected from the sun's harmful rays while you are active. A high SPF is best for skin highly sensitive to sunburn. This ultra-waterproof and sweatproof sunblock spray also retains its SPF, even after activity in the water or out for up to four hours*.
Y22Y	Y22Y-0046	This Sunblock Spray with SPF 30 is formulated to provide sweatproof sun protection in a one-touch spray that allows you to spray the product at any angle, even upside down. This light non-greasy formula provides sweatproof/waterproof protection, and patented complex provides long lasting and broad-spectrum protection that lasts over time, so you stay protected from the sun's harmful rays while you are active. This waterproof and sweatproof sunblock spray retains its SPF, even after activity in the water or out.
Y22Y	Y22Y-0042	This Sunblock with SPF 30 for Face is a noncomedogenic formula specifically created to provide long lasting sun protection for your face. Unlike traditional sunscreens, this formula combines the patented complex, which maintains protection over time against the sun's harmful rays, with natural soy protein and vitamins A, C and E. This oil-free, non-greasy formula is also hypoallergenic, water resistant, and recommended by the Skin Cancer Foundation.

Y22Y	Y22Y-0041	Our SPF 55 Sunblock Lotion is formulated to provide long lasting sun protection. Unlike traditional sunscreens, this formula contains patented complex, which maintains broad-spectrum protection over time against the sun's harmful rays. This oil-free, non-greasy formula is also hypoallergenic, waterproof and recommended by the Skin Cancer Foundation.
Y22Y	Y22Y-0043	Our Sunblock for Face with SPF 70 is a noncomedogenic formula specifically created to provide long lasting sun protection for your face. Unlike traditional sunscreens, this formula combines the patented complex, which maintains protection over time against the sun's harmful rays, with natural soy protein and vitamins A, C and E. This oil-free, non-greasy formula is also hypoallergenic, water resistant, and endorsed by the Skin Cancer Foundation.
Y22Y	Y22Y-0040	Our Sunblock Spray with SPF 50 is formulated to provide long lasting sun protection in a convenient, one-touch spray that allows you to spray the product at any angle, even upside down. This waterproof, lightweight sunblock combines patented complex, which maintains broad-spectrum protection over time against the sun's harmful rays, with natural soy protein and anti-oxidants.
Y22Y	Y22Y-0039	Our Sunblock Spray with SPF 70 is formulated to provide long lasting sun protection in a convenient, one-touch spray that allows you to spray the product at any angle - even upside down. This waterproof, lightweight sunblock combines patented complex, which maintains broad-spectrum protection over time against the sun's harmful rays, with natural soy protein and anti-oxidants. A high SPF is best for skin highly sensitive to sunburn.
Y22Y	Y22Y-0047	Help protect your skin from UVA rays that can penetrate deep into the skin and lead to premature signs of aging. Our Sunblock Lotion for Face with SPF 70 is formulated to provide superior UVA/UVB protection in a lotion created specifically for your face. Containing patented complex to provide broad-spectrum protection, this oil-free, non-greasy formula is also hypoallergenic, noncomedogenic, and waterproof.
Y22Y	Y22Y-0048	UVA rays penetrate deep into the skin and can lead to premature signs of aging by damaging collagen fibers, which can lead to sagging and wrinkling in the skin. Our Sunblock Spray with SPF 50 contains patented complex to provide broad-spectrum UVA/UVB protection that lasts over time in an oil-free, non-greasy formula. This waterproof sunblock comes in a convenient one-touch spray that allows you to spray the product at any angle, even upside down.
BK9M	BK9M-0006	Moisturizing hemp oil and other natural ingredients are combined with UVA/UVB SPF 15 Sun Protection to produce a wonderful, light, non-greasy sunscreen. 8 oz size only.

JC9H	JC9H-0007	In addition to its SPF 30 block-out properties, this formulation strengthens and maintains healthy skin cell growth. Free from synthetic chemicals and fragrances, TGA* approved, all natural, broad spectrum sunscreen. This product is based on Zinc Oxide, a physical barrier used to absorb and block the sun's harmful UVA/UVB rays, rather than a chemical barrier. To protect the environment and your health, our philosophy is to try to reduce any unnecessary ingredients (particularly those that are petroleum based, synthetic and known environmental toxins) where there are effective natural alternatives. Ingredients: Active: Zinc Oxide 231mg/gm. (23.1%), Oils of grapeseed, safflower, macadamia nut, sesame, white beeswax, candellila wax, carnuba wax, extracts of camellia sinensis (green tea) leaf, vitis vinifera (grapeseed) seed, d-alpha-tocopheryl acetate(vitamin E), butylated hydroxytoluene, ascorbyl palmitate, iron oxide yellow C177492, iron oxide red C177491.
Y191	Y191-0071	Our Sun Protection Lotion uses 15% zinc oxide for an SPF 15 meaning it effectively blocks 93% of the sun's burning rays. Because zinc oxide uniformly protects against the UV spectrum from 290-380 nanometers (nm), we believe that our Summer Protection Lotion is also effective against 93% of the sun's UVA rays. While other sunscreens claim 'broad spectrum' protection, the amount of protection a consumer is receiving from the damaging UVA rays is virtually unknown. Even the sunscreens which include zinc include far smaller percentages and thus offer far less coverage against the UVA spectrum than our Summer Protection Lotion does. Ingredients: 100% Organic Aloe Vera, Grapeseed Oil, Unrefined Shea Butter, Z-Cote, Vitamin E, Beeswax, Black Willow Bark Extract, Borax
WAZP	WAZP-0093	This non-greasy formula provides broad-spectrum UVA/UVB protection and helps keep skin hydrated without using chemical sunscreen actives like octinoxate and oxybenzone. Instead, titanium dioxide, a naturally-occurring mineral creates a micro-fine barrier on your skin to reflect the sun's harmful rays. Our natural sunscreen is effective immediately upon application and safe for kids.
WAZP	WAZP-0092	This 100% natural, non-whitening formula provides broad-spectrum UVA/UVB protection and helps keep skin hydrated without using chemical sunscreen actives like octinoxate and oxybenzone. Instead, titanium dioxide, a naturally-occurring mineral creates a micro-fine barrier on your skin to reflect the sun's harmful rays. Our natural sunscreen is effective immediately upon application and safe for kids.

LUQ3	LUQ3-0045	Scent: Citronella, lemongrass and cedar essential oils SPF Protection Level: High (highest level); provides high-level protection against sunburn. A33R	A33R-0031	This product with SPF 30 is perfect for all those hard to reach and typically forgotten areas: ears, brow, lips, nose and cheeks. They need protection from the sun and this easy to use, very portable formula does just that protecting these delicate areas from both UVA and UVB rays. Organic Ingredients Made with 52% certified organic ingredients including beeswax, coconut oil, aloe and wild crafted shea butter. Fragrance free and water resistant, this stick provides natural full spectrum sun protection for the entire family. Directions: For maximum protection apply 20 minutes before exposure and as often as needed throughout the day especially after swimming. .5 oz Active Ingredients: Octinoxate, Oxybenzone, Octyl Salicylate, Avobenzone Inactive Ingredients: Certified Organic Beeswax, Shea Butter, Certified Organic Coconut Oil, Certified Organic Aloe Vera, Tocopherol (Natural Vitamin E), Extracts of Calendula, Cucumber, Elder Flower, Rosehips and Geranium.
J8AQ	J8AQ-0193	Active Block SPF40 offers full spectrum skin protection while combining powerful anti-oxidants and natural ingredients to protect, nourish and reduce premature aging of the skin.
J8AQ	J8AQ-0370	Perfect for daily wear, this non-greasy, broad spectrum (UVA/UVB) sun shield helps prevent sunburn and retains its SPF after 40 minutes of water activity. Certified organic aloe vera and sunflower seed oil absorb quickly and effectively to nourish sun-exposed skin.
J8AQ	J8AQ-0252	Signature ingredient: An infusion of aloe vera, chamomile, ginkgo biloba, and green tea soothes and repairs, protecting sensitive skin against the free radical damage that often results from exposure to the sun. Product description: A mineral-based UVA & UVB broad spectrum reflective barrier against damaging sun exposure, our Chemical Free Sunscreen SPF 18 protects with micro-fine titanium dioxide for all-over daily use.
J8AQ	J8AQ-0099	UVA/UVB protection. Anti-aging, anti-oxidant. Water resistant. This Complete Block SPF26 provides maximum full spectrum protection in an easy-to-use spray. Great for active lifestyles. This Complete Block Spray is a light, dry-oil moisturizing formula. Combines anti-oxidants and non-greasy natural ingredients to help protect, nourish and reduce premature aging of the skin.
J8AQ	J8AQ-0195	Protect skin daily with this Facial Block SPF 20. This light, moisturizing formula was designed specifically for sensitive skin and contains Evening Primrose Oil and Sea Kelp Extract to nourish skin while guarding it from damaging UVA and UVB rays. Soothes and calms skin with Aloe Vera Gel. Can be worn alone or under makeup.
J8AQ	J8AQ-0358	This fragrance free, lightweight lotion for sensitive facial skin helps prevent sunburn with an effective, mineral-based, UVA & UVB broad-spectrum reflective barrier.

J8AQ	J8AQ-0339	A broad-spectrum UVA & UVB shield against damaging sun exposure. Perfect for daily wear and under make-up. Non-greasy and fragrance free.
J8AQ	J8AQ-0190	This Family Block SPF36 offers full spectrum skin protection while combining powerful anti-oxidants and natural ingredients to protect, nourish and reduce premature aging of the skin.
J8AQ	J8AQ-0288	Our Fragrance Free Sunscreen SPF 15 is a full spectrum UVA & UVB shield against damaging sun exposure. Perfect for daily wear, this fast absorbing lotion is non-greasy and fragrance free.
J8AQ	J8AQ-0335	Perfect for daily wear, our non-greasy Green Tea Sunscreen, with antioxidants and certified organic aloe vera, absorbs quickly and effectively with a light, fresh scent.
J8AQ	J8AQ-0194	This Kid's Block SPF46 offers full spectrum skin protection for active children with a unique formulation for their delicate skin. Kid's Block combines a natural mineral sunblock with botanical extracts to gently obstruct the sun's harmful rays.
J8AQ	J8AQ-0359	This fragrance free, gentle lotion for all-over use helps protect kids from sunburn with an effective, mineral-based, UVA & UVB broad-spectrum reflective barrier.
J8AQ	J8AQ-0360	A water resistant, broad-spectrum UVA & UVB shield against damaging sun exposure. Kids will love this fast absorbing, non-greasy lotion with a fresh fruit scent.
J8AQ	J8AQ-0192	Daily Block SPF30 offers full spectrum skin protection while combining powerful anti-oxidants and natural ingredients to protect, nourish and reduce premature aging of the skin. It also provides botanical protection against mosquitos, deer ticks, and fleas.
J8AQ	J8AQ-0411	Unscented, sunscreen cream made with organic jojoba and sunflower oils protects vulnerable skin with an effective, broad-spectrum, reflective barrier. This sunscreen gives the skin a slight chalky appearance because the active ingredient is a mineral (titanium dioxide). We feel that this is a safer alternative for little ones. This white pigment reflects the sun's rays off the skin
J8AQ	J8AQ-0258	A water resistant, broad-spectrum UVA & UVB shield against damaging sun exposure. Non-greasy and fast absorbing with soothing lavender for natural insect defense.
J8AQ	J8AQ-0249	A water resistant, broad-spectrum, UVA & UVB shield against damaging sun exposure. Perfect for daily wear this fast absorbing lotion is non-greasy and fragrance free.
J8AQ	J8AQ-0100	Chemical, fragrance, and Paraben free. Complete UVA & UVB protection. Ideal for sensitive skin. This brand protects sensitive skin from the sun with this SPF 30+ chemical free, fragrance free sun block. This hypo-allergenic sun block is extra mild and safe for use on babies and sensitive adults. Enriched with Chamomile and Marigold Extracts, this sun block not only protects but soothes.

IUO4	IUO4-0001	A revolutionary, all-over sunscreen containing the exclusive Formula patented technology providing maximum protection without the traditional drawbacks of high SPF products. The ultra-light advanced SPF 20 formula protects skin from damaging UVA and UVB rays while minimizing skin and eye irritation. Absorbs into skin immediately with no odor. Apply to face, body and scalp without any lingering oily residue or stickiness to weigh hair down. (So, no more worries if you have a little less on top.) Plus, the oil free formula leaves no greasy residue on hands to affect your sports grip. Fragrance-free. Colorant-free. PABA-free. Dermatologist tested.
IUO4	IUO4-0002	This Patented Formula is the most advanced sunscreen available. Special technology gives you what you want--an ultra-lightweight, non-greasy sunscreen that absorbs into skin immediately with virtually no odor. The unique, oil-free lotion stays on in extreme conditions and won't run or drip into eyes. Absorbs quickly, with no heavy, oily residue. Advanced UVA and UVB sunscreens provide effective, broad-spectrum protection from damaging rays. Retains SPF after 80 minutes of sweating or activity in the water. Fragrance-free. Colorant-free. Paba-free. Dermatologist tested.
IUO4	IUO4-0003	This Patented Formula technology gives you what you want--an ultra-lightweight, non-greasy, broad spectrum sunscreen that absorbs into skin immediately. Our advanced SPF 25 formula provides maximum protection from damaging UVA and UVB rays. Contains natural citronella, lemongrass and spearmint, non-chemical ingredients with insect repellent properties. Convenient spray packaging lets you apply in a few spritzes. Fragrance-free. Colorant-free. PABA-free. Dermatologist tested.
KQ7Q	KQ7Q-0002	This Organic SPF 20 Sunscreen contains only 8 organic and natural ingredients, is vegan and completely petrochemical-free. It uses Zinc Oxide, the safest and most effective sunscreen active ingredient on Earth, along with the following 7 ingredients: Spring Water, Certified Organic Extra Virgin Olive Oil, Certified Organic Jojoba Oil, Organic Shea Butter, Vegetable Glycerin, Vegetable Emulsifying Wax and Vegetable Vitamin E. It provides superb UV protection without the risk of the common petroleum based active ingredients found in nearly all other sunscreens.
KQ7Q	KQ7Q-0001	This SPF 15 sunscreen uses rigorously natural, edible and organic grade ingredients and is completely free of petrochemicals. It exclusively uses zinc oxide at its active ingredient, which provides the broadest spectrum UVA and UVB protection available with unsurpassed safety. Since zinc oxide is a solid particle, it cannot be absorbed through the skin unlike other petrochemical active ingredients, which have additional health risks.

G2G1	G2G1-0001	NEW revised formula - Better than ever! A silky non-perfumed sunscreen with a unique blend of ingredients. New matte-finish, totally non-greasy formula. Fragrance-free, 100% eco-friendly and now...Vegan, too! Developed for the harsh Australian climate -- this is the revolutionary UVA,B & C protective sunscreen headlines are buzzing about!

A silky non-perfumed sunscreen with a unique blend of ingredients. New matte-finish, totally non-greasy formula. Fragrance-free, 100% eco-friendly and now...Vegan, too! Developed for the harsh Australian climate -- this is the revolutionary UV A,B & C protective sunscreen headlines are buzzing about!
G2G1	G2G1-0002	Better than ever! Ideal for the sporting enthusiast.
POQ1	POQ1-0014	The rich, warm scent of Madagascar Vanilla makes this lotion an Aromatherapy delight. Even though it is loaded with natural ingredients that are sunscreens, we are able to claim this sunscreen a 15 rating based on the FDA approved Octyl Methoxycinnamate and zinc oxide content only.
ZJQ0	ZJQ0-0001	Our product is especially developed for delicate facial skin. Packed with organic plant oils and shea butter, it intensively moisturizes and protects. Extracts of witch hazel and liquorice help soothe redness and irritation. Caffeine extract stimulates the skin's micro circulation, boosting blood flow, while butcher's broom is included to help strengthen and firm. Hyaluronic acid and aloe vera gel provide skin with a high level of hydration. Organic, cold pressed sunflower oil is a potent source of vitamin E, beta-carotene and unsaturated fatty acids, offering skin a high level of protection and care.
ZJQ0	ZJQ0-0007	All-round sun protection for face and body, even for highly sensitive and tender baby skins. Light, fluid formula allows easy application and provides an effective, almost invisible barrier against UVA, B and C rays. Soothing, organic extracts of jojoba and calendula lend gentle moisturizing care. Fresh, floral scent.
ZJQ0	ZJQ0-0006	This creamy lotion delivers effective, waterproof protection against UVA, B and C rays, and is packed with nourishing vitamins and calendula extract to soothe young skin.
ZJQ0	ZJQ0-0005	Fragrance free, very high factor sun protection for face and body, even for those with allergies and extremely sensitive skin conditions such as dermatitis and eczema. Rich, creamy formula allows easy application and creates an effective, almost invisible barrier against UVA, B and C rays. With organic evening primrose oil to nourish skin, and liquorice extract to strengthen and soothe.

ZJQ0	ZJQ0-0003	Developed with the tender skin of babies and children in mind, this creamy lotion provides effective UVA, B and C protection whilst gently caring for delicate skin.
ZJQ0	ZJQ0-0002	Fragrance free, high factor sun protection for face and body, even for those with allergies and extremely sensitive skin conditions such as dermatitis and eczema. Light, fluid formula allows easy application and provides an effective, almost invisible shield against UVA, B and C rays.
R95O	R95O-0021	Cooling, soothing and skin softening, this calming gel has a base of organic aloe to help revitalize skin after sun exposure.
R95O	R95O-0022	This self-tan spray deliciously scented with sweet orange and geranium, combines a plant-derived self-tanning agent from sunflower seeds to give skin a naturally healthy glow.

EDUW	EDUW-0001	comprehensive sun protection and so much more for your face and body. targeted daytime moisturizer prevents, rejuvenates, and corrects to achieve the youngest look possible. our added advantage is the combination of stabilized oxygen and antioxidants to make this sun block even more powerful. the end result is a healthy environment for your skin and the ultimate protection from the sun. exclusive formula contains aloe, a moisture storehouse for enzymes, vitamins, proteins, and minerals that support skin functions. aloe vera helps maintain the skin's moisture balance and stimulates blood circulation. it also tightens and rejuvenates your skin leaving it silky feeling.
EDUW	EDUW-0002	octyl methoxycinnamate is an FDA approved sun block with excellent UV absorption. tested and studied ardently, octyl methoxycinnamate has been proven to be a top-notch chemical sunscreen with non-comedogenic properties. titanium or zinc oxide is the only agent known to block all three spectrums of UV light. dimethicone serves to protect against moisture loss and provides a breathable barrier for your skin. benzophenone absorbs maximum amounts of UVA and UVB rays, far more superior to traditional sunscreens. special coconut-oil helps maintain maximum hydration while leaving your skin feeling silky. sweet almond oil provides superior spreadability and leaves your skin feeling smooth and elegant.
EDUW	EDUW-0003	comprehensive sun protection and so much more for your face and body. targeted daytime moisturizer prevents, rejuvenates, and corrects to achieve the youngest look possible. studies show that regular use of a sun block strongly reduces one's propensity for being diagnosed with skin cancer. sun block should be used every single day (even if it's raining!) on all exposed areas. this non-greasy formulation absorbs quickly and easily.

B700	B700-0003	This 100% natural lotion is the perfect daily moisturizer that assists the skin's defenses against aging, and accelerate tanning. Recommended for People who tan and but rarely burn or those who want to protect their skin from everyday exposure.
B700	B700-0001	This is a 100 percent natural, anti-oxidant rich, moisturizing lotion that uses zinc oxide and small amount of titanium dioxide, in the form of natural mineral pigments, to give you broad spectrum UVA and UVB skin protection. It contains Bio-Melanin, which laboratory test confirm is one of the strongest topical anti-oxidants available. Bio-Melanin has a 1000 times greater capacity for capturing and terminating the free radicals than vitamin E alone. When it combines Bio-Melanin with natural Vitamin E and Green Tea, it creates a synergistic effect which amplifies its anti-oxidant protection. Ingredients: Deionized Water (Aqua), Sunflower (Helianthus Annuus) Seed Oil, Vegetable Glycerin, Green Tea (Camellia Oleifera) Extract, Sweet Almond (Prunus Dulcis) Oil, Zinc Oxide ¹ Coconut (Cocos Nucifera) Oil, Jojoba (Buxus Chinensis) Oil, Natural Vitamin E (d-Alpha Tocopherol), Cocoa (Theobroma Cacao) Butter, Bio-Melanin, Rice Bran (Oryza Sativa) Oil, Lanolin Oil, Xanthan Gum, Lecithin, Geranium (Pelargonium Graveolens) Oil, Lemon (Citrus Limonum) Oil, Beeswax, Clays (Bentonite), Eucalyptus Citriodora Oil, Organic Aloe Vera (Aloe Barbadosensis) Powder, Lavender (Lavendula Angustifolia) Flower Extract, Oregano (Origanum Vulgare) Leaf Extract, Thyme (Thymus Vulgaris) Extract, Olive (Olea Europaea) Leaf Extract, Rosemary (Rosmarinus Officinalis) Leaf Extract, Golden Seal (Hydrastis Canadensis) Root Extract, Vitamin B2 (Riboflavin),

PEV1	PEV1-0020	<p>This weightless, mattifying moisturizer boasts a potent combination of antioxidants, cell-communicating ingredients and broad-spectrum SPF protection. Ultra-light, multi-purpose facial moisturizer smoothes and softens skin in a weightless base. Provides excellent daily sun protection. Leaves a shine-free finish and contains absorbent ingredients to help keep oily areas matte and looking fresh for hours. Contains efficacious, potent antioxidants and cell-communicating ingredients to balance and optimize normal to oily and combination skin. 100% fragrance- and colorant-free. Active Ingredients: Octinoxate 7.5%, Oxybenzone 2%, and Avobenzone 2% (sunscreen agents). Other Ingredients: Water, Isododecane (matte finish solvent), Silica (absorbent), Camellia Sinensis (Green Tea) Leaf Extract (antioxidant), Tocopheryl Acetate (vitamin E/antioxidant), Superoxide Dismutase (antioxidant enzyme), Niacinamide, Phospholipids (cell-communicating ingredients), Soybean Peroxidase (antioxidant enzyme), Bisabolol (anti-irritant), Butylene Glycol, Propylene Glycol (water-binding agents), Aluminum Starch Octenylsuccinate (absorbent/thickener), Polysorbate-20 (emulsifier), PEG-100 Stearate, Glycerol Stearate, Cetearyl Alcohol, Cetareth-20 (thickeners), Sorbic Acid (preservative), Acrylates/C10-30 Alkyl Acrylate Crosspolymer (film-forming agent), EDTA (chelating agent), Sodium Hydroxide (pH adjuster), Chlorphenesin, Phenoxyethanol (preservatives).</p>

PEV1	PEV1-0024	<p>Providing our highest level of sun protection, this extraordinarily light spray-on lotion promises a quick, convenient application and silky feel. The very water resistant formula is ideal for outdoor enthusiasts or anytime you'll be spending more than a few hours in the sun. A special antioxidant complex provides further environmental protection for skin. This sunscreen's soft matte finish is ideal for face and body. Offers our highest level of sun protection for long days outdoors Very water-resistant formula is ideal for active lifestyles Extraordinarily light lotion is easy to apply Completely non-greasy with a soft matte finish Antioxidants provide additional environmental protection 100% fragrance- and colorant-free</p> <p>Active Ingredients: Homosalate 10%, Oxybenzone 6%, Octisalate 5%, Avobenzone 3%, Octocrylene 2% (all FDA-approved sunscreen ingredients). Other Ingredients: Water, Butylene Glycol (slip agent), PEG-8, Polyethylene (thickeners), Dimethicone (silicone slip agent), Titanium Dioxide (thickener/opacifying agent), Bentonite (absorbent), Retinyl Palmitate, Tocopheryl Acetate, Sodium Ascorbyl Phosphate (vitamin-based antioxidants), Aloe Barbadosensis Leaf Juice (water-binding agent), Picea Excelsa (Spruce) Wood Extract (anti-inflammatory agent), Sodium Polyacrylate, Acrylates/C10-30 Alkyl Acrylate Crosspolymer (film-forming/waterproofing agents), Lauryl Glucoside (wetting agent), Ethylhexylglycerin (water-binding agent), Disodium EDTA (chelating agent), Phenoxyethanol, Chlorphenesin (preservatives), Sodium Hydroxide (pH adjuster).</p>
PEV1	PEV1-0025	<p>Convenient spray-on application High level of broad-spectrum sun protection for those who spend extra time outdoors Formulated with effective UVB sunscreens as well as avobenzone for superior UVA protection Provides ultra-light hydration and a weightless feel well-suited for normal to very oily skin, on face and body Contains potent antioxidants and anti-irritants to boost skin's environmental defenses May be applied to facial skin (spray into hand and apply; do not spray directly on face) 100% fragrance-, preservative-, and colorant-free</p> <p>Ingredients: Active Ingredients: Octinoxate 7.5%, Homosalate 6%, Octisalate 5.0%, Oxybenzone 4.5%, Avobenzone 3%, Octocrylene 2.4% (all FDA-approved sunscreen ingredients). Other Ingredients: Cyclopentasiloxane, Cyclohexasiloxane (silicone slip agents), Isododecane (dry-finish solvent), Hexyldecanol (skin-conditioning agent), Tetrahexyldecyl Ascorbate (stabilized vitamin C/antioxidant), Nordihydroguaiaretic Acid (plant-based antioxidant), Tocopheryl Acetate (vitamin E/antioxidant), Ferulic Acid (antioxidant), Stearyl Glycyrhethinate, Bisabolol (anti-irritants).</p>

T4KE	T4KE-0096	These sunscreens are considered 'mineral sunscreens' because they contain the mineral titanium dioxide that acts as a non-toxic barrier between the sun's harmful rays and the skin. Titanium dioxide does not penetrate the skin like chemical sunscreens do. It sits on the skin's surface. The sunscreens we carry at Saffron Rouge also contain healing plant extracts and oils to soothe, care for and moisturize the skin (not petroleum-based ingredients).
T4KE	T4KE-0095	A trusted alternative to common synthetic sunscreens. This new and improved formula from Australia provides SPF 30+, broad spectrum, 3-hour water resistant protection without the use of chemical UV-absorbers, titanium dioxide or synthetic preservatives. It is formulated with natural and organic ingredients and is fortified with botanical extracts to moisturize and care for the skin.
E8Z9	E8Z9-0049	This lightweight, protective hydrator defends your skin against damage caused by UV rays and stress. Willowherb, a unique anti-irritant, helps to prevent sensitivities while wine yeast and marine complex combat against environmental damage. The combination of jojoba leaf, a powerful antioxidant, with Burdock root, silica powder, and other effective ingredients refine pores, control excess oil, and help prevent premature aging.
E8Z9	E8Z9-0051	This SPF 15 is a natural foundation powered by our trademarked technology. This proprietary complex has been clinically proven to decrease fine lines and wrinkles while increasing skin's overall moisture, tone, firmness, and elasticity. Micronized minerals immediately brighten the skin while providing SPF 15 UVA/ UVB Broad Spectrum protection.
E8Z9	E8Z9-0046	Our SPF 30 Natural Sunscreen has a weightless, breathable formula that won't clog pores or cause breakouts. The Micronized Titanium Dioxide mineral physically shields against UVA/UVB rays to help prevent premature skin aging and sun damage. Plus, it's infused with healthy vitamins, Aloe Vera Extract, and antioxidants to nourish and soothe sun-exposed skin.
E8Z9	E8Z9-0031	This lightweight, protective foundation smoothes and perfects the skin with potent a SPF 20 sunscreen, vitamins and natural extracts. Skin looks natural - never cakey - always gorgeous.
E8Z9	E8Z9-0044	Our Watermelon Sunscreen Stick SPF 30 shields sensitive areas of the face like the lips, cheeks, and nose. Designed for easy application, this double-duty essential adds a natural, iridescent touch to accentuate features and smoothes to silky perfection.

G7XG	G7XG-0035	Protect your skin against premature aging and discoloration, with a water resistant SPF30. Healing lavender, calming chamomile extracts, and an advanced formula of UV protectors are combined to guard your skin both in and out of the water. It is light, non-greasy, and will not clog pores. Protect your skin 365 days a year!
G7XG	G7XG-0037	Thought you only needed sun protection in the summer? Think again! Finally- the perfect SPF 30 sunscreen that helps protect your skin from the sun's damaging rays. Since every degree of sun exposure is harmful, even when it's cloudy, fighting those year-round harsh UV rays is a must!
E733	E733-0196	Protect your skin from environmental damage and minimizes the signs of aging. Light weight and absorbs quickly. Helps retexturize and smooth your skin. PABA FREE. Available in normal and oil-free formulas. Size: 2.5 oz. Fragrance: None Key Ingredients: Bilberry, Sugarcane, Lemon
E733	E733-0201	Provides high-level, full-spectrum UVA/UVB sun protection. Helps prevent premature signs of aging. Allergy tested. Fragrance free. Be smart and protect your skin. Do it. Size: 6 oz. Key Ingredients: Vitamin A, Aloe Vera & Mandarin
E733	E733-0161	Provides much needed protection from the sun's harmful rays. A conditioner and sun block in one. Marine extracts are included to revitalize and improve the overall look of the skins surface. Size: 4 oz. Fragrance: None Key Ingredients: Grape Seed, Vitamin C
E733	E733-0176	A golden-yellow colored, rich moisturizing cream that contains two forms of vitamin E. Applied over Cellex-C Serum or Hydra 5 B-Complex, Seline-E immediately creates a luxuriously moist, smooth, feel to the skin. Enhances potency of vitamin C. Maintains optimal skin condition, moisturizes & provides anti-oxidant protection. Size: 60 ml Key Ingredients: Vitamin E, Aloe Barbadosis Gel, Glycerin
E733	E733-0178	Finally, a facial moisturizer with SPF for oily skin. Combining UVA/UVB sun protection with a mattifying moisturizer is no easy task, but our product is up to task using natural sea botanical extracts. Perfect for all year sun protection. Size: 2.3 oz. Key Ingredients: Octinoxate, Octislate, Zinc Oxide, Marine Algae, Seaweed Extract
E733	E733-0199	Providing the skin with great UVA/UVB protection, this light non-greasy formulation is an excellent moisturizer for daily use. Besides leaving the skin supple and moisturized, the unique antioxidant complex fights free radicals and nourishes the skin for a better appearance. Size: 1 oz. Key Ingredients: Vitamin E, Vitamin C, Ginseng, Shea Butter

E733	E733-0175	Our product is a one-of-a-kind moisturizer. Achieves hydration for skin while protecting against both anti-aging properties and sun exposure. Reinforces skin's natural moisture barrier. Creates perfect finish. Contains no artificial fragrance or color. Size: 1.7 oz Key Ingredients: Vitamin C, Yeast Extract & White Tea
E733	E733-0172	Light-weight, non-greasy sun-block cream absorbs quickly into skin helping to moisturize and promote skin recovery. Our Technology provides increased protection against UV rays and sun exposure. With daily use, skin will look healthier and have a shine-free, natural finish. Contains no artificial fragrance, color or kryptonite. Size: 3.4 oz. Key Ingredients: Lavender Extract, Grape Seed Extract & Wheat Germ Extract
E733	E733-0177	Shields skin from damaging UV rays and controls oil all day long. Provides a matte finish. Size: 1.7 oz. Key Ingredients: Octinoxate, Camellia Sinesis Leaf Extract & Green Tea
E733	E733-0173	Daily-use sun screen can be used alone for max protection or in combination with a moisturizer to "boost" your SPF level against dangerous sun rays. Loaded with botanical extracts and Avobenzone to help guard against premature aging. Contains no artificial fragrance or color. Size:1.7 oz. Key Ingredients: Avobenzone, Grape Seed Extract & Vitamin A,C,E
E733	E733-0203	Eye treatment protects and repairs the delicate eye area. Sunscreen helps to shield against further damage. Treatment reduces puffiness, dark circles, and fine lines through a variety of technological advancements. Works wonders. Size: .5 oz Key Ingredients: Lactic Acid,Optical Light & Extract of Spiraea
E733	E733-0054	Both a moisturizing aftershave and a powerful SPF 30 sunscreen, lotion protects dome from sun while keeping head refreshed after each shave. Leaves a matte finish. Great for dry skin in general, especially on the dome. Free of dyes and perfumes. Size: 8 oz. Key Ingredients: Organic Aloe Vera Leaf Juice, Shea Butter & Green Tea Extract
E733	E733-0180	This multi-action moisturizer will give you adequate UVA and UVB protection while using blue algae extract to keep the skin on your face soft while spending extended periods of time in the sun. This moisturizer will also lock in moisture, creating a natural balance throughout the day. Size: 3.3 oz. Fragrance: None Key Ingredients: Blue Algae Extract, Chamomile Extract, Lavender Oil
E733	E733-0202	Ultralight, non-greasy, waterproof and sweatproof formula provides maximum protection while moisturizing, nurturing and helping to repair the damaging effects of the sun. Great for everyday use or for extreme environmental conditions. Size: 3.4 oz. Key Ingredients: Titanium Dioxide, Aloe, Allantoin

E733	E733-0192	Soothes, heals and firms. Avoid sun damage while balancing out the rest. Gives a matte finish to those oily areas while hydrating dry spots at the same time. A must when outdoors. Size: 1.7 oz. Fragrance: None Key Ingredients: Wheat and flower extract
E733	E733-0159	Emolliate yourself big time. A fusion of natural herbal extracts, pure essential oils and vitamins C, D and A enhances skin tone and texture, while providing essential daily sun protection. What more could you ask for in a moisturizer? Size: 4 oz. Key Ingredients: White Tea Extract, Colloidal Oatmeal, Octylmethoxycinnamate & Oxybenone
QTUD	QTUD-0001	Fragrance-free, Aloe Vera/Bio Botanical base, oil-free, PABA-free, UVA/UVB. No animal biproducts. No animal testing. Very water resistant up to 80 minutes.
QTUD	QTUD-0002	Fragrance-free, Aloe Vera/Bio Botanical base, oil-free, PABA-free, UVA/UVB. No animal biproducts. No animal testing. Water resistant up to 40 minutes.
QTUD	QTUD-0003	Contains additional skin soothers for more sensitive skin. Fragrance-free, Aloe Vera/Bio Botanical base, oil-free, PABA-free, UVA/UVB. No animal biproducts. No animal testing. Very water resistant up to 80 minutes.
QTUD	QTUD-0004	Fragrance-free, Aloe Vera/Bio Botanical base, oil-free, PABA-free, UVA/UVB. No animal biproducts. No animal testing.
QTUD	QTUD-0005	FDA approved test shows starting SPF of 33.01 and after 80 minutes in water an SPF of 31.69. Fragrance-free, oil-free, PABA-free, UVA/UVB. Extra heavy duty pump dispense included.
QTUD	QTUD-0006	Aloe Vera/Bio Botanical base, oil-free, PABA-free, UVA/UVB. No animal biproducts. No animal testing. Very water resistant up to 80 minutes.
QTUD	QTUD-0007	Aloe Vera/Bio Botanical base, oil-free, PABA-free, UVA/UVB. No animal biproducts. No animal testing. Very water resistant up to 80 minutes.
BO4C	BO4C-0017	Our Face & Body SPF15. Water Resistant. Broad spectrum protection with Parsol 1789. Astringent properties that help reduce inflammation. Active ingredients: Avobenzone 2%, Octinoxate 7.5% Octisalate 3%, Oxybenzone 2% Inactive ingredients Purified Water, Certified Organic *Lavender AllPlant Essence™, PEG-8, C12-15 Alkyl Benzoate, Corn Starch Modified, Octyldodecyl Neopentanoate, Ethylhexyl Palmitate, PVP/Eicosene Copolymer, Sorbitan Stearate, Glyceryl Stearate, PEG-100 Stearate, Cetyl Dimethicone, Glycerin, Palmitoyl Tetrapeptide-3, Lecithin, Panthenol (B-5), Stearamine, Extracts of Chamomile, Rosemary, and Licorice, Magnesium Ascorbyl Phosphate (Vitamin C), Phosphatidyl Choline, Dimethicone, Castor Seed Oil, Extracts of Echinacea, Horsetail, Rose Hip, Cucumber, and St. John's Wort, Butylene Glycol, Polysorbate-20, Triethanolamine, TEA-Carbomer, Alcohol Denat., Disodium EDTA, Phenoxyethanol, Methylparaben, Ethylparaben, Butylparaben, Propylparaben, Isobutylparaben.

	BOPR	BOPR-0020	Our SPF formula is water resistant for up to 40 minutes, safe for children of all ages, thoroughly moisturizes while it protects and is reminiscent of a holiday luau. This is a 100% natural, chemical-free, physical barrier sunblock.
	BOPR	BOPR-0016	Our SPF formula is water resistant for up to 40 minutes, safe for children of all ages, thoroughly moisturizes while it protects and is reminiscent of a holiday luau. This is a 100% natural, chemical-free, physical barrier sunblock.
	L7F8	L7F8-0001	Our product combines the natural protective, moisturising and rejuvenating qualities of organic hemp seed oil with the most effective and least damaging chemical sunblocks to produce a safe and protective lotion that is vegan, free from parabens, harmful substances and unnecessary chemical additives.
Wastewater Systems Coatings	X03Z	X03Z-0001	A Biobased polyurea comprised of 100% solids that are environmentally friendly, which means they contain no VOC's. Biobased Polyurea is a multi-use coating which can be used in many applications. It is a two-component polyurea elastomer designed to be applied through a metering system. Polyurea can be sprayed in high moisture conditions, they also displays excellent chemical, and abrasion resistance. Our Biobased Polyurea can be formulated to be fast or slow, soft or hard, and with good elongation.
	QTHE	QTHE-0003	Hydrogen-sulfide resistant polyurethane [or urethane] protective coating/liner for sanitation wastewater manholes and related structures. Our Polyurethanes are used extensively In Southern California with over 70 cities and agencies approving the product for application to Sanitation Wastewater Manholes and related Structures.
	GCB8	GCB8-0001	Plural component, 1:1 ratio spray applied polyurethane. Part A is isocyanate and Part B polyol is made with a 70% biobased natural polyol, castor oil.
Water Clarifying Agents	C6IV	C6IV-0001	Fast becoming one of the top-selling pond and aquarium products in America and the reasons are simple. This product is likely the strongest, most complex beneficial bacterial product available. It has no odor and usually sells for less than other products. We also put a "best if used by" date on every bottle, that ensures that you are getting an active, robust product.
	J922	J922-0001	A blend of granular product consisting of naturally-occurring, scientifically selected (but not genetically manipulated) microbes formulated to accelerate decomposition and digestion of excess nutrients including ammonia, nitrites, nitrates, phosphates, urea and fecal matter in aquaculture and ponds.

J922	J922-0002	A liquid blend of products consisting of naturally occurring, scientifically selected (but not manipulated) microbes formulated to accelerate decomposition and digestion of biomass (sludge) and to consume excess nutrients including nitrates and phosphates. Ecological imbalances and bottom sledge result from an influx of fallen foliage, fish and animal wastes and 'non-point' pollutant organic and inorganic nutrient runoff from the surrounding watershed.
J922	J922-0003	A liquid blend consisting of naturally-occurring, scientifically selected (but not genetically manipulated) microbes formulated to accelerate decomposition and digestion of excess nutrients including ammonia, nitrites, nitrates, phosphates, urea and fecal matter in aquaculture and pond. A harmless to humans, plants, animals and aquatic life.
J922	J922-0006	A granular blend of product consisting of naturally occurring, scientifically selected (but not genetically manipulated) microbes formulated to accelerate decomposition and digestion of biomass (sledge) and to consume excess nutrients including nitrates and phosphates. Ecological imbalances and bottom sludge result from an influx of fallen foliage, fish and animal wastes and 'non-point' pollutant organic and inorganic nutrient runoff from the surrounding watershed.
C233	C233-0001	This formulation is a 5 species blend of Bacillus organisms, formulated to provide many benefits for ponds, lakes, aquaculture ponds, koi ponds, water garden ponds & aquariums. These 5 beneficial pond bacteria will reduce toxic ammonia & nitrite, as well as problem-causing nitrate & phosphate. Plus, it will reduce organic bottom-sludge (muck), control odors, and reduce murky water.
C233	C233-0003	A dissolvable powder formulation, containing beneficial pond bacteria and is ideal for use in aquaculture ponds. This product is packaged in UV resistant, odor resistant and water-resistant 500 gram and 1 kilogram foil packets. Each packet also has a re-sealable top, to protect the product and keep it fresh. This formulation will eliminate toxic ammonia & nitrite, as well as eliminate problem-causing nitrate & phosphate from the pond water.
H3HU	H3HU-0016	All-natural biological and botanical extracts for removal of contaminants in ponds and lagoons. 1 gallon covers one acre of water. Formulated with ingredients that are GRAS-Listed.

PC6X	PC6X-0005	A concentrated blend of dry, live beneficial bacteria that quickly biodegrades nutrients, organic matter and hydrocarbons in water that contributes to the build up of algae, scum, sludge and foul odors. Use this to clean up and clarify any aerated outdoor fountain, pond or small lake used for landscapes, irrigation, drainage and nutrient recycling. Use this is a natural, biodegradable product and is non-toxic to humans, animals, fish and pond plants.NOTE: 1 acre foot equals 325,000 gallons of water.
UY69	UY69-0001	a natural blend of aerobic and facultative anaerobic bacteria. It is effective in binding of water column phosphorus and nitrogen. Designed to improve production capacity and enhance water quality. Information on it in effective in phosphorus mitigation and general water quality improvement. Studies are available upon request. It has been proven world wide in lake and pond environments as well as aquaculture applications.
UY69	UY69-0002	A blend of naturally occurring aerobic and facultative anaerobic microbes that are designed to reduce accumulated organic sludge and waste in ponds, lakes ornamental ponds, aquaria, waste water plants and aquaculture facilities. It reduces nutrients such as Nitrite, Nitrates and Nitrogen through accelerated microbial uptake and decomposition of organic matter. Reduced B.O.D.(biological oxygen demand) and improves water quality but consuming organic solids, and suspended organic particulates in the pond water column. Eliminates Hydrogen Sulfide (rotten egg gas) .
BQCE	BQCE-0001	We have a premium selection to meet the specific needs of hatchery managers and the species of culture in each operation. They are available in different quality grades. Each grade of has a particular size, percentage hatchout and nutritional profile to cover diverse requirements of our customers.
BQCE	BQCE-0002	Grades I, II, III & IV Graduated, uniformly sized, synthetic larval diet from 30 - 450 microns. We, using the latest developments in nutrition research, have assembled together in a line of larval feeds. It is superb as a partial or complete replacement of live feeds in developmental diets. Each formula allows hatchery managers to optimize production with high quality, vitamin stabilized supplements. The easy-to-dispense format provides consistent, high yields. It's hydrostability in both marine and freshwater environments also ensures maximum availability of nutrients to target species. Each formulation provides an excellent HUFA profile, rich in -3 fatty acids for elevated vitality and productivity. To preserve quality and freshness after opening, reseal with the supplied cap and store in a cool, dark area out of direct light. Always store hatchery feed away from sources of heat.

BQCE	BQCE-0003	Our product has all the essential Omega-3 fatty acids. Choose from either liquid or dry formulation:
BQCE	BQCE-0004	The zoea stage in larval development is often sensitive to stress, pathogenic bacteria, and diet deficiencies which often result in mass mortalities. Use of it in larval feeding can help prevent most mortalities in the zoea stage, strengthen the animal's response to stress, and increase overall survival ratios. Because it is hydrolyzed (partially digested without destroying the natural enzymes), its nutritional quality remains complete and fully available, digestible and beneficial to animals at this stage of development.
BQCE	BQCE-0005	A synthetic seawater medium formulated for the culture of algae in laboratory conditions. The formula contains macronutrients such as nitrate and phosphate, as well as, silicate when used in the culture of diatoms.
BQCE	BQCE-0006	A customized bacteria combination designed to control waste build-up in ponds and other bodies of water. The formula consists of naturally occurring bacteria with known capabilities of degrading waste matter and reducing ammonia levels through natural oxidation. Each lot contains a powerful mixture of bacteria.
QCEC	QCEC-0002	This is 100% natural and safe for use in water. Safe for fish, animals, plants and humans and is Registered and Certified with a NSF Cat. 61 designation for use in potable water. Comprised of oxidized coal and humic acid (5%) and distilled water (95%) No added bacteria or hazardous chemicals.
M2RO	M2RO-0014	We has developed a microbial - based Pond Clarifier designed to bring water back into ecological equilibrium. In most cases, poor water quality is the result of an overload of organic nutrients, primarily excess nitrogen and phosphorous. This nutrient buildup serves as a food supply for undesirable plant growth and creates an unbalanced ecosystem. Our Pond Clarifier creates clean pond and lake-water through a natural biological process. This natural microbial product contains aerobic and facultative bacteria capable of biodegrading cellulose, lignin, hydrocarbons and other organic pollutants in aqueous environments.
M3JJ	M3JJ-0191	Microbial pond clarifier this is a concentrated microbial-based product that quickly biodegrades excess nutrients, organic matter and hydrocarbons to clarify pond water. Helps bring aquatic environments back into ecological equilibrium. Pond Clarifier is a natural, biodegradable product that does not harm humans, animals or fish. Works best with adequate aeration. Use it to clean and clarify any small pond, lake, or aquatic farm. 1 tsp treats 100 gallon water, 0.5 lb treats 5000 sq ft of water surface.

B682	B682-0142	The safest, most effective pond cleaner! This product contains a powerful combination of beneficial bacteria that quickly consume and reduce organic debris (including algae) in polluted decorative ponds. Improves water quality and clarity.
D1DA	D1DA-0001	A chitosan-based, non-toxic, biodegradable, cationic polymer. It is delivered as a 2% viscous solution in 250-gallon totes.
HRJY	HRJY-0005	It is a blend of naturally occurring heterotrophic microbes. These microbes are not normally found in fish water so they add a new dimension of ammonia, fecal matter and excess feed. Our microbes are energetic, eager eaters. They take a different path in their digestion of ammonia and solids, turning them into a microbial protein that many fish use as a food. The ammonia doesn't pass through the traditional nitrogen cycle so nitrites and nitrates are minimized. This controls algae by reducing its food source. It works in fresh or salt water.
HRJY	HRJY-0006	Specially selected strains of microbes digest nutrients in ponds and small lakes, cleaning the water, naturally. Eutrophication of lakes and other water bodies is a common phenomenon due to the over-application of fertilizers and the increase of human activities. A proprietary mix of microbes that will seize the phosphorous in the water and store it inside the cell. The green water color of an eutrophic pond will gradually disappear. Moreover, our microbes have the ability to group with each other and with suspended particles in the water and sink to the bottom of the lake. This sedimentation process clears up the water. With our microbial treatment, your water will look pristine. It is economical, simple to use, breaks down waste, dead algae and other debris that make the water dark or cloudy, starts working immediately, and reduces maintenance
QH85	QH85-0001	your easy solution for replacing or supplementing live microalgae in commercial fish, shrimp, shellfish and ornamental hatcheries, universities and research. real marine microalgae, grown under laboratory conditions and concentrated for easy storage and long life. not live and cannot be used as starter cultures - it is an inexpensive bulk feed.
QH85	QH85-0002	Zooplankton are small animals that feed on microalgae. There are many types of zooplankton, but the most commonly used in aquaculture are rotifers, copepods, and mysid shrimp. We are proud to introduce live zooplankton as our new aquaculture product line.
RS9R	RS9R-0003	the most advanced scientific formulation of specialized bacterial strains, natural enzymes, and fermentation enhancers that will dramatically increase the digestive capacity of your manure system or in the aquaculture industry. The result is degraded manure that is an excellent fertilizer with less odor and reduced ammonia discharge. It is even used as a feed ingredient in the aquaculture industry where its unique blend of enzymes and microorganisms offer prebiotic and probiotic benefits.

RS9R	RS9R-0004	This improves water clarity and quality in commercial aquaculture, aquariums, decorative fountains and pond situations. Proven effective in both salt and fresh water, this accelerates organic waste degradation under both aerobic and anaerobic conditions. Control of ammonia, nitrate, and nitrite provides a safer, healthier, environmentally friendly ecosystem. This product only ensures a healthy environment for fish, shrimp and prawn stock, by improving water quality, its probiotic and prebiotic qualities also improves stock health, harvest size, weight and survivability.
RS9R	RS9R-0005	It is designed as an all-natural cleaning system for aquatic environments. The formula contains beneficial bacteria and enzymes that digest organic waste, cleaning aquarium, pond, or fountain naturally and reducing the hostile factors that have been determined to be detrimental to the health and life cycle of fish.
RS9R	RS9R-0008	Blend of two products.
